CASE CLOSURES UNDER
ENFORCEMENT PRIORITY

GENERAL COUNSEL'S REPORT

I. INTRODUCTION

The cases listed below have been evaluated under the Enforcement Priority System (EPS) and identified as of low priority. This report is submitted to recommend that the Commission no longer pursue these cases for the reasons noted below.

II. CASES RECOMMENDED FOR CLOSURE

Cases Not Warranting Further Action Relative to Other Cases Pending Before the Commission

EPS was created to identify pending cases that, due to the issues raised in the matters relative to others presently pending before the Commission, do not warrant further expenditure of resources. As part of this process, Central Enforcement Docket (CED) evaluates each incoming matter using Commission-approved criteria which results in a numerical rating for each case.

Closing these cases permits the Commission to focus its limited resources on more important cases presently pending before it. Currently, cases

do not warrant further action relative to other pending matters.¹ Included in this Office's recommendation for closure are two cases that were held at the direction of the Commission on July 28, 1999.² Factual summaries of the cases, EPS ratings, and factors leading to assignment of a low priority and recommendation not to further pursue the matters are attached to this report.

This Office recommends that the Commission exercise its prosecutorial discretion and close the cases listed below effective two weeks from the day that the Commission votes on the recommendations. Closing these cases as of this date will allow CED and the Legal Review Team the necessary time to prepare closing letters and case files for the public record.

¹ These cases are:

PM 384 (<i>Michael A. Magnoli</i>);	PM 386 (<i>Hart, Shoemaker, & Colley</i>);
MUR 4782 (<i>Ensign for Senate</i>);	MUR 4787 (<i>American Conservative Union PAC</i>);
MUR 4812 (<i>Barr for Congress</i>);	MUR 4869 (<i>American Postal Workers Union</i>);
MUR 4875 (<i>New Jersey Network</i>);	MUR 4894 (<i>Zack Exley</i>);
MUR 4896 (<i>Suburban O'Hare Commission</i>);	MUR 4911 (<i>William Jefferson Clinton</i>)

² With regard to MUR 4896 (*Suburban O'Hare Commission*), the Commission voted to "[m]aintain MUR 4896 on the enforcement docket at this time pending review of the policy regarding cases which appear to merit no reason to believe determinations." On January 13, 2000, the Commission voted to resolved this issue.

In MUR 4894 (*Zack Exley*), the Commission voted to "[m]aintain MUR 4894 on the enforcement docket at this time pending a discussion, within another context, of how the Commission should address the use of internet sites." On November 10, the Commission issued AO 1999-17 that discusses the use of internet sites. Consequently, the General Counsel's Office has included both MURs 4896 and 4894 in this report.
