To: Lisa A. Davis

Dear Ms. Davis,

RE MUR 4912 and attached letter from the FEC

This matter has reference to our post-general election report for 1998. I was out of town when the letter arrived so I am sorry not to have answered sooner.

I have checked our files and find that we do have our photo copy of this report so we are making an additional copy and are sending it to the FEC for re-filing. The fact that we have the photo copy should mean that we also sent off the original copy to the FEC.

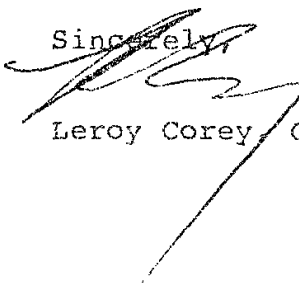

I will look into what happened and will contact you by letter by the end of this week.

Since no other report is listed as missing, I am assuming that all others have been received and filed.

The FEC letter to me also indicates that there may be an error in our year end report and I will look into that too and let you know.

Thank you.

Sincerely,

  
Leroy Corey, Chairman
