RE: MUR 4912

Dear Mr. Corey:

This letter is to acknowledge receipt of your letter dated August 16, 1999 which states that you are in possession of a photocopy of MACPAC's 1998, 30 Day Post-General Report and will be "re-filing" the report with the Federal Election Commission ("Commission"). Additionally, you state that you are looking into the circumstances surrounding the original filing of the 1998, 30 Day Post-General Report and promised that you would contact this Office *via* letter by August 20, 1999. To date, we have received neither the report nor your letter.

A photocopy of MACPAC's 1998, 30 Day Post-General Report is helpful but it would also be favorable for you to provide evidence that the report was originally filed timely with the Commission and/or filed in response to the Non-Filer Notice sent to MACPAC *via* mailgram on December 28, 1998. This evidence, for example, a dated return receipt from registered/certified mail or a courier slip, will be taken into consideration by the Commission when making a decision regarding the disposition of the matter.

If you have any questions, please contact Dominique Dillenseger or myself at (202) 694-1650.

Sincerely,

A handwritten signature in cursive script, appearing to read "Lisa A. Davis".
