RE: MUR 4912

Dear Mr. Borsay:

This follows our telephone conversation today regarding MACPAC's outstanding litigation civil penalty. Attached is the latest fax this Office received from Mr. Corey regarding the matter. Your cooperation in helping us resolve this matter is appreciated.

We would like to recommend that the Commission take no further action and close the enforcement matter (MUR 4912). However, we would also have to bring to the Commission's attention the outstanding balance of \$1,440.00 from the litigation matter and court order in October of 1992. This balance does not include accrued interest. Our records show that MACPAC's last payment on the civil penalty was received in April of 1996. Prompt payment of the unpaid balance would be helpful in our recommendation to the Commission regarding the disposition of this matter.

Payment can be submitted by check to this Office. The check should be made out to the Federal Election Commission. Please feel free to contact Colleen Sealander, the attorney assigned to the litigation matter, at (202) 694-1650 if you have any questions.

Sincerely,
