RE: MUR 4931
Howard Honigbaum
Gary Tabackman

Dear Mr. Pinegar:

I am in receipt of and thank you for the letter dated August 26, 2003. Our committee received the letter from the Federal Election Commission on September 3, 2003. I am enclosing two checks in the amounts of \$1,000 each made payable to the Treasury in regard to the above referenced matter. It is our understanding that our committee is not a respondent in this matter and that no further action is required on our part. Please notify our committee if you determine that there is a genuine question regarding the legality of any other contribution made to our committee in order that we may take the appropriate action required by FECA. As always, we will continue to use our best efforts to determine the legality of any contribution and we appreciate any information the commission may provide regarding any contributions to our committee.

Please do not hesitate to contact me if you have any questions or need any further assistance from our committee.

Sincerely,

Pamela Blackwell, Treasurer
