RE: MUR 4818 and MUR 4933

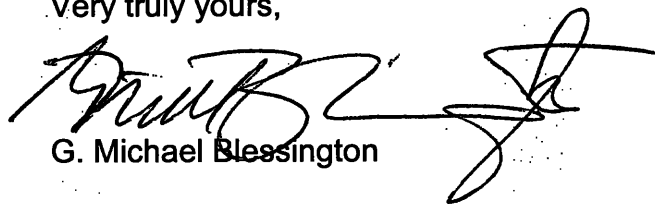

Dear Mr. McDonnell:

This will confirm our telephone conversation of this date wherein I informed you of my continuing health problems and resultant inability to complete and file my brief in the referenced matter.

I requested an extension of time within which to file my brief until Friday, September 7, 2001. You indicated that you felt that such an extension would not be inappropriate. We will, of course, execute a tolling agreement for the statute of limitations for the same period.

Thank you very much for your assistance and indulgence.

Very truly yours,

G. Michael Blessington
