RE: MURs 4935 and 5057

Dear Sir:

This is in reference to your notice of August 23. Since returning from vacation, I have been trying to get the Dear for Congress committee to furnish me with the documentation I need, to no avail.

This transaction was an error, which was corrected when the committee refunded to me the excess improper part of the contribution. I have asked them to provide me with a copy of the canceled check to show you, but they appear to be to busy running in the primary right now.

I hope that your agency has access to their records and can readily see that I in fact only contributed the legal limit. If I can be of any further assistance, please let me know. Thank you for your kind consideration.

Very truly yours

Benjamin Landa
