Dear Mr. Potter:

This is a reply to your letter requesting an extension to respond to the Commission's reason to believe findings in these matters. Your letter of November 3, 2000 characterizes an extension until November 30, 2000 as a 20-day request. According to our records, the response was due November 4, 2000. After considering the circumstances presented in your letter, however, the Office of the General Counsel has granted the requested 26-day extension. Accordingly, your response is due by the close of business on November 30, 2000.

If you have any questions, please contact me at (202) 694-1650.

Sincerely,

A handwritten signature in cursive script that reads "Delbert K. Rigsby".
