ATTACHMENT TO SUBPOENA AND ORDER

This Subpoena to Produce Documents and Order to Submit Written Answers has been issued by the Federal Election Commission under the authority of 2 U.S.C. § 437d(a)(1) and (3). Return this original with an original affidavit signed by the appropriate official attesting to the truth of the answers and that all responsive documents have been provided. The affidavit must be sworn to and notarized.

INSTRUCTIONS

In answering these interrogatories and requests for production of documents, furnish all documents and other information specified below, however obtained, including hearsay, that are in your possession, custody or control, or otherwise available to you, including documents and information appearing in your records.

Each answer is to be given separately and independently, and unless specifically stated in the particular discovery request, no answer shall be given solely by reference either to another answer or to an exhibit attached to your response.

The response to each interrogatory propounded herein shall set forth separately the identification of each person capable of furnishing testimony concerning the response given, denoting separately those individuals who provided informational, documentary or other input, and those who assisted in drafting the interrogatory response.

If you cannot answer the discovery requests in full after exercising due diligence to secure the full information to do so, answer to the extent possible and indicate your inability to answer the remainder, stating whatever information or knowledge you have concerning the unanswered portion and detailing what you did in attempting to secure the unknown information.

Should you claim a privilege or other objection with respect to any documents, communications, or other items about which information is requested by the following interrogatories and requests for production of documents, describe each item in sufficient detail to provide justification for the claim or other objection. Each claim of privilege must specify in detail all grounds on which it rests. No part of a discovery request shall be left unanswered merely because an objection is interposed to another part of the request.

This order for written answers and subpoena for the production of documents is continuing in nature and you are required to file supplementary responses or amendments if you obtain further or different information or documents during the pendency of this matter. Include in any supplemental response the date upon which such further or different information came to your possession and attention.
