RE: MUR 4947 (Kemp for Vice President Committee)

Dear Mr. Noble:

In accordance with our phone conversation today, I am writing to request a twenty-day extension of time to file a response to your letter of October 4, 2000.

Because the Committee has not been active for four years, the files needed to respond to your brief are in storage and must be retrieved before a response can be filed. In addition, I am legally blind and am not able to read the materials or type a response without assistance. As a result, it would be difficult, if not impossible, for me to complete a responsive brief within 15 days. I respectfully request an extension.

Thank you for your consideration.

Sincerely,

Kirk L. Clinkenbeard
