      MUR 4950

Dear Mr. Moye:

     I am currently the President of the City Political Action Committee ("CityPAC") in Chicago, Illinois. I am writing this letter in response to your December 9, 1999 letter.

     As we discussed during our telephone conversation earlier this morning, prior to reading your letter and the enclosed documents, I had no knowledge of the matters included in the "Factual and Legal Analysis" and draft Conciliation Agreement. However, as the new President of CityPAC I am committed to ensuring that these matters are resolved properly as soon as possible. I am also committed to ensuring that CityPAC remains in full compliance with all applicable statutes and Commission regulations.

     As I also explained earlier, although your letter was dated December 9, 1999, it was originally sent to an incorrect address and then resent by the Commission on January 11, 2000. I did not actually receive the letter until just this week. Accordingly, in order to respond to your letter, I would like to request an extension of the time in which CityPAC is allowed to submit factual and legal materials regarding this matter. As we discussed, our request is that the deadline be set as February 21, 2000.

     I appreciate your attention to this matter, and I look forward to working with you and the Commission to conclude this matter. Of course, if you have any questions or need any further information, please call me at 312-578-6566.

Sincerely,

Peter M. Friedman
