Re: MUR 4953

Gentlemen:

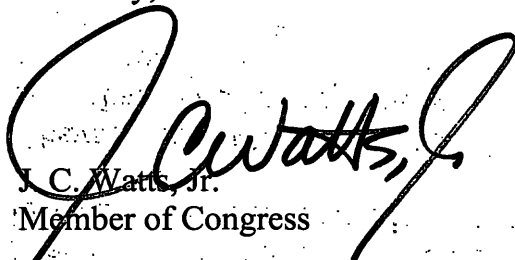

I have reviewed the materials submitted in your letter dated December 15, 1999, including the complaint which initiated this inquiry.

I have no involvement in or knowledge of any of the facts alleged by the complainant other than my brief **attendance** at one of the group's functions. I have not and do not participate in the "establishment, financing, maintaining or control" of the US Family Network, the Republican Majority Issues Conference, the Americans for a Republican Majority, or Americans for Economic Growth.

In fact, the complainant does not allege that I have any involvement in the alleged scheme described in the complaint other than "attending the Republican Majority Issues Conference first fundraiser."

Based on the foregoing, I respectfully request the FEC to dismiss this complaint as to me.

Sincerely,

  
J. C. Watts, Jr.  
Member of Congress
