Dear Ms Robinson:

I am writing in response to your letter dated 7th of February, 2000, and your letter dated February 28, 2000 which I hope is where this extension comes in. Am writing to tell you why we have not responded. Our treasurer, Jody Robinson's husband had a very bad stroke and she has not been available to work with us on this. If you will give me the 20 day extension so she may come to the office to take care of this problem, as she is the one person that has talked and dealt with you on this matter. I am a State Senator and I am now in session and it is very difficult for me to get away to take care of this myself. As you know Mississippi is handicapped in that we do not have an office staff yet. We now have an Executive Director and we hope things will move along soon. Please extent to us that 20 days so that our new director will have time to get with our treasurer to be brought up to date on this matter

Thank you for your consideration on this matter Am,

Sincerely,

Senator Gloria C. Williamson
