RE: MUR 4991

RECEIVED  
FEDERAL ELECTION  
COMMISSION  
OFFICE OF GENERAL  
APR 19 10 23 AM '00

Dear Mr. Jordan:

This will respond to the correspondence received from the Federal Election Commission in the above-captioned matter filed against Zimmer 2000, Inc.

*We understand from your cover letter that the letter from James F. Klein should be considered a complaint. However, this letter does not state a violation of the Federal Election Campaign Act or the Commission's regulations. We are at a loss to see what the violation could be.*

The letter from the Zimmer campaign includes the required disclaimers. The other two letters concern communications from individual delegates to fellow county political convention delegates, which do not fall under the Act or regulations. The "evidence" appears to be the usage of the series of stamps now generally being available by the U.S. Postal Service across the country and a perceived "shadow" (whatever that is) on the letter.

There is no violation here and this MUR should be dismissed.

Sincerely,

*Maria Chappa*
