***Request for Pre-Probable Cause Conciliation Negotiations***

Pursuant to 11 C.F.R. § 111.18(d) and the April 13, 2005, letter from FEC Chairman Scott E. Thomas, CRG hereby makes its written request to enter into negotiations directed toward reaching a conciliation agreement. CRG concedes no wrongdoing and believes it has violated no law with respect to the subjects of MUR 5024R. But if acceptable terms of conciliation can be agreed upon in a timely manner to reduce the burdens of investigation, including time and legal fees, CRG would be interested in a conciliation agreement at this time.

Sincerely,

BOPP, COLESON & BOSTROM
