Re: MUR 5030

Dear Mr. Messenger:

When I called you this morning, you asked that I write you a letter concerning receipt of your letter of June 19, 2000. I have been away from my home and office since the 12th of June and did not receive the letter addressed to Ms Clair Beckmann and myself until yesterday, June 25th.

I am asking for additional time to address the matters covered in the letter and analysis you have submitted. As you can imagine, it is going to take me a bit of time to attempt to address the concerns you have raised as there is no campaign staff remaining and all of my records are in storage. But I will personally attend to this matter and attempt to straighten out any concerns you have addressed. I just may not be able to do so under the deadline provided in your correspondence inasmuch as I just received this letter this weekend.

For your information, my office telephone number is 303-444-0206 should you need to contact me for any reason. You have my home and office mailing addresses.

Thank you for your consideration of this matter.

Sincerely,

Bob Greenlee
