(C00188979)
Judith Dornstein, Treasurer
444 South Occidental Boulevard #421
Los Angeles, CA 90057
- II. RELEVANT STATUTE: 2 U.S.C. §441a(f)
2 U.S.C. §441b(a)
11 CFR §102.5(a)(1)(i)
- III. BACKGROUND:

Receipt of Apparent Impermissible and Excessive Contributions from a National Party Committee

The Hollywood Women's Political Committee ("the Committee") received four (4) apparent impermissible and excessive contributions totaling \$304,129.71 from one (1) National Party Committee during calendar year 1996. The receipts were reported on the 1996 October Quarterly, 1996 12 Day Pre-General, 1996 30 Day Post-General and 1996 Year End Reports.

On October 15, 1996, the Committee filed the 1996 October Quarterly Report which disclosed a receipt of \$288,143 from the DNC Services Corporation Victory '96-Federal committee on September 9, 1996 (Attachment 2).

On December 18, 1996, a Request for Additional Information ("RFAI") was sent to the Committee for the 1996 October Quarterly Report acknowledging the Committee's receipt of an excessive contribution from a political party committee. The RFAI stated that the receipt of funds was in violation of 2 U.S.C. §441a(f) and 11 CFR §110.1(d) and that if the funds were incompletely or incorrectly reported, an amendment to the original report should be submitted with

21.04.403.0214

clarifying information. If the contribution received exceeded the limits, the RFAI recommended that the Committee seek reattribution pursuant to 11 CFR §110.1(k), transfer-out the amount in excess of \$5,000 to an account not used to influence federal elections, or refund the excessive amount to the donor in accordance with 11 CFR §103.3(b) (Attachment 3).

On December 17, 1996, the Committee filed an amendment to its 1996 October Quarterly Report which moved the receipt of \$288,143 from Schedule A supporting Line 11(b), representing contributions received from political party committees, to Line 15, representing offsets to operating expenditures, and listed the purpose of receipt as "Event Reimbursement" (Attachment 4).

On January 9, 1997, the Commission sent a Second Notice in response to the 1996 October Quarterly Amendment, asking the Committee to "clarify for the public record the circumstances related to this event reimbursement and please disclose the dates of disbursement for which your Committee is being reimbursed by DNC Services Corporation" (Attachment 5).

On February 10, 1997, the RAD analyst called Lydia, of Jules Glazer Business Management, the firm that handles the Committee's filings, after being unable to contact the treasurer or the Committee directly. The analyst left a message for Lydia to please call the analyst regarding the Committee. On February 11, 1997, Ms. Kindee Durkee, of the same firm, returned the analyst's call and indicated that Lydia was out of the office. The analyst told her that the Committee had not responded to the Commission's RFAI. She said they would respond for the Committee right away (Attachment 6).

On February 13, 1997, the Committee filed a response to the Second Notice which disclosed the amounts and dates of the reimbursements, and also included an itemized list of each vendor and payment made for the event. According to the Committee, total payments made on behalf of the DNC Services Corporation Victory '96-Federal were \$311,961.85, of which \$309,129.71 was reimbursed to the Committee. This response identified the event as "Presidential Event" and did not include any clarifying information (Attachment 7).

The 1996 12 Day Pre-General Report disclosed a receipt of \$17,702.96 from the DNC Services Corporation Victory '96-Federal committee on October 9, 1996 as a receipt from a political party committee on Schedule A supporting Line 11(b) (Attachment 8). An amendment filed on December 7, 1996, moved the receipt from Line 11(b) to Line 15 representing offsets to operating expenditures, for "Event Reimbursement" (Attachment 9).

21-04-403-0215

The 1996 30 Day Post-General Report disclosed a receipt of \$1,265.00 from the DNC Services Corporation Victory '96-Federal committee on November 6, 1996 as an offset to operating expenditures for "Event Reimbursement" on Schedule A supporting Line 15 (Attachment 10).

The 1996 Year End Report disclosed a receipt of \$2,018.75 from the DNC Services Corporation Victory '96-Federal committee on November 29, 1996 as an offset to operating expenditures for "Event Reimbursement" on Schedule A supporting Line 15 (Attachment 11).

An internal check was conducted by RAD to verify the source of the funds from the DNC Services Corporation Victory '96-Federal committee. It was revealed on the reports filed by the DNC Services Corporation/Democratic National Committee ("DNC") that payments were made to the Committee which were composed of allocated funds (federal and non-federal). Based on the allocation percentage provided by the DNC, it was determined that 50% of the funds paid to the Committee were comprised of impermissible, non-federal money (Attachment 12).

On February 21, 1997, an RFAI was sent to the Committee referencing the 1996 October Quarterly, 1996 12 Day Pre-General, 1996 30 Day Post-General and 1996 Year End Reports. The RFAI asked the Committee to clarify the purpose and nature of the event for which reimbursements were received from the DNC Services Corporation Victory '96-Federal. It also acknowledged the Committee's receipt of funds prohibited by 11 CFR §102.5(a)(1)(i) and recommended that the Committee return the portion of the funds received from the DNC's non-federal account and inform the Commission of its corrective action immediately (Attachment 13).

On February 24, 1997, Lydia contacted the RAD analyst and stated that the Committee had already responded to the RFAI by providing the Commission with the vendor information on February 13, 1997. The analyst informed her that the Committee still needed to provide the Commission with a response to the letter sent on February 21, 1997. She said they would respond soon (Attachment 14).

On April 11, 1997, Kindee Durkee, of Jules Glazer Business Management, responded to the RFAI and stated in her letter that it was the Committee's understanding that the receipts were drawn from federally permissible funds. They requested additional time to research the issue (Attachment 15).

On May 30, 1997, the RAD analyst received a phone call from Ms. Beth Fountain, an attorney representing the Committee. She told the analyst that the

21 "04 "403 "0216

Committee had agreed to sponsor a fund-raiser for the DNC and had accepted the money thinking it was drawn from the federal account. The analyst encouraged Ms. Fountain to put this in writing in response to the Commission's RFAs to avoid any further legal action. She demanded a verbal response from the analyst to confirm that this would be an adequate response, and the matter would not be pursued. The analyst again encouraged Ms. Fountain to respond in writing and told her the analyst does not render any decisions on behalf of the FEC. Ms. Fountain became very upset and began shouting in the phone that the analyst was not giving her the answer she wanted, and that she felt like the Commission/analyst was targeting the Committee specifically. In an attempt to diffuse the tone of the phone call, the analyst offered to have another analyst call Ms. Fountain back and speak to her regarding this matter. Ms. Fountain declined and hung up the phone (Attachment 16).

On June 4, 1997, the Commission received a response from Beth Fountain on behalf of the Committee. In her letter she stated that the Committee was acting as a vendor for the DNC fund-raiser and thought that the funds received into its account were drawn from the DNC's federal account. The letter included a copy of the vendor payments, fundraising literature and copies of the checks received from the DNC (Attachment 17).

To date, the Committee has not transferred-out any of the excessive or impermissible funds.

Dear Ms. Dornstein:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) and 11 CFR §110.1(d) preclude a committee from receiving contributions from another political committee or person in excess of \$5,000 per calendar year.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. If the contribution(s) you received exceeded the limits, you must seek reattribution of the contribution pursuant to 11 CFR §110.1(k), transfer-out the amount in excess of \$5,000 to an account not used to influence federal elections or refund the excessive amount to the donor(s) in accordance with 11 CFR §103.3(b). In the best interest of your committee, all reattributions, transfers-out, and refunds should be made within sixty days of the treasurer's receipt of the contribution(s). In order to protect the donor's interests, the Commission recommends that you inform the contributor(s) in writing to provide the donor(s) with the option of granting written authorization for a reattribution or transfer-out to another account or receiving a refund.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or

21-04-403-0223

refund. In addition, any reattributions should be reported as memo entries on Schedule A of the report covering the period during which the authorization for the reattribution is received. Any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of an excessive contribution(s), prompt action by your committee to seek reattribution, transfer-out or refund the excessive amount will be taken into consideration.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Dear Ms. Dornstein:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Please clarify the purpose and nature of the event(s) for which reimbursements were received from the DNC Services Corporation Victory '96 - Federal on September 9, October 9, November 6 and November 29, 1996.

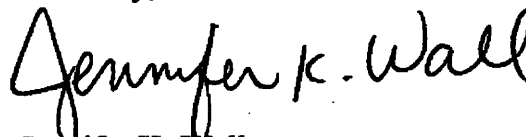

- Schedule A of your report (pertinent portion(s) attached) discloses receipts from the DNC Services Corporation Victory '96 - Federal. Reports filed by the DNC Services Corporation disclose these transfers to be composed of funds drawn from its federal and non-federal accounts (pertinent portion(s) attached). To the extent that your committee has received funds from the non-federal account of the DNC Services Corporation, be advised that such a transfer is prohibited by 11 CFR 102.5 (a)(1)(i) and the non-federal portion of the transfers should be returned to the DNC Services Corporation or transferred to your non-federal account. Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the check for the transfer-out. In addition, the transfer-out should be disclosed on Schedule B supporting Line 22 of your next report.

21 04 403 0246

Although the Commission may take further legal action regarding the acceptance of funds from a non-federal account, your prompt transfer-out of the impermissible funds will be taken into consideration.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

CONTACT: BETH FOUNTAIN, ATTORNEY

I was contacted by a woman named Beth Fountain who said she was an attorney representing the Committee. She said that she wanted to discuss the letters I had sent to the Committee. She began by telling me that the Committee had agreed to sponsor a fund-raiser for the DNC because no one else would agree to do it. She told me that the Committee accepted funds from the DNC thinking that they were drawn on the Federal account. She said that the checks said Federal account on them when they were received by HWPC. I listened to what Ms. Fountain was saying and then told her that the Committee had not yet responded to any of the FEC requests for additional information. I encouraged her to put all of the information she had just told me into writing and to send it in as soon as possible. She said that she was responding over the phone and wanted to know if what she told me would be acceptable. I told her again that we needed a written response from the Committee in order to determine whether or not the matter could be resolved adequately. She became irritated and raised her voice and said she was responding and wanted me to tell her over the phone whether or not this would be an adequate response. I told her that I understood what she was saying but the Committee had to respond in writing and that Political Action Committees were responsible for making sure that the funds they were receiving into their account were permissible. She said "cite that now"! I told her I did not have that information in front of me but I would be happy to call her back or have someone else call her back with that information. She responded "So, what you are telling me is that we are in big trouble". I responded with "Ma'am, I never said that." She said that was how she was interpreting what I had just said. Again, I said to her, "Ma'am I do not render any decision on behalf of the FEC or on this matter. Currently, the Committee could be referred to our office of OGC for further legal action if the Committee does not respond soon. So, I would like to encourage you again to respond in writing to the letters we have sent and all of that information will be taken into consideration." She started screaming into

21-04-403-0250

the phone about the DNC and why the we weren't going after them. I told her that I could not discuss the DNC with her and she said "why not you referenced them all over you letter." She then accused me of being on a "witch hunt and obviously having an ax to grind with this Committee." Again I said Ma'am, your committee needs to respond in writing. She screamed at me and said that I had said that to her at least six times and she did not want to hear that from me again. She then launched into a tirade aimed personally at me full of 4 letter words about how she had tried her best to be nice and friendly to me, but I was "stonewalling" and refusing to cooperate and give her the information she wanted. She said that she speaks to the IRS all the time and they give her the information she wants with a lot less hassle. At this point I asked her if I could please have someone else contact her to further discuss this matter. She said No, that was my suggestion not hers. She continued on her tirade while I sat silent on the phone. She stopped and said "Are you still there or are you going to hang up on me now?" I said "No, but do you have anymore questions?" She said "NO!" and then slammed down the phone.

MEMORANDUM

TO: Jennifer K Wall, Reports Analyst

FROM: Beth Fountain *BF*

DATE: June 3, 1997

RE: Hollywood Women's Political Committee ("HWPC")--
Response to your February 21, 1997 Letter

Thank you for taking the time to speak with me last week. As I stated, I am an attorney representing the HWPC. HWPC approached me two weeks ago regarding another legal matter. In the course of doing that work, I became aware of the above referenced letter from you to HWPC. My telephone call to you was designed to let you know that I had just become aware of this issue and intended to respond on behalf of HWPC. As a point of information, the HWPC had been under the apparently incorrect impression that another attorney was in contact with you to attempt to resolve this matter.

Your letter states that transfers made by the DNC Services Corporation Victory '96 Federal to HWPC were "prohibited by 11 CFR 102.5 (a)(1)(i)."

Please be informed that HWPC saw itself as little more than a vendor for the "Los Angeles National Presidential Gala" held on September 12, 1996. The enclosed itemized expense report reflects that all funds received by HWPC were spent for the production of the Gala. No funds were paid to candidates or campaigns, either federal or nonfederal.

In addition, until HWPC received your letter, no one at that Committee had any indication that any of the funds received by HWPC were from other than federal sources. As the enclosed copies of the checks from the DNC show, all those checks were drawn off their federal account. The response card for attendance at the Gala clearly indicated that contributions were intended for support of federal campaigns. HWPC never received nor distributed any of the funds raised at the Gala.

The CFR subsection you cite may well prohibit the DNC from making transfers from its nonfederal account to its federal account. However, HWPC was not aware of any such transfers and the HWPC reasonably relied upon the DNC's representations, via the checks it sent to HWPC, that the funds transferred to HWPC were exclusively federal funds. HWPC only maintains a federal account and would not have agreed to accept any funds that it knew were from mixed federal and nonfederal sources.

I hope this explanation and the attachments hereto are adequate to resolve the issue you raised in your February 21, 1997 letter. I will be out of the country for the next week, but would be happy to respond to any further questions or requests for information upon my return.

Contributions to this committee are not tax deductible for Federal income tax purposes.

Paid for by Victory '96, a joint fundraising project of the Clinton/Gore '96 General Election Legal and Accounting Compliance Fund (Clinton/Gore '96 GELAC) and the Democratic National Committee. Contributions from individuals and partnerships that meet the limitations of federal election law will be divided between Clinton/Gore '96 GELAC (10%) and the Democratic National Committee (90%). Contributions from Federal Political Action Committees will be allocated solely to the Democratic National Committee. Contributions that do not meet the prohibitions and limitations of federal election law shall be allocated solely to the Democratic National Committee.

Any contributor may designate his or her contributions for a particular participant. The allocation formula for federal contributions may change if any contributor makes a contribution that, when allocated, would exceed the amount he or she may lawfully give to any participant. Any contribution which, on its face, or when aggregated with prior contributions, exceeds federal limits, will be redesignated to the non-federal account of Victory '96, and shall be allocated solely to the Democratic National Committee.

All contributions to Clinton/Gore '96 GELAC will be used solely for legal and accounting services to ensure compliance with federal law. Federal law prohibits private contributions from being used for the candidate's general election.

I have read this fundraising notice, and I understand the limitations placed upon the portion of my contribution that is allocable to Clinton/Gore '96 GELAC. Furthermore, I hereby give permission to Victory '96 to reallocate any contribution which may exceed the federal limits to a non-federal account.
