RECEIVED
FEDERAL ELECTION
COMMISSION
OFFICE OF GENERAL

We are requesting an extension of approximately 15 days to return the agreement and civil penalty per the Federal Election Committee's request. The President of the Loose Group, along with several other officers are currently out of town, making it impossible to deal with the matter effectively. I do not have authority alone, and would appreciate your consideration. You can reach us at (404) 266-6518 if you have any information or questions regarding our case.

Great Thanks,

Frank G. Stevenson, Jr.
