Congress Committee)

GENERAL COUNSEL'S REPORT

BACKGROUND

On February 27, 1978, the Commission found probable cause to believe that the John Hemenway for Congress Committee violated 2 U.S.C. §434(a)(1). John Hemenway was a candidate for the U.S. House of Representatives from the Seventh District of Washington. Mr. Hemenway lost the primary election receiving 6,611 votes or 9.8% of the total vote cast in the party's primary.

ANALYSIS

On February 28, 1978, the Commission received the following reports from the committee: (1) Thirtieth day report following the April 5, 1977 special primary election; (2) October 10, 1977 quarterly report; and (3) 1977 year end report. These reports satisfy the reporting obligations of the committee as set forth in 2 U.S.C. §434.

The following list shows the activity in these reports:

	<u>Total Receipts</u>	<u>Total Expenditures</u>	<u>Cash on Hand at the end of the period</u>
Thirtieth day report following April 5, 1977 Special Primary	\$1,045.00	\$1,025.12	\$ 49.00

October 10, 1977 quarterly report	1,123.40	961.29	365.29
1977 year end report	80.00	227.95	167.97

The committee's 1977 year end report revealed debts in the amount of \$6,202.68.

As the Hemenway for Congress Committee has filed all of the required reports, and as the data obtained from those reports indicate minimal financial activity which falls far below the levels established by the Commission in its non filer procedures adopted on May 23, 1978, it is recommended that the Commission take no further action with regard to this matter.

RECOMMENDATION

Take no further action with regard to the John Hemenway for Congress Committee. Close the file. Send attached letter.

HEMENWAY FOR CONGRESS

3-23-78

From: Bruce Shelton

Subj: Compliance Matters Outstanding (RQ and RFAI's)

Mr. John Hemerway, treasurer for Hemerway for Congress, called the Commission today to ask questions relating to requests for additional information on several different filings. Mr Hemerway, who is also the candidate, acknowledged that there have been delays in responding to the Commission requests but it was unclear to him what his obligations were in amending the 10 Day Pre-Election Report submitted by his former treasurer.

I advised Mr. Hemerway that, even though the reports were initially filed by his former treasurer, he, as current treasurer, was responsible for the submission of any necessary amendments to those reports.

I further informed Mr. Hemerway that the requests relating to the 10 Day Pre-Election and the July 10 Quarterly Reports were overdue and should be responded to as soon as possible. Those requests are now in the RQ2 stage.

Mr. Hemerway ----- did not have copies of the committee reports or the Commission requests with him, so I suggested that I would welcome the opportunity to assist him with any questions he might have about the requests for additional information at a later date.

Mr. Hemerway digressed several times about his concern over the Commission's failure to become involved in his plight. From what he told me, the ^{FORMER} treasurer and chairman were part of a Management Consulting Association. He created a rather gloomy scenario of the treasurer and chairman wanting to use his name in connection with future fundraisers for the management association. This association, Bauman and Associates, collected money and pledges amounting to \$1000 per person held in a savings account, with the anticipation of transferring approximately \$100,000 at some future date to a favored candidate (federal). This activity is alleged by Mr. Hemerway and it is not clear if any has taken place to date. He also stated that he thought the group may be evolving into a PAC

In the midst of this activity, the treasurer and chairman resigned; they advised the candidate that the records had been stolen; and the records mysteriously appeared one week later (this theft was not reported by the treasurer!)

Of greater concern, Mr. Hemerway said that during this transition period, \$25,000 of campaign contributions solicited by mail for the Hemerway for Congress committee and were not deposited into the campaign depository but were diverted to Bauman Associates for what seemed to be excessive management fees due! The requirement for depositing contributions directly into a depository prior to disbursement has not been adhered to by the former treasurer.

In addition, there appears to be questionable activity on the part of the management firm which may result in a requirement to register. Mr. Hemerway indicated he would welcome an audit and would like to see Bauman and Associates investigated. I suggested the he consider, should he so desire, filing a complaint.

GENERAL COUNSEL'S REPORT

I. Allegation

The John Hemenway For Congress Committee (the Committee) has failed to file the October 10, 1977 required report as set forth in 2 U.S.C. §434(a)(1).

II. Evidence

On October 31, 1977, a letter was sent to Mr. John Hemenway, treasurer of the Committee, notifying him that the Commission found reason to believe that he failed to file the October 31, 1977 report (see Attachment A). Due to no response from Mr. Hemenway, on November 21, 1977, the Commission found reasonable cause to believe that he has failed to file the October 10, 1977 report and is therefore in violation of 2 U.S.C. §434(a)(1) (see Attachment B). 1/

Mr. Hemenway has not responded to these letters from the Commission. Subsequently, on January 9, 1978, the Committee was published on a list of 1977 non-filers.

1/ Notice of receipt for these letters are at Attachment B1.

78040062449

III. Analysis

The Committee has failed to file the October 10, 1977 quarterly report. Mr. Hemenway has received various notifications informing him of his failure to file the report. On behalf of the Committee, Mr. Hemenway has not responded to these efforts by the Commission to correct or prevent a violation. Through these communications to Mr. Hemenway, the Commission has tried to conciliate the case, but he has not utilized the statutory right to the informal methods of conference, conciliation and persuasion.

IV. Recommendation

It is recommended that the Commission find probable cause to believe that the Committee has violated 2 U.S.C. §434(a)(1) and seek appropriate civil action.

MEMORANDUM

TO: WILLIAM OLDAKER
THROUGH: ORLANDO B. POTTER *OBP*
FROM: LOIS ZELLA *L. Zella*
SUBJECT: NON-FILERS

The Reports Analysis Division has completed, (through publication), its tracking of candidates/committees that are non-filers for several reporting periods ("multiple non-filers"). Attached is a chart of these multiple non-filers which shows the various actions the Commission has approved and the date of such actions. The green certification cards for each stage are also attached.

On January 9, 1978, the Press Office issued a release containing the names of those candidates/committees that failed to file various reports. (see chart attached) Only those candidates/committees whom the Commission had sent reason to believe and reasonable cause to believe notices were published in the press release.

Also included in this referral are committees which have failed to file the 1976 Year End Report. These committees have been notified twice concerning their year-end reporting obligation. However, the Commission has not made a finding of reason to believe or reasonable cause to believe for their failure to file the Year End Report.

Should you have any questions, or need any assistance, please let me know. As our Division becomes aware of any of these candidates/committees filing any of their outstanding reports, we will contact your office immediately. Should your office receive any reports that would take a candidate/committee off this list I would appreciate being informed of this immediately. Recommendations for three (3) committees have been included for your reference. Should your office concur with these recommendations, I would appreciate being so informed.

Memorandum

To: Bill Oldaker
From: Bill Loughrey B.L.
Re: 1977 Nonfilers
Date: January 16, 1978

After discussions with the team chiefs and John Gibson, I would recommend filing suit against the following committees:

John Hemenway for Congress Committee (also will be recommended for audit)
Sportsmen for Kentucky
Taxpayers Action Fund
United Nations Reform Electoral Campaign Committee
Genesee County Republican Finance Committee

I would not recommend action against the other candidates and committees, although you may wish to proceed against some or all of them. Also, since some of these candidates and committee are in the process of filing reports, please check further with the Reports Analysis Division before any recommendation to the Commission. Even if the above five committees do file, I would suggest the filing of a suit for late filing.

I agree with Bill's observation above but would add the thought that we might want to proceed against others who had disclosed activity in excess of \$10,000 (or comparable threshold) on the theory that they might again be candidates in 1978— O.B.P.

FEC PUBLISHES LIST OF 1977 "NON-FILERS"

WASHINGTON - January 9 - The Federal Election Commission today published the names of Federal candidates, their principal campaign committees, and other political committees which failed file required reports of their campaign finances during 1977.

NOTE: The list of 1977 "Non-Filers" appears on the back of this page.

During 1977, candidates and their authorized committees were required to file a 1976 year-end report, due January 31, 1977, if their receipts or expenditures in the fourth quarter exceeded \$1,000 or if they had any debts outstanding on December 31, 1976. Candidates and their authorized committees had a requirement to file 1977 quarterly reports (April 10, July 10, and October 10) if their combined total of receipts and expenditures exceeded \$5,000 in a calendar quarter. All other political committees must file a 1976 year-end report and the required 1977 quarterly reports if they raised or spent over \$1,000 in the calendar quarter.

Candidates and committees which are exempt from filing a quarterly report must nevertheless notify the Commission of this fact by letter or FEC Form 3a postcard at the end of the first quarter in which the exemption applies.

The Federal Election Campaign Act of 1971, as amended in 1974 and 1976, states that "it shall be the duty of the Commission to...prepare and publish from time to time special report listing those candidates...for whom...reports were not filed as so required."

Under FEC procedures, three notices are sent to the candidates and committees reminding them of their reporting obligations, and urging compliance. If a report is not filed following these notices, the names of all "non-filers" are made public.

"Prior notice" is the first reminder sent on a routine basis prior to the filing date, to all candidates on election ballots in their respective states, as certified by their Secretary of State, and confirmed by lists with the Clerk of the House and the Secretary of the Senate and to all other candidates and political committees registered with the Commission. This notice simply reminds candidates and committees of their required reports, and the appropriate filing dates.

The second notice is sent only to candidates and committees whose reports have not been received by or shortly after the filing date, and states that this "apparent failure...gives the Commission 'reason to believe' that the candidate or committee is in violation of the reporting requirements."

The third notice is sent only to candidates and committees whose reports are not filed in response to the second notice, and states that "continued failure to file has given the Commission 'reasonable cause to believe' that they are in violation and that 'failure to respond may subject the candidate or committee to civil penalties and...to publication of the candidate's or committee's name on a list of non-filers.'"

When a candidate or committee continues to fail to file after receiving the three notices, the Commission publishes the name of the candidate and/or committee on a list of non-filers.

In addition to publishing the names of non-filers, the FEC has the authority to undertake further enforcement action under the statute, including civil court enforcement and imposition of civil fines (\$5,000 for "any violation" and \$10,000 for a "knowing and willful violation.")

The following are the candidates, principal campaign committees and political committees which failed to file required reports during 1977: (X denotes that a report was not filed.)
