RE: MUR 5090

Dear Mr. Carnes:

On September 13, 2000, the Federal Election Commission notified you of a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act").

On November 14, 2000, the Commission found, on the basis of the information in the complaint and information provided by the respondents, that there is no reason to believe you violated the Act. Accordingly, the Commission closed its file in this matter on November 14, 2000. A Statement of Reasons explaining the Commission's decision will follow.

The confidentiality provisions at 2 U.S.C. § 437 g(a)(12) no longer apply and this matter is now public. In addition, although the complete file must be placed on the public record within 30 days, this could occur at any time following certification of the Commission's vote. If you wish to submit any factual or legal materials to appear on the public record, please do so as soon as possible. While the file may be placed on the public record before receiving your additional materials, any permissible submissions will be added to the public record upon receipt.

Mr. Harly Carnes
