GENERAL COUNSEL'S REPORT

I. Allegation

The COPE Committee, AFL-CIO (the Committee) has failed to file the October 10, 1977 required report as set forth in 2 U.S.C. §434.

II. Evidence

On October 31, 1977, a letter was sent to Mr. M.R. Goodman, treasurer of the Committee, notifying him that the Commission found reason to believe that he is in violation of 2 U.S.C. §434. On November 21, 1977, the Commission found reasonable cause to believe that Mr. Goodman is in violation of 2 U.S.C. §434 due to his failure to file the October 31, 1977 Quarterly Report (see Attachment A).

On December 16, 1977, a memorandum was sent to Kent Cooper from Steve Mims in reference to the Committee. It was stated that the only document on file from the Committee was a 3a postcard on July 31, 1976 (see Attachment B). Since the Committee was not included on a list of affiliated organizations submitted by AFL-CIO COPE Principal Campaign Committee, Mr. Mims concluded that the Committee did not have a reporting obligation and thus recommended that the matter not be pursued further.

73040012200

It is the opinion of this office that the Committee does not, at this time, have a reporting obligation.

RECOMMENDATION

It is recommended that the Commission find no probable cause to believe that the Committee has violated 2 U.S.C. §434. Close the file.

MEMORANDUM FOR : KENT COOPER

FROM : STEVE HIMS *SH*

SUBJECT : OCTOBER QUARTERLY NON-FILERS

The following is a list of three committees which appear to have failed to file more than an October Quarterly Report for 1977. Also attached are telecons regarding our efforts to reach these committees concerning their possible reporting obligations:

C00073338 COPE COMMITTEE AFL-CIO, Greensboro, NC
The only document on file with either the House, Senate or FEC is a 3a postcard on 7/31/76. During the process of data entry during 1977, it appears that this entity was given an ID# by error as the telecon tends to indicate. Furthermore, on 3/29/76, a RFAI was forwarded to AFL-CIO COPE POC requesting further names of affiliated organizations based upon data in the computer system at that time; that list did not include the Greensboro committee. I would have to recommend that the matter not be pursued further.

MEMORANDUM FOR THE FILES

COPE COMMITTEE AFL-CIO

From: Bruce Shelton

Subject: Failure to File a Q3 Report

For the past few days an effort has been made to contact both the COPE Committee AFL-CIO and the treasurer, Mr. M. R. Goodman. The telephone calls to Mr. Goodman have not reached him directly but I have spoke to a roommate and left word that he was to call as soon as possible. I did receive a message that he called several days ago but later telephone calls failed to produce any results. Today, I was also unsuccessful in reaching anyone. Telephone calls to the union have not produced any results; no one answers the phone.

COPE COMMITTEE AFL-CIO

From: Bruce Shelton

Subject: Failure to File a Q3 Report

Several attempts have been made to contact the COPE COMMITTEE AFL-CIO at 919-274-2722 in North Carolina. All of the calls have been unsuccessful in reaching anyone. Further attempts were made to reach the treasurer, M.R. Goodman, at 919-275-1402 have also proved unsuccessful.

The committee has been sent a mailgram advising them they have not filed a Q3 report. Committee records show the only document on file is a Q1 report (3a).

MEMORANDUM

TO: WILLIAM OLDAKER
THROUGH: ORLANDO B. POTTER *OB.P.*
FROM: LOIS ZELLA *L. Zella*
SUBJECT: NON-FILERS

The Reports Analysis Division has completed, (through publication), its tracking of candidates/committees that are non-filers for several reporting periods ("multiple non-filers"). Attached is a chart of these multiple non-filers which shows the various actions the Commission has approved and the date of such actions. The green certification cards for each stage are also attached.

On January 9, 1978, the Press Office issued a release containing the names of those candidates/committees that failed to file various reports. (see chart attached) Only those candidates/committees whom the Commission had sent reason to believe and reasonable cause to believe notices were published in the press release.

Also included in this referral are committees which have failed to file the 1976 Year End Report. These committees have been notified twice concerning their year-end reporting obligation. However, the Commission has not made a finding of reason to believe or reasonable cause to believe for their failure to file the Year End Report.

Should you have any questions, or need any assistance, please let me know. As our Division becomes aware of any of these candidates/committees filing any of their outstanding reports, we will contact your office immediately. Should your office receive any reports that would take a candidate/committee off this list I would appreciate being informed of this immediately. Recommendations for three (3) committees have been included for your reference. Should your office concur with these recommendations, I would appreciate being so informed.

Memorandum

To: Bill Oldaker
From: Bill Loughrey *B.L.*
Re: 1977 Nonfilers
Date: January 16, 1978

After discussions with the team chiefs and John Gibson, I would recommend filing suit against the following committees:

John Hemenway for Congress Committee (also will be recommended for audit)
Sportsmen for Kentucky
Taxpayers Action Fund
United Nations Reform Electoral Campaign Committee
Genesee County Republican Finance Committee

I would not recommend action against the other candidates and committees, although you may wish to proceed against some or all of them. Also, since some of these candidates and committee are in the process of filing reports, please check further with the Reports Analysis Division before any recommendation to the Commission. Even if the above five committees do file, I would suggest the filing of a suit for late filing.

I agree with Bill's observation above but would add the thought that we might want to proceed against others who had disclosed activity in excess of \$10,000 (or comparable threshold) on the theory that they might again be candidates in 1978— *OB.L.*

FEDERAL ELECTION COMMISSION

RELEASE: ON RECEIPT

FEC PUBLISHES LIST OF 1977 "NON-FILERS"

WASHINGTON - January 9 - The Federal Election Commission today published the names of Federal candidates, their principal campaign committees, and other political committees which failed file required reports of their campaign finances during 1977.

NOTE: The list of 1977 "Non-Filers" appears on the back of this page.

During 1977, candidates and their authorized committees were required to file a 1976 year-end report, due January 31, 1977, if their receipts or expenditures in the fourth quarter exceeded \$1,000 or if they had any debts outstanding on December 31, 1976. Candidates and their authorized committees had a requirement to file 1977 quarterly reports (April 10, July 10, and October 10) if their combined total of receipts and expenditures exceeded \$5,000 in a calendar quarter. All other political committees must file a 1976 year-end report and the required 1977 quarterly reports if they raised or spent over \$1,000 in the calendar quarter.

Candidates and committees which are exempt from filing a quarterly report must nevertheless notify the Commission of this fact by letter or FEC Form 3a postcard at the end of the first quarter in which the exemption applies.

The Federal Election Campaign Act of 1971, as amended in 1974 and 1976, states that "it shall be the duty of the Commission to...prepare and publish from time to time special report listing those candidates...for whom...reports were not filed as so required."

Under FEC procedures, three notices are sent to the candidates and committees reminding them of their reporting obligations, and urging compliance. If a report is not filed following these notices, the names of all "non-filers" are made public.

"Prior notice" is the first reminder sent on a routine basis prior to the filing date, to all candidates on election ballots in their respective states, as certified by their Secretary of State, and confirmed by lists with the Clerk of the House and the Secretary of the Senate and to all other candidates and political committees registered with the Commission. This notice simply reminds candidates and committees of their required reports, and the appropriate filing dates.

The second notice is sent only to candidates and committees whose reports have not been received by or shortly after the filing date, and states that this "apparent failure...gives the Commission 'reason to believe' that the candidate or committee is in violation of the reporting requirements."

The third notice is sent only to candidates and committees whose reports are not filed in response to the second notice, and states that "continued failure to file has given the Commission 'reasonable cause to believe' that they are in violation and that 'failure to respond may subject the candidate or committee to civil penalties and...to publication of the candidate's or committee's name on a list of non-filers.'"

When a candidate or committee continues to fail to file after receiving the three notices, the Commission publishes the name of the candidate and/or committee on a list of non-filers.

In addition to publishing the names of non-filers, the FEC has the authority to undertake further enforcement action under the statute, including civil court enforcement and imposition of civil fines (\$5,000 for "any violation" and \$10,000 for a "knowing and willful violation.")

The following are the candidates, principal campaign committees and political committees which failed to file required reports during 1977: (X denotes that a report was not filed.)
