Dear Alva Smith:

Thank you for the additional time to respond to complaint MUR 5112. The complaint is about 20 pages long and it has taken time for review. Reference is made to my company, Hutchings Marketing. However, the issue seems to be directed at William Federer and his campaign for congress.

My company furnished political consulting and fund raising services. I also provided temporary staffing needs and office equipment rental. Services were rendered from about mid September 1999 through November 2000. The campaign was invoiced in a timely manner, usually on a monthly basis with payment due upon receipt of each invoice.

If I can be of further assistance, please let me know.

Sincerely,

*G. B. Hutchings*  
George Hutchings
