Re: MUR 4736

Dear Ms. Smith:

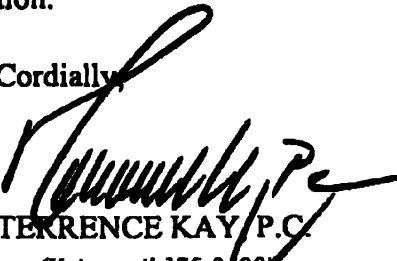

This letter confirms my discussion with you on May 11, 1998, concerning the above matter and my client, Moore Information, Inc.

Although Mr. Bob Moore, President of Moore Information, Inc., received a letter from the FEC Commission dated April 13, 1998, in the above matter, from Mr. F. Andrew Turley, you called on May 11th to explain that Moore Information is not a respondent, and does not need to respond to this matter and is not being charged or alleged to have violated the Federal Election Campaign Act of 1971 as amended.

Although my client has the option to respond to the references to Moore Information in this matter, this confirms the Complaint received by the Commission in this matter does not allege Moore Information violated any campaign laws, the Commission is not alleging Moore Information violated any campaign laws, and no action whatsoever shall be taken adverse to Moore Information without reasonable prior written notice to me as to any possible allegations so that we may fully respond before any action is taken.

If anything above is contrary to your understanding please notify me in writing so we have a clear record. Thank you for your consideration.

Cordially,

TERRENCE KAY/P.C.
