COUNSEL

Dear Mr. Andersen:

In response to your letter of October 2, 2001, I am writing to notify you that Peter and Patricia Cloeren hereby waive any rights they may have to any refund of excessive contributions from the Brian Babin for Congress Committee and request that the Babin Committee disgorge these monies to the U.S. Treasury. Please keep me informed of any further progress in your investigations of Mr. Babin and others being investigated under MUR 4736.

Very truly yours,

Gary S. Lincenberg
