Re: MUR 5305

Dear Mr. Christensen:

I am writing on behalf of Dario Herrera, Herrera for Congress (the "Committee"), and Michael W. Kern in his official capacity as treasurer of the Committee (collectively, "Respondents") to request a 20-day extension of time to respond to the Commission's finding of reason to believe in the above-mentioned matter. Respondents received the General Counsel's notification on March 7, and their response would therefore be due on March 22. Respondents request an extension such that their response would be due on Monday, April 11.

Please do not hesitate to call me should you have further questions.

Very truly yours,

Rebecca Gordon
