Re: MUR 5396

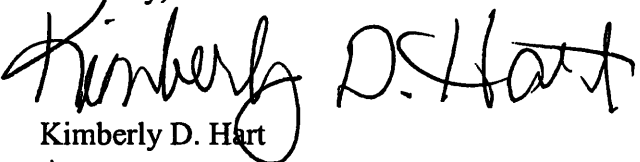

Dear Mr. Pauley:

On December 10, 2003, you were notified that the Federal Election Commission found reason to believe that America Direct violated 2 U.S.C. § 441b(a), a provision of the Federal Election Campaign Act of 1971, as amended ("Act"). In addition, the Commission determined that it would enter into negotiations directed toward reaching a conciliation agreement in settlement of this matter prior to a finding of pre-probable cause to believe. In that same letter, you were provided with the opportunity to submit factual and/or legal materials addressing the reason to believe findings. You were also sent a conciliation agreement offered by the Commission in settlement of this matter.

To date, we have not received a response. Therefore, we are again providing you with an opportunity to respond to the reason to believe finding. If you choose to provide a response, please do so at your earliest convenience.

If you have any questions, please contact me at (202) 694-1650.

Sincerely,

Kimberly D. Hart
Attorney
