MUR # 5577

Office of General Counsel
Federal Elections Commission
999 E Street, N W
Washington, DC 20463

Dear Madam or Sir

I am writing to formally complain about a flyer I received (copy enclosed) which appears to me to advocate the candidacy of Richard Burr who is running for the United States Senate from North Carolina. The ad is paid for by The National Association of Realtors. I am not a member of this organization. I believe any reasonable individual would consider the cost of producing and distributing this flyer to be a political contribution to Mr Burr. While I have no way to determine how much it cost to produce and distribute these flyers, I have no doubt that it exceeds limits established by Campaign Finance Law.

I am requesting a prompt investigation of this matter and imposition of appropriate sanctions on the National Association of Realtors.

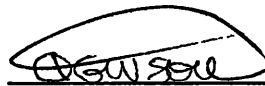

Sincerely,

Thomas J Strini

Richard Burr Is Making Health Care Affordable and Accessible for Everyone

In Congress, Richard Burr led the fight to pass legislation to make it easier for small businesses to offer health insurance for their employees. Burr opposes frivolous lawsuits that increase our health care costs and he supports legislation to guarantee that doctors, not HMOs, make medical decisions for patients.

Richard Burr Works to Reduce the Tax Burden on Families & Seniors

Richard Burr has voted to repeal death and marriage penalty taxes, increase the per child tax credit, and cut income taxes for working families. More than 2 million married couples in North Carolina have benefited from these tax cuts. Burr was given "The Taxpayer's Hero Award" for his work to cut government waste.

Richard Burr Protects North Carolina Jobs

Burr works to protect North Carolina workers from illegal imports from China, and he opposes unfair trade agreements that hurt American workers. Richard Burr had 17 years of real-world business experience before being elected to the Congress. Burr has worked to create a new research park that will create thousands of new jobs.

Richard Burr Helps Families Achieve the American Dream

Richard Burr supported the American Dream Downpayment Act. This program helps 40,000 families achieve the American Dream of homeownership each year by providing downpayment assistance through the states.
