THE FOLLOWING REPORT(S) HAVE BEEN RECEIVED BY THE COMMISSION:

The Jack Leff For Congress (C00036996) has filed the attached letter re. the non-filing of the April 10, 1978 Quarterly, but no mention is made re. the non-filing of the Year End '77 Report. The letter indicates that only $500 worth of debts remain, but the last full report of receipts and expenditures, the Year End '76 Report, showed outstanding debts of $4,090.68. Please advise if you want RAD to take any further action concering this committee.

Dear Sir:

Please accept my sincere apologies for my delay in complying with the reporting procedure of the Federal Election Campaign Act. I have, however, as of February, been commuting on an irregular basis to Massachusetts from a position in Connecticut and have therefore only recently received notification of my non-compliance.

Since I do not have an FEC Form 3A, I hope the following information will serve as a report for the first quarter of 1978 and will satisfy all reporting requirements. The Jack Leff for Congress Committee has had neither receipts or expenditures during the period of January 1, 1978 through March 31, 1978. The last expenditure of campaign funds was made on November 7, 1977. There remains one outstanding campaign debt of approximately $111 for printing service. Since a balance of only $14.92 remains on the Committee account, since the Committee has disbanded and no further funds will be raised, it is my intention to close out this account and to pay this debt out of my personal account as I am able at some later date.

Please advise as to whether the foregoing is sufficient to serve as a report or whether additional information must be submitted. Not having personally filed my reports until now, I am unfortunately unfamiliar with the details of the filing procedure. I am, however, in possession of all campaign records and will be happy to provide such other documentation as may be necessary.

Again, my sincere apologies for the tardiness of my report and my thanks for your consideration.

Sincerely,

Jack Leff

WASHINGTON, D.C. 20463

VIA MAILGRAM

It has come to the attention of the Federal Election Commission that you may have failed to file the Year End Report of Receipts and Expenditures as required by the Federal Election Campaign Act. This Report should disclose all financial activity since the closing date of books from the last report filed through December 31, 1977.

Your apparent failure to file the Year End Report gives the Commission reason to believe you are in possible violation of 2 U.S.C. §434.

You are hereby afforded a reasonable opportunity to demonstrate why no action should be taken against you. If you have not filed the required report, you should do so within ten (10) days of receipt of this notice with the Clerk of the House, Office of Records and Registration, 1036 Longworth House Office Building, Washington, D.C. 20515, and your Secretary of State or equivalent state officer.

However, if you have filed the abovementioned report or if you require additional information, please contact our Reports Analysis Division on the toll free number (800)424-9530. Our local number is (202)523-4048.

Sincerely,

NAME: Mike Gragraft to Ron Krouse

DATE: 3/28/78

NAME OF COMMITTEE OR CANDIDATE: Margaret Scott

TELEPHONE NUMBER: (713) 528-7113 or 960-2724

Mr. Gragraft called in response to the RCTB mailgram mailed to Margaret Scott for her non filing of her Year End Report. He explained that she had withdrawn from the race in early '76, and that he doesn't know where to contact her. He said that he wasn't involved in the "campaign" but that some friends were, and the address where the mailgram was sent is only sporadically checked for mail. I told him that a first quarter report for '77 that was filed by Scott triggered the need to report a year end report. A letter signed by the "candidate" indicating any receipts, expenditures or debts should be fowrded to the Commission ASAP. I notified Mr. Gragraft that next week we were going to refer to our General Counsel's office the list of non-filers for them to take whatever action is necessary. He said that he will certainly try to reach Scott, because he wanted to avoid any legal action against her. He warned that she might not even be in the state. I told him to send a letter telling us that he is trying to notify Scott so that they are on record as attempting to comply with the law. He said that he would get to that today.

RE: TELECON

FROM: Charles Tisdale to Mike Filler

DATE: March 29, 1978

NAME OF COMMITTEE: CHARLES TISDALE H6CT04051

Mr. Tisdale called this morning regarding the mailgrams he received for failure to file his 1977 Year End Report. He stated that all his debts had been paid off. He was informed that a report disclosing the manner in the which the debts were extinguished was necessary to relieve him of his filing requirements.

Mr. Tisdale first requestd that forms be sent to him at his new address in Washington, D.C., but then asked if he could come in and fill out the report. He was informed that this could be done, provided that an appointment was made in advance. He stated that he would call back later in the afternoon, but did not do so.

RE: TELECON

FROM: Beverly White

DATE: B 3/15/78

NAME OF COMMITTEE: Bill Beat for Congress

PHONE: Yvonne Lewis, Treasurer
(408) 262-9181

Mrs. Lewis called about non-filer mailgram. She said it was her understanding that the committee had been terminated by the candidate back in 1976 but she was still receiving things from us. I told her that the reason she was still getting letters was that the committee was never officially terminated. I explained to her how the committee could end its reporting requirements. She said she was through w/ the committee. I told her to have the candidate file the termination report with us along with a letter that explained he was taking over as treasurer.

Bill Best called wanting to know how to terminate the committees reporting requirements. I asked him if the committee had any debts or residual funds or if they had been active in 1977. The answer was "no" to all three questions. I told him that if he put that in letter form and had the committee treasurer sign it, we could terminate their reporting requirement

DATE: 3/8/78

NAME OF COMMITTEE: Citizens For Robin Widgery

Mr. Widgery called concerning a YE Non-Filer notice that he had received. He stated that he was a candidate in 1976, and now his committee no longer existed, . There is no cash on hand and no debts or obligations. He stated that he sent a letter in June of 1977 stating that he was holding a fund raiser to clear up his debts and that his 72 Postcard should be taken as his final report.

I stated that we would require a formal Termination Report on the FEC Form 3 or Form 6. He stated that he did not have a copy of the form , so I had one sent to him. I told him that the report must show the debts repaid, on Schedule C and the fundraiser on Schedule A. The final cash on hand would have to be 0. I told him to send the report as soon as possible after receiving the forms, since the non-filer process was in motion and we would need the report to stop the procedures..

NAME: Jerjes Rodriguez to Ron Krouse

DATE: 3/21/78

NAME OF COMMITTEE OR CANDIDATE: Committee For Life

TELEPHONE NUMBER: (512) 444-4960

The committee is a year end nonfilerand needed to know what he needed to do to satisfy the reporting requirements.(actually I'm paraphrasing because Mr. Rodriguez did little else besides mumble) . He did say that the candidate, Mr. Reece, had control of the records, but that he destroyed them. I told him that as treasurer he had the responsibility to maintain those records and any destruction of them would still be his responsibility. He said that there was about $100 worth of activity. I told him that he should report any 1977 activity very soon, because we were going to refer the committee to our OGC within a week. This might result in civil penalities being assesed against Mr. Rodriguez. I think that he agreed to send in a letter or report re. '77 activity, as well as a letter of termination. Mr. Rodriquez sounded incoherent during most of the conversation, so I'm not sure if he really got the gist of the dialogue.

MEMORANDUM: FOR FILES

RE: TELECON

FROM: 3/23/78.

DATE: Beverly White

NAME OF COMMITTEE: Therese S. Barbone

PHONE: Cmte to Elect Therese S. Barbone

Ms. Barbone called regarding YE Non Filer Mailgram. She was upset because she said she had a termination receipt from the FEC. I explained to her that the candidate and committee are seperate reporting entities. After she assured me that the cmte had had no activity, no debts or residual funds I told her to have the treasurer write that in letter form and send it to us and that would be sufficient for us to terminate the committee.

RE: TELECON

FROM: CONNIE HARLEY

DATE: 3-2-78

NAME OF COMMITTEE: GRISBAUM FOR CONGRESS COMMITTEE

LA

Mr. Grisbaum (Candidate) called in responce to a mailagram received by the Grisbaum for Congress Committee. He wanted us to understand that his secretary handles all his reports and she is out of town and he doesnt understand a thing about filing nor does he have the slightest idea as to where the forms are kept. He wanted to know if we would grant him and extension until his secretary returned, she will be on vacation until March 6. He was told that he would not be granted and extension because his report was due over a month ago. He was told he should get a report filled out to the best of his knowledge or a letter explaining his situation as quick as possible.

NAME OF COMMITTEE OR CANDIDATE	Jack Leff For Congress
TELEPHONE NUMBER:	(203)777-4736

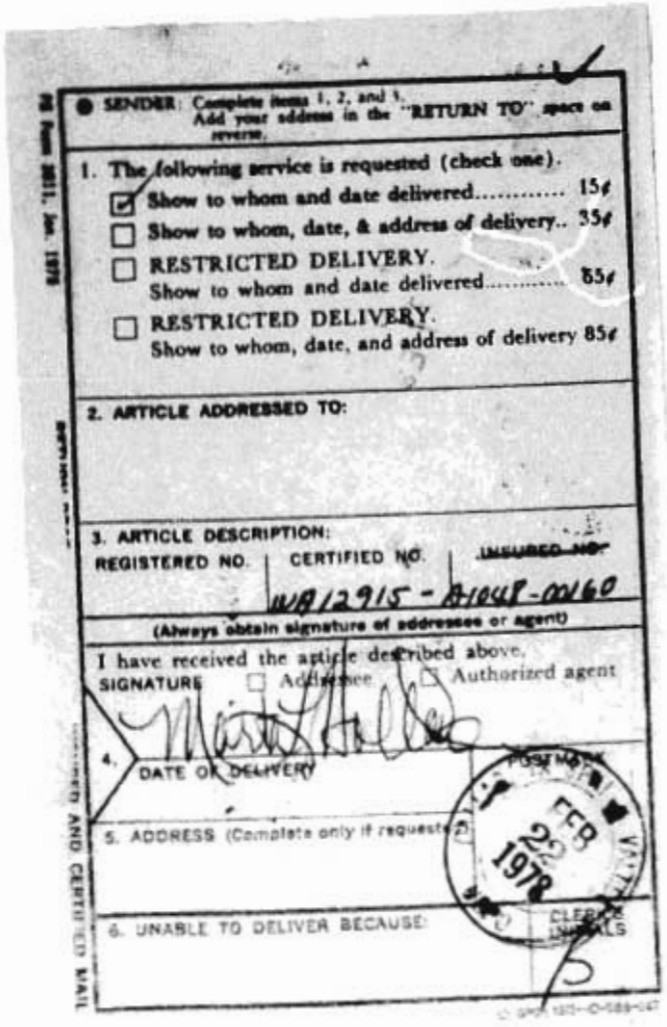

Ms. Boddy called for her boss, Jack Leff, who has still failed to file a report for the Year End '77. She said that he was under the impression that being he was a '76 candidate he no longer had to file. I said that the last report filed was a 3a postcard for the Q1 '77 and there is no termination report on file. I indicated to Ms. Boddy that we are referring the names of non-filers to our office ofgeneral counsel next week for proper legal action and therefore she should send in some communication ASAP. She asked that her boss not go to jail, and said that she will get something out on Monday.

NAME OF COMMITTEE: O'Brien for Congress VA

PHONE: (804) 487-4526

Mr. O'Brien called because his name was published as a YE non-filer. He had submitted a report for the candidate, but only a 3a postcard for the committee. (The committee report should have been submitted on FEC 3 or 6 by the treasurer). He was very upset about the publicity. I explained that the postcard was not adequate for the YE Report and mailed him forms and the Campaign Guide. He also asked that Dave Fiske call the reporter and explain his problem. (He had also talked to the reporter.)

Mr. Dickerson called re. the mailgram he received about the year end nonfiling of his committee's reports. He was concerned that if sent in the report and it was late that it might jeopardize his political career. I told him that a list of non-filers will be published next week in the Federal Register, and that to avoid being published he should send in a certified letter immediately detailing any receipts and expenditures during 1977. Mr. Dickerson indicated that there were none, but that there will be some during 1978. I told him the next report is due on April 10 and should include any activity during the period Jan. 1 - March 31, 1978. He asked about any possible penalities, and I informed him that a referral to our Office of General Counsel will be made in a short time and they will make a determination at that point in time.

Mr. Dickerson said he will mail a certified letter today in lieu of the right forms for 1977.

MEMORANDUM: FOR FILES

RE: TELECON

FROM: Connie Harley

DATE: 2-21-78

NAME OF COMMITTEE: STEVE RAST FOR CONGRESS COMMITTEE SC/05

Today someone called in reference to a nonfiler mailagram sent to them from the Commission. She said their CPA was late on filing the Year-end report but I told her that there were no provisions in the Act for late filers so the best information I could give would be for them to get the report in as soon as possible before another letter is sent. She just said okay.

A Surface Violation Letter is being sent for the Statement of Organization.
Keep and eye for the Year-end and the Statement of Organization.

MEMORANDUM: FOR FILES

RE: TELECON

FROM: Mrs. Steve Rast to Bobby Werfel

DATE: 3/28/78

NAME OF COMMITTEE: Steve Rast for Congress Committee

PHONE: (803) 328-6975

Mrs. Rast was somewhat confused about the committee's requirements. They have received mailgrams for failure to file YE (RTB and RCTB) and a letter requesting a Statement of Organization. They have not responded to any of them because they did not understand what to do! I told her that they should file an FEC 1 because the candidate designated a PCC (which is required by law), and the committee is required to register within 10 days. They were also required to file the YE report because we considered them a committee at the time of the filing date of the YE. She said that they did not actually become a committee until January (it is now March, but they still haven't filed). I told her to get the FEC 1, YE and April 10 Report (1/1-3/31/78) in now. I also told her to call us when she had a problem and not wait. The candidate is not required to file reports because he is waived.

Mrs. Rast called again in the afternoon. The committee was published for not filing. There was a quote in the paper saying that the committee was a '76 (I think) committee. Sometimes the older committees that are no longer active become dormant in their filing. (Dave Fiske made this statement- a generalization-not directed specifically for this committee) Mrs. Rast was very upset because he was an '74 candidate, but he had validly terminated. He also plans to announce his candidacy tomorrow. She said that she understands why they were a non-filer for the year end and mailed everything that was required today.

NAME OF COMMITTEE: WALASKAY FOR CONGRESS COMMITTEE MI/15

PHONE: (313)761-9500

Mr. Walaskay called regarding Year End non-filer mailgrams and other notices he had been receiving. He said that he was becoming really angry because although he had settled this matter with David Stein (a former lawyer at the Commission) he was still receiving mail requiring him to file reports.

I told Mr. Walaskay that the mailgram sent by the commission required the committee to file reports, that the committee was a seperate entity from the candidate. He said he realized that and he was sure that David Stein told him both entities in question need no longer file. He told me that he had previously been filed $100 by the commission and that he had sent in three reports ending the requirements of both candidate and committee. The first report we never received, the second was lost(?), and the third he sent certified. It was on the basis of this report that David Stein told him that he no longer had to file.

I told Mr. Walaskay that I would check into this matter and get back to him.

GENERAL COUNSEL'S REPORT

On July 5, 1978, the Commission found probable cause to believe the , Steve Rast for Congress Committee, and the violated 2 U.S.C. §434b by failing to file a 1977 Year-End Report. The Commission also authorized the institution of civil actions against these committees.

Subsequent to the circulation of our report of June 29, the Reports Analysis Division informed us that the Steve Rast for Congress Committee had filed a letter dated June 9, 1978, terminating the Committee and stating that the Committee had neither received nor spent any money. An OGC staff member checked with the South Carolina Election Commission and found that Mr. Rast was not on the ballot in the primary election held on June 13.

To be consistent in our treatment of nonfilers we therefore recommend the Commission rescind its finding of probable cause against the Steve Rast for Congress Committee and take no further action against the Committee at this time, except for possible review at the end of the year.

RECOMMENDATION

Rescind finding of probable cause to believe the Steve Rast for Congress Committee violated 2 U.S.C. §434b by failing to file a 1977 Year-End Report and take no further action at this time except for possible review at the end of the year.

June 29, 1978

	)	MUR 562(78)
106 House Year-End Nonfilers	)	

GENERAL COUNSEL'S REPORT

I. Background

On April 4, 1978 the Reports Analysis Division referred the names of 106 House candidates and committees for their failure to file 1977 year-end reports. The Commission found reason to believe on February 15, 1978, and reasonable cause to believe on March 8, 1978, that the candidates and committees violated 2 U.S.C. §434b.

On May 3, 1978 the Commission voted to take no further action against those respondents listed in Appendices A, B, C and E of the General Counsel's Report of April 27, 1978 (April 27 Report). These appendices contained a total of 61 respondents. The Commission took no action with respect to the 10 respondents listed in Appendix D of the April 27 Report (respondents for whom there was no evidence of receipt of either the RTB or the RCTB notification).

7804006157

Additionally, the Commission voted to take no further action against those respondents listed in Appendix F of the April 27 Report who had submitted Year-End Reports.

II. Analysis

A. Appendix D Nonfilers

A staff member of the Office of General Counsel attempted to locate the ten respondents listed in Appendix D of the April 27 Report and was able to contact six of the ten by letter or telephone. Five have filed reports. The 1977 financial activity of these five is summarized in Attachment I of this report. None come within the criteria established by the Commission in its Nonfiling Procedures of May 23, 1978 (i.e. receipts plus expenditures over $30,000). The filing status of the Appendix D nonfilers is shown in Attachment II of this report.

B. Appendix F Nonfilers

Of the thirty-five nonfilers listed in Appendix F of the April 27 Report, fifteen filed their Year-End Reports by May 3, 1978, the day of the Commission meeting, and the Commission voted to take no further action with respect to those nonfilers. Since May 3, 1978, we have received 1977 Year-End Reports from nine of the remaining twenty respondents. The 1977 financial activity of the nine

7804005194

Appendix F nonfilers who filed since May 3 is summarized in Attachment I. The filing status of Appendix F nonfilers is shown in Attachment III of this report.

C. Recommendations for Further Action

For those respondents who have filed, the General Counsel's Office recommends no further action at this time. We also advise that action against one of the respondents be continued in another MUR, that civil actions be brought against three other respondents, and that no further action be taken at this time against the remaining twelve respondents except that they shall be reviewed at the end of the year with other nonfilers.

John J. Nimrod, who is one of the nonfilers listed on Appendix F, is also a respondent in MUR 544 for failure to file various reports required by the Act. As Mr. Nimrod is a multiple nonfiler, it is recommended that all nonfiler compliance actions against him be consolidated and that this matter be continued through MUR 544.

Five committees who have failed to file a year-end report are principal campaign committees of individuals who have indicated that they will be candidates in 1978 elections. Two committees, Collins for Congress and Begun for Congress, involve candidates who registered for 1978

7804006159 2

elections which have been held but the candidates were not on the ballot. We recommend that law suits not be filed against these two respondents.

The remaining three committees, , Steve Rast for Congress, and , are committees of active candidates. We recommend that the Commission find probable cause and institute civil actions against these three committees.

For all but one of the remaining respondents, their aggregate receipts and expenditures when added together do not exceed $30,000 on reports filed in 1977. Using the guidelines set forth in the Commissions' Nonfiling Procedures of May 23, 1978, we recommend that no further action be taken against these respondents except that they shall be subject to an end of year review along with other nonfilers.

One of the respondents who filed subsequent to receiving a letter from the Office of General Counsel, Krasnoff for Congress, had financial activity during 1977 exceeding the $30,000 guideline set by the Commission in its Nonfiling Procedures of May 23, 1978. We do not recommend filing a suit for late filing against this committee, however, for several reasons. First, the committee received

7804900615

our letter on April 24, 1978, and responded on May 1, 1978, within the ten day response period previously approved by the Commission on May 3, 1978. Second, all of the committee's financial activity had been previously reported and the committee had no financial activity during the fourth quarter of 1977. Finally, the committee has no outstanding debts or obligations.

Recommendations

1. Take no action and close the file for the following candidate and committees which have filed their Year-End 1977 Report:

A. Citizens for Salamon in Congress

B. People for Poth Committee

C. Tom Spinosa for Congress Committee

D. Tonie Nathan for Congress Committee

G. Citizens for Leach

BEFORE THE FEDERAL ELECTION COMMISSION

April 27, 1978

IN THE MATTER OF	)	
	)	MUR 562 (78)
106 House Year-end Nonfilers	)	

GENERAL COUNSEL'S REPORT

I. Background

On April 4, 1978, the Disclosure Division referred to the Office of General Counsel the names of 106 House candidates and committees (Attachment I) who failed to file year end reports for 1977. For each candidate or committee, the Commission found reason to beleive and reasonable cause to believe that 2 U.S.C. §434 had been violated. The reason to believe notices were sent on February 15, 1978 and the reasonable cause to believe notices were sent on March 8, 1978, however, not all of the notices were received.

II. Ananysis

The Office of General Counsel reviewed the disclosure index and other pertinent information for all of the candidates and committees referred.

1. Subsequent to the referral by the Disclosure Division, those respondents listed in Appendix A filed 1977 year end reports. Since voluntary compliance has been obtained, it is recommended that no further action be taken.

7 3 0 4 0 0 5 1 6 0 1

2. Those respondents listed in Appendix B had little or no activity for 1977. Each had less than $5,000 in gross receipts for the period January 1, 1976, to December 31, 1977. None of these respondents have outstanding debts. Further, none will be active in the 1978 elections. Based on these findings, it is recommended that no further action be taken.

3. Certain committees, listed in Appendix C, have terminated their registration with the Commission. Appendix C also contains the names of two candidates whose committees have terminated. In view of the fact that termination has occurred, it is recommended that the Commission not take action against these respondents.

4. Listed in Appendix D is an additional group of candidates and committees for whom there is no evidence of receipt of either the Commission's reason to believe or reasonable cause to believe notification. Since 2 U.S.C. §437g(a)(2) requires a respondent to be notified that the Commission has reason to believe that the respondent has violated the Act, no further action should be taken against those candidates and committees listed in Appendix D unless such notification is perfected. Given the low levels of activity by these respondents, the General Counsel's office believes that the time and expense necessary to perfect notification would be unwarranted. It is therefore recommended that the Commission taken no further action with respect to the respondents listed in Appendix D.

5. Listed in Appendix E are candidates and committees who are also the subject of MUR 575 for failing to file quarterly reports during 1977. We believe it would be more efficient to continue compliance action against these respondents through MUR 575.

7 8 0 4 0 0 6 1 6 0 0

6. Listed in Appendix F are those candidates and committees which have outstanding debts, which have gross receipts of $5,000 or more, or which will be active in the 1978 elections. Staff members of the Office of General Counsel contacted 26 of the respondents listed in Appendix E by telephone in an attempt to obtain voluntary compliance. Respondents were asked to file their missing year end reports within ten days of the call. Additional information, such as how to terminate, was supplied when requested. All respondents indicated that they would cooperate in filing the needed information.

Letters were sent to those respondents which could not be reached by telephone. Each respondent was given 10 days from the day of receipt of the letter to file the report.

The status of each respondent is indicated by either the date the respondent's report was received or the date the report is due. The Office of General Counsel believes the Commission should take no further action against those respondents listed in Appendix E who either have already filed their year end reports or file their reports by the date indicated. The General Counsel's office will recommend the Commission enter into conciliation with those respondents who do not file the 1977 year end report within the appropriate time.

Recommendations

In view of these facts, the General Counsel's Office recommends that the Commission:

7804051605

1. take no further action and close the files for those respondents listed in Appendices A, B, C, and D; and,

2. continue compliance action against those respondents listed in Appendix E through MUR 575; and,

3. take no further action for those respondents listed in Appendix F who either have submitted year end reports or submit such reports within the 10 day time period.

Re: MUR 562

Dear Mr. Howard:

This letter is to notify you that the name of the Howard for Congress Committee has been referred to the Office of General Counsel as a result of the committee's failure to file a year end report for 1977. As of this date, the report has not been received.

Because of the committee's failure to file, the Commission has found reason to believe and reasonable cause to believe that a violation of 2 U.S.C. §434 has occurred. The Commission's records also indicate that you received notification of the reason to believe finding on February 21, 1978 and the reasonable cause to believe finding on March 13, 1978.

We would appreciate your cooperation in filing the year end 1977 report and request that the report be filed within ten days of your receipt of this letter. If the report is not submitted, we will recommend to the Commission that further action be taken, which could include the commencement of a civil action for relief, as set forth in 2 U.S.C. §437g(a)(5)(b).

This matter has been numbered MUR 562. It is requested that you refer to the MUR number in all future correspondence relating to this matter and mark the MUR number on the envelope containing such correspondence. The report and any correspon-

dence you submit should be addressed to the attention of Conley Edwards, Jr., the staff member in the Office of General Counsel assigned to handle MUR 562. If, when you receive this letter, the report has already been filed, please send a copy of it to the General Counsel's Office.

For your convenience, enclosed is FEC Form 3 on which you may file your report. If you have any questions, please contact Mr. Edwards at 202-523-4166.

Sincerely,

William C. Oldaker
General Counsel

Re: Drew Edmondson
Congressional Campaign
Committee, ID# 054020

Dear Mr Edwards,

Reference is made to the financial report for Mr. Drew Edmondson, former candidate for U.S. Congress, Second District of Oklahoma; for the 3 month period ending December 31, 1977

We have been informed by your office of the need to file form FEC 3, as opposed to the postcard type form we filed for this period. Due to Drew's attending law school, and my no longer living in Muskogee, we have not been able to discuss compliance with your requirements until today.

I will be meeting next week-end in Muskogee with Drew, for the purpose of obtaining the necessary financial data to prepare the above mentioned report. This data would include the necessary bank statements, etc. You then should be receiving the report within the week subsequent to that, or before June 3, 1978.

Burroughs Form H550 Buff - Form 6550 Green

7804006162 8

Because of previous business commitments, and the final exams Drew has been taking, we will not be able to file with you before June 3, 1978; and respectfully ask that hold our status in abeyance until that time.

Your patience and assistance are appreciated.

Very truly yours,

Drew Edmondson Congressional Campaign Committee

NATURE OF OBLIGATION (Description of Debt)
This bill was for printing services but the price agreed upon was for only $90.00 to cover printed handbills. After the job was completed the printer raised his price justifying the raise because he said the job took longer than he originally estimated. The committe refuses to pay the additional amount of $102.00. The printer has never sent a bill since the dispute and has apparently admitted that he was wrong.

TOM SPINOSA believes that most problems can be approached in a simple and honest manner, solved with common sense and tested judgments, fortified by his extensive background in accounting and auditing. He is a careful thinker, his past training and experience, in many fields of endeavor, have given him the expertise to answer instantly. Why should I register Republican?

What does a Republican believe?

1. The Republican Party believes in you as an individual. The Republicans deal with people and their rights, regardless of their economic status, race, creed or sex.

2. The Republican Party believes that the primary responsibility of government lies at the local or State level. The Republicans believe that the State and local governments are closer to the people and thus can better address their needs. Only those functions that are beyond the scope of local government are properly in the domain of the Federal government.

3. The Republican Party believes that our government must be run on a sound fiscal economic basis. The Republicans support the individuals' right to make their own economic decisions. We believe that the future strength of this country depends on vigorous individual initiative. The Republicans support reasonable taxes, a balanced budget and reduction of the national debt.

These goals can be more readily achieved by registering and voting as a Republican.

Houston I. Flourno is the man best qualified to be Governor.

Maturity. Judgment. Experience. These are the qualities we look for in a candidate for high office. **Hugh Flournoy** has all of these qualities and more.

Hugh Flournoy's wide experience in public affairs and impressive record of achievement has been recognized by such bi-partisan leaders as Democrats and Republicans. He is a man of integrity, ethical conduct and moral courage.

It's doubtful that California has ever had a candidate for Governor thoroughly qualified by education, professional and political experience. And this year of crisis and disillusion, Hugh Flournoy's experience, maturity, judgment and ability are sorely needed.

Here is the supporting team for Houston Flournoy

JOHN L. HARMER, Lieutenant Governor, now 39 years old with a law degree from George Washington University, Washington, D.C., Harmer was elected to the State Senate from San Fernando in 1966. He left an indelible mark as vice-chairman of the Elections and Reapportionment Committee, Education Committee and the Health & Welfare Committee. His fellow Senators demonstrated their regard for him as a legislator and as a leader by naming him Republican Caucus Chairman. Harmer says he would like to see the traditional light duties of the Lt. Governor expanded to make the office truly "California's second most important job."

BRIAN VAN CAMP, 34, served as legal counsel to California Secretary of State Frank Jordan. He was a member of Governor Reagan's seven man cabinet as acting Secretary of the Business and Transportation Agency. He then became California's Commissioner of Corporations, the youngest in this state's history. Brian will bring to his office the same fair, decisive action and concern for the protection of the public that he has so ably demonstrated in previous state office.

WILLIAM T. BAGLEY was first elected to the State Assembly in 1960 to represent Marin and Sonoma Counties, and has been re-elected overwhelmingly every two years since.

Recognized as a key legislative leader and as an expert in taxation and public finance, Bagley is known as an independent spokesman on the major issues of welfare and tax reform. His legislative interests have included major bills on tax reform, education finance, computer privacy, open meetings and public records, conservation, the administration of justice and legislation aimed toward advancing individual liberties and equal rights and opportunities for all.

JOHN T. KEHOE has served California over 17 years at the local, state and federal levels of government. He was state Director of Consumer Affairs and believes the principles of consumer protection must be applied to government to control inflation and lower taxes. The effectiveness of our tax dollars is the major concern of the Treasurer and accountability must be demanded.

EV YOUNGER has approached every job he's undertaken with distinction. Fulfilling an early campaign pledge, as DA Younger created a Crime Prevention Unit. Police community relations improved thanks to youth conferences.

The contention has a friend as Ev Younger. Over 60 major consumer protection bills have been introduced by the Attorney General.

The cause of clean air, land and water has taken a major step forward thanks to the Environmental Law Unit, set up by Attorney General Younger to enforce California's tough anti-pollution laws.

He has pushed for legislation to put career criminals and those who commit violent crimes with firearms behind bars, and to provide adequate compensation to victims of violent crime.

HANK ARKLIN was born in Central California and has been both a rancher and farmer-rancher in the state for over 25 years.

Arklin is a former state senator (Hyman) and has twice been appointed to state commissions by Governor Ronald Reagan.

Hank Arklin has continued to oppose the new property tax load being shifted on the shoulders of the home owners, part-time workingmen and owners of small businesses. He experimented and voted against a member of the Legislature proven his qualifications to better represent the workingman who pays the bulk of the taxes while receiving little in return.

BILL RICHARDSON has been a member of the California Senate since 1966. Reducing the cost of government has been one of Bill Richardson's prime goals. His philosophy is "The best government is the best." The major issues INFLATION and Legislative Control is the biggest spender of any U.S. Senator up for re-election. Senator Richardson is the lowest spender of any California Senator.

PLATFORM • U.S. CONGRESS SIXTH CONGRESSIONAL DISTRICT

IN FAVOR OF A LIFE SENTENCE WITHOUT POSSIBILITY OF PAROLE FOR MURDERERS, KIDNAPPERS, ABDUCTORS, BOMBERS, SKYJACKERS, SABATEURS, TRAITORS, RAPISTS AND HARD DRUG DEALERS, HOWEVER I PREFER THE DEATH PENALTY, BUT JURIES, AS A RULE, ARE RELUCTANT TO RENDER A GUILTY VERDICT WHERE THE DEATH PENALTY IS A FACTOR BECAUSE THEY DON'T WANT THE CRIMINAL'S DEATH ON THEIR CONSCIENCE. THE NET RESULT HAS BEEN TO LET THE CRIMINAL GO FREE OR LET HIM COP A PLEA. WE CAN NO LONGER TOLERATE THE RISING TIDE OF CRIMINALITY IN OUR CITIES.

IN FAVOR OF LEGISLATION MAKING IT A CRIMINAL OFFENSE TO DISPLAY THE AMERICAN FLAG AS A SYMBOL "OF FORCEFUL OR VIOLENT OPPOSITION TO ORGANIZED GOVERNMENT OR AS AN INVITATION TO ANARCHISTIC ACTION OR AS AN AID TO PROPAGANDA THAT ADVOCATES THE OVERTHROW OF THE GOVERNMENT BY FORCE OR VIOLENCE" OR DESECRATES "OLD GLORY".

UNIQUIVOCALLY OPPOSED TO GUN CONTROL BECAUSE IT HAS BEEN SHOWN THAT GUN CONTROL HAS FAILED TO REDUCE CRIME. ALL CITIZENS MUST HAVE THE RIGHT TO PROTECT THEMSELVES AGAINST VICIOUS, RUTHLESS CRIMINALS.

IN FAVOR OF JUDICIOUS (PRUDENT-WISE) MILITARY INTERVENTION WHEREVER OUR INTERESTS ABROAD ARE THREATENED. WE SHOULD SPEND MORE DOLLARS FOR DEFENSE AND LESS ON WAR. I BELIEVE WE AMERICANS ARE TIRED OF WAR. WE SHOULD EXTEND INCREASED AID, BOTH ECONOMICALLY AND MILITARILY TO ISRAEL AND ALL OF OUR ALLIES IN ORDER TO MAINTAIN MILITARY SUPERIORITY. WE SHOULD WITHDRAW AID TO NATIONS THAT SUPPORT OUR ENEMIES OR EXAPPROPRIATE OUR INDUSTRIES.

IN FAVOR OF THE UNITED STATES WITHDRAWING SUPPORT FROM THE UNITED NATIONS UNLESS ALL MEMBERS OF THE UNITED NATIONS PAY THEIR FAIR SHARE OF THE OPERATING COST.

IN FAVOR OF A HARD-NOSE POLICY TOWARD NATIONS WHO TRAFFIC IN HARD-DRUGS. DRUGS ARE RUINING OUR YOUTH.

IN FAVOR OF A STRONG MERCHANT MARINE...SECOND TO NONE...LET'S STOP HAULING OUR CARGO IN FOREIGN FLAG-SHIPS AND PUT OUR SEAMEN BACK TO WORK. WE MUST LAUNCH A CRASH SHIPBUILDING PROGRAM AND REOPEN HUNTERS POINT NAVAL SHIPYARD AT ONCE UNDER PRIVATE ENTERPRISE. THIS WILL GIVE MUCH NEEDED WORK TO THE UNION TRADES, WITH EMPHASIS ON MINORITY HIRING.

IN FAVOR OF EXTENDED BENEFITS TO WAR VETERANS AND/OR THEIR WIDOWS. THEY HELPED US WHEN WE NEEDED THEM.

IN FAVOR OF AMNESTY FOR DRAFT DODGERS AND DESERTERS, ONLY IF THEY FULFILL THEIR MILITARY OBLIGATION. EACH CASE SHOULD BE EXAMINED AND EVALUATED ON ITS OWN MERITS. HONORABLE DISCHARGES WOULD BE WORTHLESS IF ISSUED TO DISHONORABLE MEN. PATRICK HENRY WOULD TURN OVER IN HIS GRAVE IF HE COULD SEE OUR COWARDS.

IN FAVOR OF SPECIAL ATTENTION AND EXTENDED BENEFITS TO OUR SENIOR CITIZENS, THE POOR AND UNFORTUNATE. OUR SENIOR CITIZENS HAVE LONG BEEN NEGLECTED. THEY ARE BEING TAXED OUT OF THEIR HOMES. IT'S A NATIONAL DISGRACE. ISN'T IT TIME WE STOPPED CARRYING OUR MOTHERS AND FATHERS OVER THE HILL TO THE POOR HOUSE?

IN FAVOR OF A NATIONAL HEALTH AND INSURANCE PLAN FOR THOSE IN NEED.

Burton Pads Payroll and Misuse

WASHINGTON – Rep. Phillip Burton (D-Calif.) is the latest leftist to have a scandal explode in his face.

Mrs. Nina-Ann Coleman, Burton's former personal secretary, has charged Burton with padding his payroll with non-workers, abusing his office financial accounts and turning tax-supported workers into personal servants.

She also charged that Burton has used his official office funds to do personal favors for friends and helped his political allies escape prosecution for accepting illegal campaign contributions.

Mrs. Coleman worked for Burton from February, 1965 to January, 1976.

As Burton's executive secretary, Mrs. Coleman had first-hand knowledge of the inner workings of Burton's office, including knowledge of his office financial accounts, as well as the travel plans of Burton, his family and staff members.

REP. PHILIP BURTON

Congressmen's personal secretaries are usually privy to the most confidential information and Mrs. Coleman and other sources confirm that this was the case in Burton's office.

Because of Burton's vast power, most of which springs from his chairmanship of the House Democratic Caucus, many Capitol Hill sources have been frightened into silence. Most others refuse to speak for the record.

Those who confirmed Mrs. Coleman's charges off-the-record include staff members of two congressional committees and numerous congressional staff members.

Official payroll records of the House also back up Mrs. Coleman.

> *"How long will it take you to get out?"*

In a SPOTLIGHT interview, Mrs. Coleman revealed that she had been the victim of harassment by other members of Burton's staff before her departure.

"When I asked the congressman to do something about it he just laughed," she said.

"After I asked him the third time he fired me," she said.

"He said, 'How long will it take you to get out?' and then he went into the other office and told the other aides, 'Stick around until she leaves.'" Mrs. Coleman said.

Mrs. Coleman told the SPOTLIGHT that there were "dozens" of no-show employees on Burton's office payroll.

These people were "never seen in the office and never heard from."

They included tax-supported "workers" who were doing personal political chores for Burton which were not related to his congressional district as well as ones who did no work at all.

Many of these approximately two dozen no-shows were closely tied to the Democratic Study Group (DSG), which Burton once chaired, and to the Democrat Caucus staff.

Several appeared on many other congressional office payroll records from 1975.

Mrs. Coleman has filed a complaint with the Department of Labor to receive compensation for injury to her health suffered due to Burton's demands on her time and the harassment by other staff members.

In 1967, Mrs. Coleman was made Burton's personal chauffeur in addition to her other duties.

Her complaint states, in part: "Applicant was expected to be on call at all times and was expected to work 12-13 hours per day, with no compensatory time in lieu thereof."

In a letter dated Oct. 2, 1975, and signed by Burton, he said, "One of Mrs. Coleman's duties is to be available for the purpose of driving me to various functions in the Washington area, as well as to and from the airports."

Burton estimated that Mrs. Coleman logged "at least 150 miles a week for this purpose."

Mrs. Coleman also said in her complaint that Burton made her take his wife anywhere she wanted to go, too.

"This included driving to her clubs, for her groceries, shopping, or just driving her grandchildren through the park to keep them amused while the member (Burton) worked at home—gasoline selling for 63.9 cents per gallon."

Burton once complimented Mrs. Coleman as "The best wheel-man I ever had."

Mrs. Coleman said she was not reimbursed for her expenses in chauffeuring Burton, his family, friends and staff members around.

Her husband estimates the cost, including gasoline and car repairs, was close to $5,000 per year.

Both Colemans said their expenditures on behalf of Burton amounted to a "forced kickback." Burton claims he raised Mrs. Coleman's salary enough to compensate her for her increased expenses.

Federal law specifically prohibits the practice of inflating salaries with the expectation that the excess amount will accrue to the advantage of the member of Congress.

Among Mrs. Coleman's other tax-supported duties was typing books for Burton's step-daughter, Joy Temas, whom Mrs. Coleman said fancied herself a writer.

"When people asked me how good a writer Joy Temas was, I could hardly keep a straight face," she said.

Mrs. Coleman also said that Burton ordered part of his office stationery account to be cashed out to buy a typewriter to be sent to Temas as a gift.

Burton's reactions to Mrs. Coleman's charges are no surprise to long-time Capitol Hill observers.

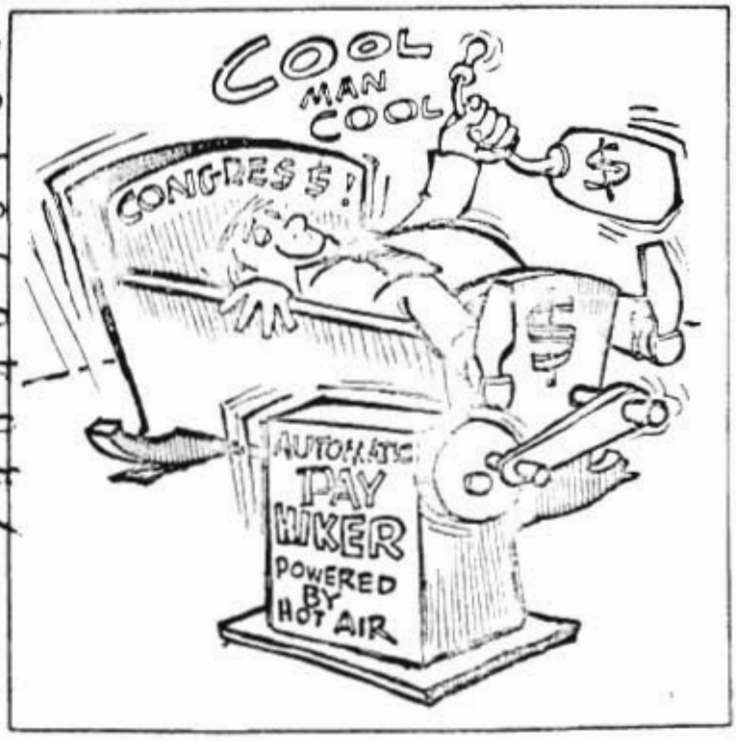

These sources say that any member of Congress will follow an almost classic pattern of responses to any charges against him.

The first response is to deny the charges, which Burton did the moment they surfaced.

The second tactic is to claim that "everybody does it."

Burton tried this one too, charging that "The Republican Study Club (GOP counterpart of the DSG) does it too," referring to his office staff who actually were working on DSG assignments.

Finally, if the first two don't work, claim the accuser is mentally ill.

Fear of Backfire

WASHINGTON – As scandal after scandal is exposed, many questions arise as to why the House Ethics Committee does not act.

So far the committee has done next to nothing about the Hays, Howe, Leggett, Burton, Clay and Young scandals.

Sources say this is because the Ethics Committee Chairman, Rep. John Flynt (D-Ga.), is himself sitting on a powderkeg of scandals that could be set off by the sparks of an investigation.

Flynt has admitted accepting free plane rides and free vacations from corporations which have a stake in the decisions of the Defense Appropriations subcommittee Flynt sits on.

He denies being influenced by the lavish gifts.

Top Pentagon aides who accepted trips courtesy of defense contractors were admonished by the Defense Department.

Flynt has said he will not allow the Ethics Committee to investigate the acceptance of gratuities.

Charges of payroll abuse have also been made against Flynt.

The manager of Flynt's Spaulding County, Georgia, farm was also on his congressional payroll.

s Finances, Secretary Charges

NINA-ANN COLEMAN

"She's a very, very sick woman who needs help," Burton said on July 25.

Such was not Burton's opinion of Mrs. Coleman a short time ago.

"Nina has been conscientious in the performance of her varied duties and possesses a pleasant personality which permits her to work well with others," Burton wrote in a signed letter a few years ago. "She has been a great asset to my office."

"Nina's integrity is unimpeachable and I would not hesitate to recommend her for a position of trust."

Burton's responses remind many of those of Burton's friend and political ally, former Rep. Wayne Hays, when Hays' own scandal exploded.

Hays first denied Elizabeth Ray's statements, then claimed everybody else did the same thing and finally ended up questioning Miss Ray's mental stability.

In addition to his contradictory statements on Mrs. Coleman, Burton's actions toward her Labor Department complaint differ from his words.

Burton has said he and his staff are doing everything possible to help her obtain a disability judgment "this side of committing perjury."

His actions demonstrate a different attitude.

"The complaint is never going to come to anything," said one member of the Education and Labor Committee, of which Burton is also a member.

"He's got enough power to squash anything but a whitewash of this case."

Sources at the Labor Department also indicate that Burton has been bringing pressure on them to delay the case.

Mrs. Coleman's charges against the San Francisco congressman were first made public in "Congress Today," the newsletter of the Republican Congressional Committee.

Rep. John Rhodes (R-Ariz.), the House GOP leader, later personally apologized to Burton for the article, which violated the Washington "buddy-buddy" system which forbids criticism of another member.

Rhodes said he had sent the newsletter to the General Accounting Office (GAO), "to receive their opinion as to whether any of the matters reported were illegal."

"I was informed," Rhodes said, "by the comptroller general that their lawyers could find no illegality in the matters alleged."

Despite Rhodes' courageous apology, and the findings by the GAO, which is just a rubber-stamp for anyone as powerful as Burton, one source told The SPOTLIGHT that "Several knowledgeable lawyers said there are in fact illegalities."

Since the charges came out, newspapers across the country have picked up the story, with the New York and Washington papers the sole exception.

To many, this is not surprising.

"If he (Burton) had been a conservative, the New York Times and Washington Post would have been all over him," said one disgusted observer.

Burton's rating by Liberty Ledger, the non-partisan voting record of congressmen compiled by Liberty Lobby, is zero.

When the San Francisco "Examiner" printed the story, West Coast sources say the shock waves were greater than those of the 1906 earthquake.

Many consider Burton to be one of the two or three most left-wing members of the House, surpassing even the notorious Bella Abzug in his radicalism.

Other members of Burton's office staff also performed personal services for Burton, Mrs. Coleman revealed.

She cited as one example the aide who regularly cuts Burton's grass and trims his hedges. The aide confirmed he did Burton's yard work to the "Examiner."

Taxpayer Robbery

Burton Loses Grip on Power —See Page 12

Burton's extensive travelling, all at taxpayers' expense, has also drawn the interest of several parties.

"The guy has to be one of the greatest junketeers in the House," one source said.

According to House finance records, in just two years' time, 1974 and 1975, Burton managed at least four trips to Puerto Rico and the Virgin Islands; three trips to Hawaii and another through the South Pacific—all in the cold winter months.

A constant companion of Burton's on these junkets was Nancy Lou Larson, a salary "double-dipper" because she worked continuously on the staff of Burton's subcommittee while also serving on his office staff off and on.

House records show she accompanied Burton on many of the most desirable trips—to the South Pacific and to the sunny Caribbean.

Mrs. Coleman also shed light on Burton's ties to labor unions.

"A fellow named Phil Carlip of the Seafarer's Union would call up occasionally and say, 'Tell Phil I've got five big ones on the way for him.' And every so often, I think it was near the 1972 elections, he'd show up with an envelope for the congressman," she said.

All the stress of serving as executive secretary, chauffeur and personal servant took its toll on her, Mrs. Coleman said.

In addition, other members of Burton's staff purposely aggravated her asthma by smoking near her.

Two physicians who examined Mrs. Coleman state that her illness was caused by the conditions of her employment.

One of those doctors said he was threatened by members of Burton's staff if he testified at the Labor Department hearing.

"I'm so glad I'm not working there anymore," Mrs. Coleman said, "my husband and I are positively thrilled."

"It's amazing," she concluded, "I haven't had an asthma attack since I left his office."

tops Investigations

Flynt has admitted leaking confidential documents on at least two occasions.

Besides these antics, Flynt has demonstrated flexibility in his personal relationships as well.

Until he recently endorsed Jimmy Carter for President, Flynt was a close friend and political ally of Lester Maddox.

In 1967 Flynt sponsored a testimonial dinner for Maddox and inserted praise of Maddox in the Congressional Record.

One other reason Flynt may be reluctant to investigate such abuses as Philip Burton's junketeering is that the Atlanta "Journal" named Flynt Georgia's top junketeer for 1972, '73 and '75.

Many observers say Flynt's behavior is not surprising. Flynt has been in Congress for 22 years.

Because of this, observers say Flynt is simply a part of the Washington "buddy-buddy" system and is not about to investigate his own friends.

"To get along," said the late speaker Sam Rayburn, "you have to go along."

Rayburn was speaker for the first six years Flynt was in office and very admired by the young congressman.

A note concerning the closing of the books:

I decided to close the books on December 31, 1977 because we had no assets and no interest in nor support for further fundraising efforts to eliminate our debts owed to individuals.

All debts were converted into contributions with the exception of those owed to Mr. & Mrs. Baures. I sent a letter to Mr. & Mrs. Baures informing them of the default, and giving my opinion that should they resort to legal proceedings against the Committee, there were no assets for them to claim.

Should there be any questions regarding the termination report please contact me.

Sincerely,

Lee M. Carey

Re: MUR 562

Dear Mr. Davenport:

This letter is to notify you that your name has been referred to the Office of General Counsel as a result of your failure to file a year end report for 1977. As of this date, the report has not been received.

Because of your failure to file, the Commission has found reason to believe and reasonable cause to believe that a violation of 2 U.S.C. §434 has occurred. The Commission's records also indicate that you received notification of the reason to believe finding on February 21, 1978.

We would appreciate your cooperation in filing the year end 1977 report and request that the report be filed within ten days of your receipt of this letter. If the report is not submitted, we will recommend to the Commission that further action be taken, which could include the commencement of a civil action for relief, as set forth in 2 U.S.C. §437g(a)(5)(b).

This matter has been numbered MUR 562. It is requested that you refer to the MUR number in all future correspondence relating to this matter and mark the MUR number on the envelope containing such correspondence. The report and any correspondence you submit should be addressed to the attention of Gary Christian, the staff member in the Office of General Counsel assigned to handle MUR 562. If, when you receive this letter, the report has already been filed, please send a copy of it to the General Counsel's Office.

Dear Gary -

I appreciate your patience on this report. During the campaign someone else always did it for me. And I'm not a very good accountant.

There is great value in this type of control system for elections, but for candidates such as me, its not worth all the effort. If I ever run again, it'll be the other way.

Thanks,

Robin

RE: MUR562

Dear Mr. Christian:

I looked through the Daugherty for Congress Committee files after our phone conversation today. I am not able to find any indication that we had sent the January 31 report. I had thought this had gone out about a month ago. However, my memory was obviously wrong. You had indicated that we could file the report by sending it directly to you. Accordingly, I am enclosing the report (FEC Form 6) for the period September 30, 1977 to December 31, 1977. Since that report supplements the Post Card report forms that were used during the rest of the year, that report is also for the entire period January 1, 1977 to December 31, 1977. As you can see from the report, there was $100 left over from the 1976 campaign. There were no receipts and no expenditures of any sort during the entire year 1977.

I am also enclosing for filing FEC Form 6 for the Daugherty for Congress Committee for the period January 1, 1978 through April 13, 1978. This is a termination report. Richard Daugherty has announced that he is no longer a candidate for Congress. The committee is disbanding. There have been no further receipts. The only expenditure which has been made has been the transfer of the remaining $100 left over from the 1976 campaign to the 4th District Democratic Committee. The 4th District Democratic Committee is the regular Democratic organization established by state law for the 4th Congressional District in Michigan.

It is my understanding that this is all that is necessary to be done in order to terminate the reporting requirements for the

7804005183 1

Daugherty for Congress Committee. If I am not correct on that, please let me know what else must be done. I also assume that turning over the remaining funds to the 4th District Democratic Committee is an acceptable method of disposing of those funds. If that is not correct, please let me know.

You will notice on the termination report that the Committee has no outstanding debts of obligations which are either owed to the Committee or owed by the Committee.

Very truly yours,

Tat Parish, Treasurer
Daugherty for Congress
Committee

P.S.
After I dictated the first part of this letter, I spoke to you again. You suggested that it would be better if I sent two separate FEC Form 6's to cover the period January 1, 1978 to the present time. I have prepared two extra Form 6's (one for January 1, 1978 to April 1, 1978 and the other for April 1, 1978 to April 13, 1978). These are enclosed.

GENERAL COUNSEL'S REPORT

I. BACKGROUND

In 1978 the Reports Analysis Division referred to the Office of General Counsel all candidates and committees which failed to timely file one or more of the following reports: the 1977 year-end report, the 10 day pre-primary report, the 30 day post-primary report, and the 10 day pre-general report.

The Commission reviewed all of the candidates and committees which failed to file and in accordance with the criteria set forth in the Commission's non-filer memorandum dated May 23, 1978, determined to take further action through conciliation against a number of the candidates and committees. For those candidates and committees which did not conciliate, the Commission found probable cause. 1/ The Commission directed the Office of General Counsel to review all of the candidates and committees against which probable cause was found and to recommend to the Commission those candidates and committees against which a civil action should be filed.2/

1/ Except for those candidates and committees which failed to file the 1977 year-end report, the Commission did not authorize the filing of civil suits.

2/ Four candidates and one committee against which the Commission found probable cause for failure to file reports of receipts and expenditures are not included in this report. They are: the Committee Amigos de Jaime Benitez, NF 54 (Puerto Rico); the New York State Voter Registration Drive, NF 59 (New York); the Committee to Elect Louis Nine to Congress, NF 62 (New York); the North Carolina Democratic Inaugural Committee, NF 70 (North Carolina); and Sanford Krasnoff, NF 193 (Louisiana). Civil actions for failure to timely file and for other violations of FECA were brought against the Committee Amigos de Jaime Benitez and Sanford Krasnoff. A civil action for failure to timely file was brought against the Committee to Elect Louis Nine to Congress and a consent decree has been obtained. The New York State Voter Registration Drive was referred to the Audit Division for an audit. Conciliation is proceeding for failure to timely file and for other violations of FECA with the North Carolina Democratic Inaugural Committee in MUR 859.

II. ANALYSIS

A. 1977 Year-End Non-Filers

The Commission has found probable cause against the following 1977 year-end non-filers:

Allen Blume for Congress	(Alaska)
Howard for Congress	(Arizona)
Joseph H. Parisian Congressional Campaign	(Florida)

Attachment I lists each respondent and indicates each respondent's filing history and financial activity for 1978.

All of the respondents are principal campaign committees of candidates who ran for election to federal office in 1976. None of the candidates ran for election to federal office in 1978. The respondent committees appear to be defunct. As none of the respondents filed 1978 quarterly reports there is no indication of financial activity.

Because of the inactivity of these committees in the 1978 elections, the Office of General Counsel recommends that the Commission not bring a civil action for relief against them, but close the files.

B. Pre- and Post-Election Non-Filers

The Commission has found probable cause against the following 10 day pre-primary, 30 day post-primary, and 10 day pre-general non-filers:

Donald Wylie Hobbs	(Alaska)
Ares for Congress	(California)
Harold R. Boylan	(California)
B. B. (Happy) Henschel	(California)
My Principal Campaign Committee (Henschel)	(California)
Hughes for Congress	(California)

Attachment II lists each respondent and indicates each respondent's filing history and financial activity for 1978.

The General Counsel's Office used three criteria in reviewing the respondents. We are recommending the filing

7 9 0 4 0 1 7 2 2 2 9

of a civil action against any respondent who meets all three criteria. The criteria are as follows:

1. whether the respondent failed to timely file two of the 1978 reports;

2. whether the respondent (or the candidate if the respondent was a principal campaign committee) received more that 30% of the vote in either the primary or general election; and

3. whether the respondent had more than $20,000 in receipts.

One committee, Conlin for Congress, meets all three criteria: failing to timely file both the 10 day pre-general election report and the 30 day post-general election report, receiving 42% of the vote in the general election, and having receipts in the amount of $160 614.

The Office of General Counsel recommends that the Commission bring a civil action for relief against Conlin for Congress. Further, we recommend closing the files with respect to all other respondents.

III. RECOMMENDATIONS

The Office of General Counsel recommends the following:

1. file a civil action against Conlin for Congress (NF 173) for failure to file required reports in violation of 2 U.S.C. § 434;

2. close the file and rescind the authorization to file a civil action with regard to:
