Re: Request for Extension on MUR 5767

Dear Ms. Hart,

After being on travel for the month of July, I have just received the FEC letter on MUR 5767 on August 7, 2006. My assistant, Joy Dingler, has informed me that she went to the RIC PAC PO Box early last week but did not see the letter from the FEC.

Upon receiving the letter from you this morning, I immediately began to search for an attorney and am working with Aristotle, the agency which files RIC PAC reports with the FEC, to try to get all necessary information.

I would respectfully request an extension for submission of factual and legal materials. It may take me one week to locate an attorney and another 30 days to attain all the legal material required. I would, therefore, request an extension until September 15, one month from a week from today.

I assure you that I will do everything possible to get the FEC the appropriate and required information at the earliest possible date.

Thank you for your assistance,

Chris Gersten, Treasurer
RIC PAC
