Re: MUR 5803

Dear Mr. Jordan:

The law firm of Isaacson Rosenbaum P.C. has been retained to represent State Farm and Mr. Art Bushell in the above referenced matter. Both State Farm and Mr. Bushell have received copies of the Complaint and Complaint Notification Letters in connection with the above referenced MUR. Attached are the signed Statements of Designation of Counsel from State Farm and Mr. Bushell.

Responses to the Complaint Notification Letters are due September 15, 2006. On behalf of our clients we request an additional ten (10) days to respond to the Commission's September 1, 2006 Complaint Notification Letter. This request is necessary because the Complainant has raised factual allegations we must investigate in order to adequately respond. We are in the process of investigating these allegations in order to provide sworn affidavits from persons with personal knowledge and information necessary to address the allegations set forth in the Complaint. This task is made more difficult because our clients and other witnesses are not located in a single state. An additional ten days to respond on or before September 25, will allow us the necessary time to investigate this matter and provide the Commission a complete response.

Thank you very much for your time and consideration. If you have any questions, please feel free to contact me at the e-mail or phone number listed above.

Sincerely,

Michael F. Feeley

Encl.

cc: Mark Taylor, Esq.
