MUR #

Dear Sir:

This writing constitutes a formal complaint to the Federal Election Commission (the "Commission"). This complaint is based upon information and belief.

This complaint alleges violations of Federal Election Campaign Act ("FECA") and Commission regulations against Montanans for Lindeen, the principle campaign committee of Congressional candidate Monica Lindeen.

The complaint alleges the following:

1. On September 8, 2006, it came to my attention that the Montanans for Lindeen committee was soliciting contributions from corporations and businesses in a Montanans for Lindeen "House Party Kit" available on her website www.lindeen.net. On page 11 of this document titled "Host a House Party for Monica", the Lindeen campaign advises that, "Under Federal Election law, Montanans for Lindeen may accept contributions of up to \$2,100 for the primary and general elections from individuals, businesses, corporations, and small contributor committees (emphasis added)." A copy of this campaign material is attached as Exhibit 1.
2. According to FEC regulations, "A candidate, individual holding Federal office, agent of a candidate or an individual holding Federal Office...shall not solicit, receive, direct, transfer, or spend funds in connection with an election for Federal Office, including funds for Federal office, including funds for any Federal election activity, unless the funds are subject to the limitations, prohibitions, and reporting requirements of this Act." [See 2 U.S.C. § 441(i)(e)(1)]
3. Additionally, according to FEC regulations, "Campaigns may not accept contributions made from the general treasury funds of corporations, labor

Based on the above-alleged violations of the FEC regulations, I respectfully request that the Commission further investigate whether:

- (1) Montanans for Lindeen are in violation of FEC regulations pertaining to the solicitation of corporate and business contributions.

Sincerely,

Quick Guide Page 6 Easy Steps to Hosting a House Party

- 1) So you want to host a house party...let us know you are hosting a party:

- a) Sign up online: www.lindeen.net
- b) Fill out the Host Form and fax back to our house party team:

Western Montana - Bryce
Eastern Montana - Jesse

- 2) Create a guest list

You can invite your own guests and we can also connect you with Lindeen supporters in your area. We recommend inviting more people than your goal because not everyone will attend. Think about inviting some of the following people— you'll be amazed by how many people you know.

- 3) Set a fundraising goal

While house parties are about engaging and exciting voters about Monica Lindeen, they also help raise essential money for the campaign. Most hosts set a goal of raising between \$2500 - \$5000 per party.

- 4) Invite your guests

Start inviting guests as soon as possible. Here are some ways to invite your guests to your party:

- i) Set up a house party page at www.lindeen.net to track your RSVP's, fundraising goal, and to send invitations and reminders to your guests.
- ii) Send an email from your personal email account
- iii) Create an invitation (see our sample invitation in Set-up Materials, Page 7)
- iv) Call your guests to make a personal connection.

- 5) Party Day

The most important thing to remember about House Party Day is to raise money and have fun! We've created a helpful checklist to remember all of the things you need to do:

- i) Sign-in Guests
- ii) Accept Contributions
- iii) Show the "Meet our Monica" DVD
- iv) Computer with Internet for Donations
- v) Participate in the house party theme game or contest

- 6) Stay in Touch

After your party, we need to collect all of your contributions, sign-in sheets, and future house-party host sign-ins. We also have a wrap up conference call to talk about how much fun you had at your party!

Getting Started

1. Invite your guests

How many people should I invite?

We encourage hosts to have at least 15 guests at their house party. It's a good idea to invite more people than your goal because not everyone will be able to attend.

Who should I invite?

Would a party be any fun without these people?

- Family
- Friends
- Coworkers
- Social Acquaintances
- Neighbors
- Members of your church, temple, mosque or other religious gathering place
- Members of your labor union

Other people to consider inviting:

- Members of the PTA, political club, community group, investment clubs/groups, and local peace, environmental, and social justice organizations
- Members of your bowling league, volleyball team, cooking group, and your poker buddies, friends from night classes, the gym, and members of your choir
- People in your address books, on the invitation list from your last party, on your holiday card list, and from your last reunion

We will also connect you with Lindeen supporters in your area if you are hosting a party that is open to the public.

How do I invite people?

• **Online:** We recommend that you create a *Montanans for Lindeen* RSVP page on our website. It's very easy and will let you track your RSVP's, donations, and send messages to your guests.

• **Email:** Send an email to your friends. Send them to your *Montanans for Lindeen* page or provide all the info in your message.

• **Flier:** Use our sample invitation to make fliers for your office, club, neighborhood or mailings. (see Sample Invite in the Materials section)

• **Phone Calls:** Follow up your emails with a friendly phone call. Your guests will appreciate the personal touch.

<ul style="list-style-type: none"> • Family • Friends • Coworkers • Social Acquaintances 	<ul style="list-style-type: none"> • Neighbors • Members of your political group, club or organization • Members of your labor unions
--	--

2. Set a Fundraising Goal

How much should I raise?

We encourage parties to raise at least \$500. Some hosts will try to raise as much as \$2500 per party.

While house parties are about engaging and exciting voters about Monica's campaign, they also raise essential money for the campaign. Your guests will be willing to help you reach your goal if you make it easy for them!

How can I reach my goal in 3 weeks?

Here are some tips on how to reach your goal.

\$500 = 10 people @ \$50 Strategy: 3-4 guests a week Get 3 family members Get 4 friends Get 3 co-workers/neighbors	\$500 = 20 people @ \$25 Strategy: 4 guests a week Get 4 family members Get 4 friends Get 2 co-workers/neighbors Ask each guest to bring one person	\$510 = 30 people @ \$17 Strategy: 5 guests a week Get 5 family members Get 5 friends Get 5 co-workers/neighbors Ask each guest to bring one person
---	---	---

How do I collect money?

We will provide more details in the Party Day section, but here are some important things to consider when asking your guests to donate:

- **We cannot accept cash contributions.**
- **Online:** This is the best way to reach your goal. It's less paperwork for you and easy for your guests! Encourage guests to make a contribution online before the party. You may also consider having a computer with internet access available at your party.
- **Checks:** Guests writing checks will need to complete a Contribution Form. Hosts will be responsible for mailing these checks to your house party coordinator after the party.

(See "Party Day" for more details on how to handle contributions)

How much money should I spend on my party?

While there are no limits to the amount you can spend on an event, we encourage you to be realistic and not to overspend. A good rule of thumb is not to spend more than 10%-20% of what you plan to raise at your event.

We need to report the costs of the event, such as food and beverages, as a non-monetary contribution. Please keep any receipts for items you purchase. (See "Follow-up" for more details on In-Kind Contributions)

- **Contribution Form:** Guests can contribute by check or credit card by completely filling out the Contribution form.

Required Information

Federal Election Laws require us to obtain certain information about campaign donors. Use the Contribution Form to make sure guests provide the following information:

- Name
- Address (No P.O. boxes please!)
- Phone Number
- Occupation/title
- Employer (If self-employed, name of business)

Donation Limits

Under Federal Election law, Montanans for Lindeen may accept contributions of up to \$2,100 per election for the primary and general elections from individuals, businesses, corporations, and small contributor committees. Contributions from foreign nationals are prohibited, unless an individual is lawfully admitted for permanent residence in the United States. Montanans for Lindeen is a committee formed to support Monica Lindeen's campaign for Congress.

Contributions to Montanans for Lindeen are not tax deductible for federal income tax purposes.

In-Kind Contributions (Host Expenses)

While there are no limits to the amount you can spend on an event, we encourage you to be realistic and not to overspend. A good rule of thumb is not to spend more than 10%-20% of what you plan to raise at your event.

Under federal law, an individual can spend up to \$1,000 on food, beverages and invitations while hosting a house party in their private home. This \$1000 does not count against your individual contribution limit (\$2,100 for the primary and the general election) although you should keep records of these expenses so the amount spent can be documented.

We need to report the costs of the event, such as food and beverages, as a non-monetary contribution. Please complete the In-Kind Contribution form to collect the total costs paid, a brief description of the costs, and the person or entity that paid them so that we may report this contribution in compliance with Federal Campaign law.
