Re: MUR 5970
Citizens Consulting Incorporated

Dear Mrs DeJarnett-Miller:

Please be advised that our request for extension of time to file a response was because the notice of the complaint was not served upon our agent for service of process (registered agent) until March 3, 2008. In your March 20, 2008 letter, you indicate our response was due February 23, 2008. Obviously, there was a mistake in our communications because we failed to tell you the actual date of service. Therefore, we respectfully ask for a thirty day extension to file a response on behalf of Citizens Consulting Incorporated from the date the response would have originally been due, which would have been March 18, 2008. Additionally, for your convenience, I have attached a copy of the service of process summary transmittal form from our registered agent. I am truly sorry for the confusion and offer my humblest apologies.

If you should have any questions, please do not hesitate to call or contact me.

Thanking you in advance,

Very truly yours,

Hollis Shepherd

RE: MLR 5570
Citizens Consulting, Inc.

Dear Mr. Shephard:

This is in response to your letter dated March 17, 2008, which we received on that day, requesting a 30-day extension to respond to the complaint filed in the above-noted matter. Please note, this is the first request we have received.

After considering the circumstances presented in your letter, the Office of General Counsel has granted the requested extension, even though your request of the extension of the response was due (February 23, 2008). Accordingly, your response is due by the close of business on March 24, 2008.

If you have any questions, please contact me on our toll-free telephone number, (800) 424-9530. Our local telephone number is (202) 694-1651.
