MUR5973

Dear Mr Jordan

Please accept this response to your communication dated February 12, 2008 which came into my possession on February 28, 2008. We respectfully request that the deadline to file a response be extended to April 15, 2008 in order to retain counsel and prepare a proper reply to the complaint.

Unless I am advised otherwise in writing, I will assume the Commission has no objection to the extension.

In the event you have any reason to contact me, please feel free to call me at 908-752-5426. Thank you.

Very truly yours,

Michael Sedita,
Chairman
