Dear Sir/Madam

I write to you to highlight the fact the Vernon Jones for Senate committee ("the respondent"), running for election in the Democratic Primary for the Class Two United States Senator from Georgia, has made several repeat violations of federal campaign laws. The respondent has failed to disclose who paid for campaign advertising throughout the state, as demonstrated in the contained photographs.

I urge the Federal Elections Commission to take the full and appropriate measures necessary to rectify the situation.

The full name and contact information for the committee in question is as follows:

I, Edward B. Hula III, the undersigned complainant, do under perjury of law, swear that the above complaint is true, as of the writing of this letter, July 9, 2008.

Sincerely,

Dear Friend,

Thank you for your support of our campaign so far. The run-off election between Vernon Jones and Jim Martin takes place in 10 short days on Tuesday, August 5.

We need your commitment to show up to the polls rain or shine and vote Vernon Jones for U.S. Senate. The July 15 primary election had one of the lowest levels of voter turnout ever. With a significantly better turnout we can assure that Vernon Jones will be the Democratic nominee for the U.S. Senate, placing him one step further to making history as the first African-American U.S.

Dear Friend,

My campaign has uncovered evidence that my opponent, Jim Martin, did not want Senator Barack Obama to be President of the United States and that Jim Martin voted against Barack Obama in the February 2008 Presidential Primary election in Georgia.
