**Complaint of Over Limit Contributions and Request for Audit - Obama for America
(C00431445) and Obama Victory Fund (C00451393)**

**Negative Contributors and Mixed Contribution Classifications
(Supplemental Update to MUR 6142)**

Dear Sir or Madam:

This is a supplemental update to complaint, MUR 6142, pertaining to the Presidential Campaign Funds of Barack Obama regarding over limit campaign contributions and other irregularities of the Campaign Finances of Obama for America (C00431445) and Obama Victory Fund (C00451393). Further analysis of the contributor database shows additional irregularities pertaining to negative contributors and mixed ORG/IND classifications for contributors.

The FEC filings that are the basis of this update are listed are the same as the FEC filings listed in Table I of the update of November 6, 2009. Line items SA17A, SA18 and SB28A were extracted as 2,605,632 records that were cross-referenced by contributor. It was found that there are approximately 684,188 unique individual contributors in the database who made contributions.

There were a significant number of net negative contributions, as well as several dozen contributors with mixed IND and ORG records, as detailed in the attached Table II. The distribution of contributions determined for itemized individual contributors is summarized in the following Table I:

Table I. Contributor Summary

Individual Itemized Contributors:	Number of	Amount of
-\$200.01 to -\$9,200	197	-\$81,057.87
-\$0.01 to -\$200	898	-\$254,090.85
\$0	986	\$0.00
\$0.01 to \$200	211,079	\$23,934,892.39
\$200.01 to \$2,300	429,896	\$917,578,054.82
\$2,300.01 to \$4,600	39,434	\$116,748,892.49
\$4,600.01 to \$13,800	1,898	\$9,952,734.23
Total Individual Itemized	684,188	\$1,427,899,325.21
Unitemized Contributions		\$258,161,672.58
Org Contributions		\$383,189.38
Total		\$757,444,178.17

13014324407

The contributors with negative net contributions between \$0 and -\$200 may be reflecting refunds to contributions under the reporting limit of \$200. However, the contributions more negative than -\$200 are either errors in the records or reflect contributions over the reporting limit that were not reported. There are 197 such contributors, whose records are listed in Table III (attached). Table III contains 2,701 records. It is of note that 1,627 of them belong to a contributor named Donald Pro, who's employer is "Loring" and Occupation is "you". His records are listed in a separate Table V. Similarly dubious negative donors listed include Dahaudhu Hduahfid (46 records), Uadabgu Hduadh (20 records), and Kalua Baileys (83 records).

The contributors with mixed IND and ORG records are listed in the attached Table IV. Of the 25 contributors with mixed records, 24 were treated as actual IND records and 1 was treated as an ORG contributor.

The duplicate records observed have been previously reported in the Update of December 12, 2009. The contributions made over the maximum limits have also been previously reported. Only one change is made to the contributors over the maximum limit, dropping index 282204, Robert Hornata aka Robert Hornato as a refund was found under the name of Robert Hornata.

The numerous errors in the contributor records make accurate analysis of the contributor database a difficult task. Net negative contributions, mixed record types, duplicate records, contributions over the limit and an excessive amount of "Unitemized" contributors lead to questions about the sources of these campaign contributions.

The American People need an audit of the Obama for America (C00431445) and Obama Victory Fund (C00451393). We are depending on the FEC to assure compliance with fair practices. Please audit the Obama Presidential Campaign Funds. Thank you for your time and consideration.

Yours Truly,

Luanne Moore
