**Re: In the Matter of Edward St. John, et al.
MUR: 6223**

Dear Mr. Philbert:

We have reviewed the Federal Election Commission's letter of May 27, 2010 with respect to the Respondents Edward St. John, Lawrence Maykrantz, Robert Becker, Jeffrey Gish, Stanley Meres, H. Richard Williamson, Gerard Wit, and St. John Properties, Inc. We are in the process of gathering responsive information, but we will be unable to complete this process by the June 11, 2010 deadline suggested in the letter.

Conor O'Croinin and I have been unusually busy with other matters over the last two weeks. We have made progress in searching for and gathering relevant information, some of which relates to events that occurred almost eight years ago, but further work is necessary in this regard.

Accordingly, we request an extension of two weeks in which to provide the additional information that you have requested (which would move the deadline from June 11 until June 25).

Please confirm that this will be acceptable.

Very truly yours,
