Dear Mr. Jordan:

Regarding, MUR 6284 and Friends of Jeff Denham for Congress, the television commercial began airing on 4/28/10 with the disclaimer noted in the complaint. The disclaimer was modified and repositioned to begin airing on 5/1/10 on cable networks and 5/3/10 on broadcast networks. In both versions, the disclaimer met the legal requirement for content and was merely relocated from the front end of the commercial to the back end. As there was no fee paid to place the ad on youtube.com, it appears that no disclaimer is required on that video, although it does contain one.

Sincerely,

David Bauer, Treasurer
