MUR 6289
Remembering the Brave
Extension of Time Request

Dear Ms. Dillenseger:

Last week I received a telephone call from Mr. Steve Beck, who is the president of Remembering the Brave Foundation (RTBF), requesting that I represent RTBF in the above referenced matter. Apparently Mr. Beck travels extensively on behalf of the RTBF and had only that week received the copy of the Commission's letter indicating RTBF could be a named respondent in the matter. I accepted that representation and have filed the Designation of Counsel form with your office reflecting that representation.

I am seeking an extension of time during which to file a response to the Complaint because of the delay in Mr. Beck receiving the Commission's notice and due to his schedule through the 13th of September. Mr. Beck is currently heavily involved in an event for RTBF involving numerous Gold Star families and is unavailable to work with me until after September 13th. There are critical facts which I must secure from Mr. Beck, unique to RTBF, which are required before I can file a suitable response brief. For those reasons, I would request an extension of time until September 21, 2010 during which to file a response to the Complaint in the above referenced matter.

Thank you for your assistance and consideration of this request.

Very truly yours,

Paul E. Sullivan
