Mr. Javor during our conversation you mentioned you were aware of the complaint filed. After talking with you I re-mailed the notification package you said you did not receive.

Mr. Javor are you submitting this e-mail as your response to the complaint file with the FEC, MUR 6292?

Good afternoon Ms. Hampton,

Per our earlier conversation, I am no longer at the address you had on file. In fact, I am no longer the Chairman of the McHenry County Young Republicans (IL PAC) by which you tried to contact me. Therefore, mail sent there may not be delivered to me. Moments ago, I provided you with my home address, in the hopes any further correspondence will be directed there.

My statement in reference to Mr. Cape's accusations are very straightforward:

Any and all contributions, made by me, to the Joe Walsh Campaign are the sole responsibility of the campaign to report in a timely and proper manner. Furthermore, Mr. Cape's allegations of any poll results "being slipped" to another candidate are not only patently false and defamatory, but contrary to the longstanding ethics and practices by which I operate.

I appreciate you taking the time to contact me about this matter. I welcome any further conversation and hope my statement helps clarify the facts and assist you in your deliberation on this issue between The Joe Walsh Campaign and former Joe Walsh staffer Richard Cape.

Thank you for your time,

Bryan T. Javor
