Re: MUR 6296

Dear Mr. Jordan:

I am writing to you on behalf of Buck for Colorado in connection with Matter Under Review 6296.

The complaint in MUR 6296 was received by Buck for Colorado on June 1, 2010, and a response would therefore be due on June 16, 2010. However, Buck for Colorado has experienced difficulty engaging experienced counsel that is not subject to a conflict of interest to assist in the preparation of a response.

In order to give Buck for Colorado sufficient time to identify, engage and confer with non-conflicted counsel, I respectfully request on behalf of Buck for Colorado that the period for filing a response be extended by thirty additional days, up to and including July 16, 2010.

Because the complaint includes a number of unrelated allegations made against a number of respondents, the additional time will be needed to allow counsel, once successfully retained, to material all of the relevant facts necessary to prepare a comprehensive response.

This request is being made within the 15-day period from receipt of the complaint.

Thank you in advance for your consideration.

Sincerely,

Walter C. Klein
