

MUR# 6332

I, Jodi L. Bair file the following complaints against Mike Stopa. I, Jodi L. Bair sign and swear before me, under the penalty of perjury, the legitimacy of this document and the listed complaints. I affirm that Mike Stopa has committed these errors, violating the rules and regulations of the FEC, throughout his campaign.

1. Failure to include disclaimers on his campaign material

a. Under the Special Notes on Political Ads and Solicitations

(<http://www.fec.gov/pages/brochures/notices.shtml>) document, political committees must include a disclaimer on all "public communications," bulk electronic mail, and websites available to the general public. "Public communications" include mass mailing and "any other general public political advertising."

b. Mike Stopa has failed to use disclaimers on his campaign material, specifically his website (www.stopaforusrep.com) and handout (attached: "Meet and Greet Your Next U.S. Congressman, I'll be Stopa, and radio personality, Todd Fairburg"). I have personally witnessed these errors first-hand.

2. Has broken the \$5,000 threshold but has not filed his expenses

a. The Federal Election Commission, under its Candidate Registration

(<http://www.fec.gov/pages/brochures/candregis.shtml>) brochure, states that an individual running for federal office is required to report its expenses once they exceed \$5,000. Mike Stopa has presumably broken the \$5,000 threshold, but has not filed his expenses. Mike Stopa has used the following for his campaign, all of which plausibly total greater than \$5,000:

- His Website: www.stopaforusrep.com
- Lawn Signs
- Bumper Stickers
- T-shirts <http://www.stopaforusrep.com/>
- Hats <http://www.stopaforusrep.com/>
- An Event at Tomasso's Trattoria restaurant
- Various literature

I have personally witnessed these errors first-hand.
