RE: MUR 6333, Lowry for Congress, C00463273

Dear Ms. Heilizer,

Please accept my apology for giving you mis-information 3/29/2011

The letter I sent you was a draft but pictures were taken of the banner with the "Paid for by Lowry for Congress" with the intention of attaching copies of the checks. However, the checks were not issued. I went through all the bank statements last night and found no refund checks to these corporations.

Mr. Lowry is depositing and making another loan to the campaign bank account today, 3/30/2011. He is also issuing checks to all the corporations that contributed money to his campaign.. These refund checks and the additional loan will be reflected in the 3/31/2011 FEC report. Finding the banner in storage will be a little harder.. But if you need to see it, we will do our best to find it. Thank you in advance for tolerating our inconsistencies.

I can be reached at

or
