Re: MUIR 6341-Request for extension of time to respond

Dear Ms. Collins:

I respectfully request an extension of time to respond to the complaint filed under MUIR 6341. This extension of time is requested for the following reasons.

I had received the complaint on August 17, 2010 during the middle of my campaign for United States Congress. Due to campaign obligations, I have been unable to fully review the allegations and craft a response. However, the Florida Primaries were held on August 24<sup>th</sup> and I did not win my race. Further, my father recently passed away and I must travel out of area on August 26<sup>th</sup> to resolve his estate. These dual pressures have limited my opportunity to prepare a cogent response to the complaint.

I respectfully request an additional forty days to reply to this complaint. With my campaign obligations wading and resolving my father's estate, the extension will grant me the necessary time to draft a proper response to the FEC.

If you have any questions regarding this request, I may be contacted at [Eddie@AdamsforCongress.org](mailto:Eddie@AdamsforCongress.org) or at 813-230-3312. Thank you for your consideration.

Respectfully,

Eddie Adams, Jr.  
Candidate for U.S. Congress 11<sup>th</sup> District of Florida
