Re: MUR 6342

Dear General Counsel,

I am writing in response to the above referenced complaint. At the time of the complaint I was serving, and continue to serve, as Treasurer for the Welday for Congress (FEC ID #: C00462028).

I received the complaint by mail on September 20, 2010 after receiving a call from an FEC staff member inquiring about my response. I had not received the complaint previously and it was forwarded to my attention.

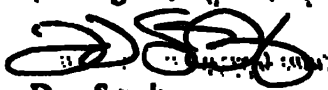

I have reviewed the complaint made by Mr. Raczkowski in his July 30, 2010 letter. The only part of the complaint I have any knowledge of is Mr. Raczkowski's "opinion that the attack piece was paid for by the desperate Welday campaign....".

I can categorically state that no funds raised by the Welday for Congress Campaign were used for the purposes described by Mr. Raczkowski. I have not coordinated my efforts on behalf of Welday for Congress with any other political committee, group or organization. The Welday for Congress Campaign has provided full disclosure of all contributions and expenditures. Regarding all other matters in his complaint, I have no knowledge of any of them.

It should be noted that Mr. Raczkowski was successful in the August 3, 2010 Michigan primary election and is currently the Republican nominee for the U.S. House of Representatives in the Ninth Congressional District.

If you have additional questions, please feel free to contact me at the address below, email or telephone numbers below.
