GENERAL COUNSEL'S REPORT

I. BACKGROUND

In 1978 the Reports Analysis Division referred to the Office of General Counsel all candidates and committees which failed to timely file one or more of the following reports: the 1977 year-end report, the 10 day pre-primary report, the 30 day post-primary report, and the 10 day pre-general report.

7 9 0 1 0 1 6 3 1 8 2

The Commission reviewed all of the candidates and committees which failed to file and in accordance with the criteria set forth in the Commission's non-filer memorandum dated May 23, 1978, determined to take further action through conciliation against a number of the candidates and committees. For those candidates and committees which did not conciliate, the Commission found probable cause. 1/ The Commission directed the Office of General Counsel to review all of the candidates and committees against which probable cause was found and to recommend to the Commission those candidates and committees against which a civil action should be filed.2/

-
- 1/ Except for those candidates and committees which failed to file the 1977 year-end report, the Commission did not authorize the filing of civil suits.
- 2/ Four candidates and one committee against which the Commission found probable cause for failure to file reports of receipts and expenditures are not included in this report. They are: the Committee Amigos de Jaime Benitez, NF 54 (Puerto Rico); the New York State Voter Registration Drive, NF 59 (New York); the Committee to Elect Louis Nine to Congress, NF 62 (New York); the North Carolina Democratic Inaugural Committee, NF 70 (North Carolina); and Sanford Krasnoff, NF 193 (Louisiana). Civil actions for failure to timely file and for other violations of FECA were brought against the Committee Amigos de Jaime Benitez and Sanford Krasnoff. A civil action for failure to timely file was brought against the Committee to Elect Louis Nine to Congress and a consent decree has been obtained. The New York State Voter Registration Drive was referred to the Audit Division for an audit. Conciliation is proceeding for failure to timely file and for other violations of FECA with the North Carolina Democratic Inaugural Committee in MUR 859.

II. ANALYSIS

A. 1977 Year-End Non-Filers

The Commission has found probable cause against the following 1977 year-end non-filers:

Allen Blume for Congress	(Alaska)
Howard for Congress	(Arizona)
Joseph H. Parisian Congressional Campaign	(Florida)

Attachment I lists each respondent and indicates each respondent's filing history and financial activity for 1978.

All of the respondents are principal campaign committees of candidates who ran for election to federal office in 1976. None of the candidates ran for election to federal office in 1978. The respondent committees appear to be defunct. As none of the respondents filed 1978 quarterly reports there is no indication of financial activity.

Because of the inactivity of these committees in the 1978 elections, the Office of General Counsel recommends that the Commission not bring a civil action for relief against them, but close the files.

B. Pre- and Post-Election Non-Filers

The Commission has found probable cause against the following 10 day pre-primary, 30 day post-primary, and 10 day pre-general non-filers:

Donald Wylie Hobbs	(Alaska)
Ares for Congress	(California)
Harold R. Boylan	(California)
B. E. (Happy) Henschel	(California)
My Principal Campaign Committee (Henschel)	(California)

Attachment II lists each respondent and indicates each respondent's filing history and financial activity for 1978.

The General Counsel's Office used three criteria in reviewing the respondents. We are recommending the filing

of a civil action against any respondent who meets all three criteria. The criteria are as follows:

1. whether the respondent failed to timely file two of the 1978 reports;
2. whether the respondent (or the candidate if the respondent was a principal campaign committee) received more than 30% of the vote in either the primary or general election; and
3. whether the respondent had more than \$20,000 in receipts.

One committee, Conlin for Congress, meets all three criteria: failing to timely file both the 10 day pre-general election report and the 30 day post-general election report, receiving 42% of the vote in the general election, and having receipts in the amount of \$160,614.

The Office of General Counsel recommends that the Commission bring a civil action for relief against Conlin for Congress. Further, we recommend closing the files with respect to all other respondents.

III. RECOMMENDATIONS

The Office of General Counsel recommends the following:

1. file a civil action against Conlin for Congress (NF 173) for failure to file required reports in violation of 2 U.S.C. § 434;

Dear Ms. Brown

I am severing all relations and responsibilities concerning Howard L. Bingham an ex-Candidate for Congress for the 31st District of California.

Mr. Bingham is working out of town and this makes it impossible to continue serving as a representative of his.

I have given him all the financial records that were in my possession. Any and all matters concerning his campaign should be directed towards him.

Thank you for your cooperation

CONCILIATION AGREEMENT

This matter having been initiated on the basis of information ascertained in the normal course of carrying out its supervisory responsibilities, an investigation having been conducted, and the Commission having found reasonable cause to believe that respondent, Howard Bingham for Congress Committee (the Committee), violated 2 U.S.C. §434(a)(1)(A)(i) by filing its 10 Day Pre-Primary Election Report late.

Now, therefore, the respective parties herein, the Federal Election Commission and respondent Committee having duly entered into conciliation pursuant to §437g(a)(5), do hereby agree as follows:

- I. That the Federal Election Commission has jurisdiction over respondent and the subject of this proceeding.
- II. That respondent Committee has had a reasonable opportunity to demonstrate that no action should be taken in this matter.

77040163214

III. That the pertinent facts in this matter are as follows:

A. That the 10 Day Pre-Primary Report filed by the Howard Bingham for Congress Committee shows Pre-Primary receipts of \$38,285 and Pre-Primary expenditures of \$36,804;

B. That the Committee, as of May 27, 1978, had failed to file its 10 Day Pre-Primary Report; the report was filed on June 5, 1978, thereby making the report 9 days late.

THEREFORE, respondent Committee agrees:

- I. Respondent's action in failing to file its 10 Day Pre-Primary Election Report on May 27, 1978, was in violation of 2 U.S.C. §434(a)(1)(A)(i).
- II. That it will pay a civil penalty in the amount of \$50 pursuant to 2 U.S.C. §437g(a)(6)(B)(i).
- III. Respondent agrees that it will not undertake any activity which is in violation of the Federal Election Campaign Act of 1971, as amended, 2 U.S.C. §431, et seq.

GENERAL CONDITIONS

- I. The Commission, on the request of anyone filing a complaint under 2 U.S.C. §437g(a)(1) concerning the matters at issue herein, or on its own motion,

72019163215

may review compliance with this agreement.

If the Commission believes that this agreement or any requirement thereof has been violated, it may institute civil action for relief in the United States District Court for the District of Columbia.

II. It is mutually agreed that this agreement shall become effective as of the date that all parties hereto have executed same and the Commission has approved the entire agreement.

Interim Conciliation Report

On December 13, 1978, the Commission voted to incorporate into the conciliation agreements the changes requested by the respondents, Howard L. Bingham for Congress Committee and the Committee to Elect Ken Petrello. Letters and the new conciliation agreements were to be sent to the respondents.

The first certification of the Commission's actions was incorrect and had to be changed before the letters and agreements could be sent out. The corrected certification was issued on January 10, 1979 and the letters and conciliation agreements were mailed on January 12, 1979. Therefore, the respondents have not as yet received the new agreements, and have not had a chance to sign and return them.

As soon as we receive the signed conciliation agreements, they will be circulated to the Commission for approval.

RE: MUR 636(78)

Dear Mr. Petrello:

Enclosed is a copy of the modified conciliation agreement which has been approved by the Commission. The first paragraph now includes the violation of 2 U.S.C. §434(a)(1)(A)(ii) for failing to file a 30 Day Post-Primary Election Report. Your Committee should submit a 30 Day Post-Primary Report with the signed conciliation agreement. If your committee does not have any outstanding debts and obligations, then the 30 Day Post-Primary Report may also be designated a termination report. This would conclude the committee's reporting obligations. Paragraph III C has been added in connection with the failure to file a 30 Day Post-Primary Report also.

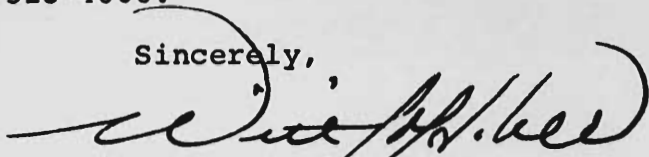

Paragraph I has been changed to state that there were technical but unintentional violations of 2 U.S.C. §434(a)(1)(A)(i) and (ii). The civil penalty in Paragraph II has been reduced to \$75. The Commission has determined not to grant you an extension of time, as you requested, in which to pay the civil penalty.

If you agree with the present provisions of the enclosed conciliation agreement, please have your treasurer sign the agreement and return it along with the 30 Day Post-Primary Election Report and the civil penalty within ten days.

 - C. That the Committee, as of November 20, 1978, had failed to file its 30 Day Post-Primary Report which was due on July 6, 1978.

THEREFORE, respondent Committee agrees:

- I. Respondent's action in failing to file its 10 Day Pre-Primary Election Report on May 27, 1978, and its 30 Day Post-Primary Election Report on July 6, 1978 was a technical violation, although unintentional, of 2 U.S.C. §434(a)(1)(A)(i) and (ii).
- II. That it will pay a civil penalty in the amount of \$75 pursuant to 2 U.S.C. §437g(a)(6)(B)(i).
- III. Respondent agrees that it will not undertake any activity which is in violation of the Federal Election Campaign Act of 1971, as amended, 2 U.S.C. §431, et seq.

This matter having been initiated on the basis of information ascertained in the normal course of carrying out its supervisory responsibilities, an investigation having been conducted, and the Commission having found reasonable cause to believe that respondent, Committee to Elect Ken Petrello (the Committee), violated 2 U.S.C. §434(a)(1)(A)(i) by filing its 10 Day Pre-Primary Election Report late and §434(a)(1)(A)(ii) by failing to file a 30 Day Post-Primary Election Report.

- III. That the pertinent facts in this matter are as follows:

F. Sanchez for Congress Committee

7 9 0 4 0 1 6 3 2 8 1

A counter proposal to the conciliation agreement was submitted by Philip Sanchez on behalf of the committee. In his letter, Mr. Sanchez explained that he had withdrawn from the primary race right after the filing date and had released his volunteers. He was informed that his name would still appear on the ballot, but he "made it clear to all that I would not be campaigning". His treasurer moved his offices to a new location and Mr. Sanchez began travelling in search of employment. Mr. Sanchez said that he had received the FEC forms in the mail, but had had nothing to do with the financial records of his committee and could not fill them out himself. When he returned "from a prolonged period of military service in Panama" he received the letter and conciliation agreement. He had to locate the new offices of his ex-treasurer and took them to him. The treasurer said he thought that since Mr. Sanchez had not been campaigning, he could submit all reports with the final report. The treasurer did fill out the reports and the 10 Day Pre-Primary Election Report and the 30 Day Pre-Primary Report were submitted with Mr. Sanchez's letter. The 10 Day Pre-Primary Report shows receipts of \$550, \$0 in expenditures and debts and obligations of \$1531. According to the 30 Day Post-Primary Election Report, the Committee received \$550, expended \$9, and debts and obligations of \$1531. In his letter, Mr. Sanchez states that his committee has no money and "any levy against my now defunct committee is actually a levy against me...and this is a levy which I obviously could not afford".

7 9 0 1 0 1 6 3 2 8 2

On November 28, 1978, the Office of General Counsel received a conciliation agreement from Mr. Sanchez. Mr. Sanchez crossed out the civil penalty and signed the agreement. According to the amendment to the Non-Filer Procedures which was adopted on October 26, 1978, further action will be taken against candidates and committees which have filed no reports with the Commission only if the candidate received 30% of the vote or won the election. Conciliation was begun with the Sanchez for Congress Committee because he had filed no reports. Mr. Sanchez received 14.6% of the vote and he lost the election. In light of the Commission's new policy, it is recommended that the attached conciliation agreement without a civil penalty be approved by the Commission and the file be closed with regard to the Sanchez for Congress Committee. The attached letter should be sent.

C. Howard Bingham for Congress Committee

James Willis, Jr., the treasurer of the Howard Bingham for Congress Committee, states in his letter regarding the conciliation agreement, that according to the "Campaign Guide for Congressional Candidates and their Committees" he thought he was supposed to file reports quarterly and it was not until May 5th, when he received a letter from the FEC, that he realized a pre-primary report would be due on May 25, 1978. According to Mr. Willis, there was a fundraiser planned for May 7, 1978 and he did not have enough time to change the date of the fundraiser. Mr. Willis states that he filed the 10 Day Pre-Primary Report late because he had to gather financial information summarizing the ticket sales from Ticketron, the Olympic Auditorium, Dillons (the after party host) and the committee itself, which sold tickets individually, in order to fill out the report. "The information needed to report accurately our financial reports was too overbearing to meet the date of May 25, 1978. Your letter dated May 1, 1978 just did not allow me to meet the deadline."

The "Campaign Guide for Congressional Candidates and their Committees" does indicate that reports should be filed quarterly, however, it also states that all authorized committees and candidates (except those who have waived personal reporting) have to file a pre-election report for each election in which the individual is a candidate. Therefore, Mr. Willis should have been on notice before May 5, 1978 that a pre-election report was necessary.

Although Mr. Willis does not say so in his letter, in a telephone conversation he wanted to know if the civil penalty could be eliminated. The Office of General Counsel recommends that the civil penalty for the Howard Bingham for Congress Committee be reduced to \$50.

Dear Ms. Brown,

Following our phone conversation of 10/10/78 I offer the following for your consideration.

I was late on the today Pre-Primary report because;

- 1) I was following the instructions in the "Campaign Guide for Congressional Candidates and their Committees" dated Feb. 1978. This booklet in section VI Filing Reports in Paragraph III instructed me to file reports quarterly on April 10, July 10, and October 10.
- 2) It was not until May 5 that I received your letter instructing me to file by May 25, 1978. I could not comply with this date because a big fund raiser was planned on May 7, 1978. This was not sufficient notice of date change, and I could not change the fund raising event date.

Financial information was dependant on too many variables to meet date of May 25.

- a) Ticketron had to summarize their ticket sale
- b) The Olympic Auditorium had to summarize their sales.
- c) Dillons (after party host) had to summarize their sales.
- d) I had to gather info. from these sources plus individual sales that the committee made themselves.

79010163298

3) The information needed to report accurately
our financial reports was too overbearing to
meet the date of May 25, 1978. Your letter
dated May 1, 1978 (a copy enclosed) just did
not allow me to meet the deadline.
If I had known of the date prior to May 5,
I would have changed the date of the
fund raiser.

Please call if you need more info. &
if you received this letter of explanation.
Although hurried I hope this letter will
establish acceptable evidence of the tardiness.

D. Harold Boylan

Harold Boylan was referred to the Office of General Counsel for his failure to designate a principal campaign committee and his failure to file a 10 Day Pre-Primary Election Report. According to Mr. Boylan, he has informed the Commission of the fact that he is not running for office; he has received no money; nor does he have any intention of receiving any money. Mr. Boylan states in his letter that he is destitute: he does not have a house, car, "nothing for anyone in or out of government to steal".

Enclosed with his letter, were an FEC Form 2 and two FEC Form 3s. Mr. Boylan wrote "none" in the spaces for office sought, name of committee and name of bank. He signed his name and added "not running". Both of the FEC Form 3s were designated as reports for the primary, general, and "any other" elections. The receipts and expenditures are listed as \$0.

Mr. Boylan appeared on the primary ballot as an unopposed candidate of the American Independent Party. Also, Mr. Boylan was a candidate on the general election ballot. He has been referred for failing to file a 30 Day Post-Primary Election Report and was published November 4, 1978 for failing to file a 10 Day Pre-General Election Report.

It is recommended that the Commission find probable cause to believe violations have occurred and a civil suit should be instituted.

RE: MUR 636

Dear Mr. Boylan:

On May 31, 1978, the Commission found reasonable cause to believe that you are in violation of 2 U.S.C. §434 for failing to file a 10 Day Pre-Primary Election Report. Also, on June 8, 1978, reasonable cause to believe was found that you violated §432(e)(1) for failing to designate a principal campaign committee.

The Commission has a duty to attempt to correct such violations for a period of 30 days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. 2 U.S.C. §437g(a)(5)(A). If we are unable to reach an agreement during that period, the Commission may institute civil suit in the United States District Court and seek payment of a civil penalty not in excess of \$5,000.

Since a necessary provision of conciliation is the designation of a principal campaign committee and the filing of your 10 Day Pre-Primary Election Report, you should file an FEC Form 2 and a pre-primary report within ten days of receipt of this letter.

We enclose a proposed conciliation agreement that this office is prepared to recommend to the Commission in settlement of this matter.

If you agree with the provisions of the enclosed conciliation agreement, please sign and return it along with your FEC Form 2, your Pre-Primary Report and civil penalty, to the Commission within ten days. I will then recommend that the Commission approve the agreement.

E. Committee to Elect Ken Petrello

Ken Petrello sent in a letter on behalf of his campaign committee in response to the conciliation agreement which was sent to the committee. Mr. Petrello states that he called the Commission on several occasions prior to the filing of the 10 Day Pre-Primary Report, and informed staff members that the original treasurer had left his family, job, and Southern California. He told the staff members that it would take some time to reconstruct the records but was "led to believe that since we so informed the Commission of our accounting problems and used our best efforts, there would be no further problems".

Mr. Petrello wishes to amend the conciliation agreement to state that "there was a technical violation of 2 U.S.C. §434(a) (1)(A)(i), (but) said violation was unintentional" and he would like to have the civil penalty reduced to \$75 and have the time period in which to pay the civil penalty extended to 90 days.

It is recommended that the attached conciliation agreement and letter be approved. Paragraph I of the agreement has been changed to include the language Mr. Petrello requested; the time period for compliance with the agreement has not been changed; and paragraph III-C has been added because the Committee to Elect Ken Petrello was referred for its failure to file a 30 Day Post-Primary Election Report.

Re: Committee to Elect Ken Petrello
MUR 636

Dear Ms. Brown:

This will confirm our conversation of October 3, 1978, in which I informed you that it was my feeling that the Committee was misled on several occasions and/or lulled into a sense of security by various staff members of the Federal Election Commission.

On several occasions prior to the ten day Pre-Primary Federal Election Report being filed I personally called the Federal Election Commission and informed them of the problem that our original treasurer, Joseph Beldon, had left his family, left his job and left Southern California, and that the process of reconstructing the records was quite immense. On all occasions I was informed that there would be no problem while we were informing them by telephone. It was on this basis that our Pre-Primary Federal Election Report was filed twelve days late, which we admit. This late filing was not done as a result of any intentional disregard of the Commission's rules, but because we were led to believe that since we so informed the Commission of our accounting problems and used our best efforts, there would be no further problems.

I would recommend at this time that your original Conciliation Agreement MUR 636 be amended to state that while there was a technical violation of 2 U.S.C. §434(a)(1)(A)(i), said violation was unintentional, and that the civil penalty of \$250 be reduced to \$75, with the Committee given 90 days to pay same. It is my hope that upon the filing of the new Agreement we can completely

end any and all obligations and responsibilities with respect to the Federal Election Commission, that no further reports or letters need be filed either to or from the Commission and that in essence, the filing of the revised Conciliation Agreement will terminate and end the existence of the Committee to Elect Ken Petrello with respect to the June, 1978 primary federal election. Please advise me at your earliest possible convenience, as I am very anxious to have this matter resolved.

RE: MUR 636(78)

Dear Mr. Petrello:

Enclosed is a copy of the modified conciliation agreement which has been approved by the Commission. The first paragraph now includes the violation of 2 U.S.C. §434(a)(1)(A)(ii) for failing to file a 30 Day Post-Primary Election Report. Your Committee should submit a 30 Day Post-Primary Report with the signed conciliation agreement. If your committee does not have any outstanding debts and obligations, then the 30 Day Post-Primary Report may also be designated a termination report. This would conclude the committee's reporting obligations. Paragraph III C has been added in connection with the failure to file a 30 Day Post-Primary Report also.

Paragraph I has been changed to state that there were technical but unintentional violations of 2 U.S.C. §434(a)(1)(A)(i) and (ii). The civil penalty in Paragraph II has been reduced to \$75. The Commission has determined not to grant you an extension of time, as you requested, in which to pay the civil penalty.

If you agree with the present provisions of the enclosed conciliation agreement, please have your treasurer sign the agreement and return it along with the 30 Day Post-Primary Election Report and the civil penalty within ten days.

If you have any further questions, please contact
Michele Brown at (202) 523-4006.

Dear Ms. Brown:

With all due apologies and with a great sense of relief I am forwarding completed FEC Forms 3 for the following periods:

- a. 10th day preceding the California Primary
- b. 30th day followign the California Primary

As you have pointed out, these reports are quite late, but I personally am hopeful that the Commission's General Counsel will see fit to take these extenuating circumstances into consideration:

First, after I publicly announced my withdrawal from the race (right after the filing date) I thanked my volunteers and released them from any further responsibility to me. Since the withdrawal took place so soon after the filing date we all proceeded under the assumption that my name would be withdrawn from the ballot. Then, when we were informed that the name would remain I made it clear to all that I would not be campaigning. We had not even opened a campaign headquarters. At this point my family and I felt that we were out of the campaign for good. I then began to seek employment, and began to travel in and out of the area.

79010163329

79010163330

My volunteers disbanded, and even the CPA who had been "strongarmed" by me into accepting the post of Treasurer (he was an old college friend) moved his offices to another location.

I did, of course, receive the blank forms in the mail but I never had the means to fill them out because I had-- following everyone's advice--religiously avoided any contact with money coming in. All checks were received at the CPA's office, and all financial records were kept there. Thus, I found myself in a quandary.

At the same time, I was travelling in and around in search of employment. There simply was no communication.

The final problem came, of course, when the Commission's General Counsel moved to take action against me. I had just returned from a prolonged period of military service in Panama, but I located the new offices of the CPA and begged the secretary for an appointment so that I could explain the severity of the problem. The General Counsel's letter had not reached him at the new address, but I had my copy with me. He was very apologetic, and explained that he thought we could wait and submit all reports with the final, since activity on my campaign had ceased months ago, and I was no longer campaigning.

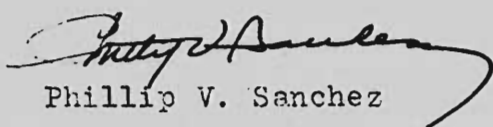

Nevertheless, he went through letters, receipts and all checks while I waited, and developed the enclosed reports. I sincerely hope they are satisfactory.

As. Brown, I sincerely hope that you and the Commission will agree that none of the factors involved in this delay were occasioned by any attempt to wilfully and actively

violate any laws. For me personally, it was an unfortunate tangle of circumstances.

I am back in Fresno, now. I do not anticipate any further travel for some time, and can be readily reached by phone or mail. I beg you and the Commission to take due note of the circumstances and issue a favorable ruling on my behalf, noting that any levy against my now defunct committee is actually a levy against me. And this is a levy which I obviously could not afford. Thank you for your consideration.

Sincerely,

Phillip V. Sanchez

The letters and conciliation agreements sent to B.E. (Happy) Henschel and his committee, My Principal Campaign Committee, were returned to the Commission. Mr. Henschel did send in a one page report on March 28, 1978 showing an expenditure of \$653 for filing fees. No other reports have been filed by him, nor has his committee filed any reports with the Commission. Under the new Non-Filer Procedures, the Office of General Counsel would not recommend conciliation because the Committee has not filed anything and the candidate lost the primary election receiving 6.9% of the vote. It is recommended that the Commission take no further action with regard to Mr. Henschel and My Principal Campaign Committee.

H. Ortiz for Congress Committee

The Ortiz for Congress Committee received its letter and conciliation agreement on September 22, 1978, however, no response has been sent in by the Committee. Under the new Non-Filer Procedures, the Office of General Counsel would not recommend conciliation because the Committee has not filed anything and the candidate lost the primary election after getting 3.4% of the vote. RE: MUR 636

Dear Mr. Spinosa:

On May 31, 1978, the Commission found reasonable cause to believe that your committee, the Tom Spinosa for Congress Committee, is in violation of 2 U.S.C. §434 for filing its 10 Day Pre-Primary Election Report late.

The Commission has a duty to attempt to correct such violations for a period of 30 days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. 2 U.S.C. §437g(a)(5)(A). If we are unable to reach an agreement during that period, the Commission may institute civil suit in the United States District Court and seek payment of a civil penalty not in excess of \$5,000.

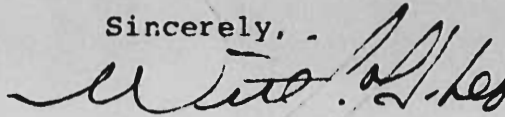

We enclose a proposed conciliation agreement that this office is prepared to recommend to the Commission in settlement of this matter.

If you agree with the provisions of the enclosed conciliation agreement, please sign and return it along with the civil penalty, to the Commission within ten days. I will then recommend that the Commission approve the agreement.

RE: MUR 636

Dear Mr. Boylan:

On May 31, 1978, the Commission found reasonable cause to believe that you are in violation of 2 U.S.C. §434 for failing to file a 10 Day Pre-Primary Election Report. Also, on June 8, 1978, reasonable cause to believe was found that you violated §432(e)(1) for failing to designate a principal campaign committee.

The Commission has a duty to attempt to correct such violations for a period of 30 days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. 2 U.S.C. §437g(a)(5)(A). If we are unable to reach an agreement during that period, the Commission may institute civil suit in the United States District Court and seek payment of a civil penalty not in excess of \$5,000.

Since a necessary provision of conciliation is the designation of a principal campaign committee and the filing of your 10 Day Pre-Primary Election Report, you should file an FEC Form 2 and a pre-primary report within ten days of receipt of this letter.

We enclose a proposed conciliation agreement that this office is prepared to recommend to the Commission in settlement of this matter.

If you agree with the provisions of the enclosed conciliation agreement, please sign and return it along with your FEC Form 2, your Pre-Primary Report and civil penalty, to the Commission within ten days. I will then recommend that the Commission approve the agreement.

GENERAL COUNSEL'S REPORT

Background

On June 26, 1978, the Reports Analysis Division referred to the Office of General Counsel the name of Harold Boylan as one of twenty four California candidates and committees which failed to file their 10 Day Pre-Primary Reports. The Reports Analysis Division referred the name of Harold Boylan to this office on July 13, 1978 for his failure to designate a principal campaign committee.

The reason to believe notice was sent to Mr. Boylan on May 29, 1978 for his failure to file a 10 Day Pre-Primary Report. The reasonable cause to believe notice was sent on May 31, 1978, and on September 13, 1978, the Commission voted to continue compliance action against Mr. Boylan by trying to conciliate with him.

On May 12, 1978, the reason to believe notice was sent to Mr. Boylan for his failure to designate a principal campaign committee; the reasonable cause to believe notice was sent on June 8, 1978. In a GC Report on MUR 647, which was distributed on a 48 Hour Tally Sheet basis on September 21, 1978, it was recommended that compliance action against Mr. Boylan be continued for his failure to designate a principal campaign committee through MUR 636. This recommendation was adopted by

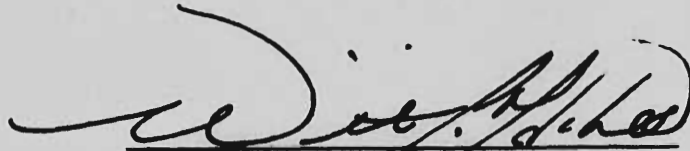

79040163363

the Commission on September 25, 1978. Attached to this report is a letter and conciliation agreement which we propose to send to Mr. Boylan which consolidates both violations.

Recommendation

It is recommended that the Commission approve the attached letter and conciliation agreement.

Re: Committee to Elect Ken Petrello - MUR 636

Dear Ms. Brown:

This office has sent you three letters regarding the above committee--one on October 4, 1978, a second on October 19, 1978 and a third on October 31, 1978. This is the fourth such letter.

We are extremely anxious to have this matter resolved and to be able to fully comply with any and all election laws and election requirements, but, after our discussions prior to my October 4 letter wherein we, hopefully, had this matter resolved, I received no reply advising how to terminate the responsibilities and obligations of the Committee.

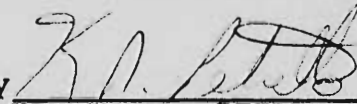

It would be greatly appreciated if you could communicate with this office or call, collect if necessary, so that we may try to correct this matter and get it resolved.

Your courtesy of a prompt reply would be greatly appreciated.

Dear Ms. Brown,

Following our phone conversation of 10/10/78 I offer the following for your consideration.

I was late on the today Pre-Primary report because;

1) I was following the instructions in the "Campaign Guide for Congressional Candidates and their Committees" dated Feb. 1978. This booklet in section II Filing Reports in Paragraph III instructed me to file reports quarterly on April 10, July 10, and October 10.

2) It was not until May 5 that I received your letter instructing me to file by May 25, 1978. I could not comply with this date because a big fund raiser was planned on May 7, 1978. This was not sufficient notice of date change, and I could not change the fund raising event date.

Financial information was dependant on too many variables to meet date of May 25.

- a) Ticketron had to summarize their ticket sale
- b) The Olympic Auditorium had to summarize their sales.
- c) Dillons (after party host) had to summarize their sales.
- d) I had to gather info. from these sources plus individual sales that the committee made themselves.

72040163371

3) The information needed to report accurately
our financial reports was too overbearing to
meet the date of May 28, 1978. Your letter
dated May 1, 1978 (a copy enclosed) just did
not allow me to meet the deadline.
If I had known of the date prior to May 1,
I would have changed the date of the
fund raiser.

Please call if you need more info. &
if you received this letter of explanation.
Although hurried I hope this letter will
establish acceptable evidence of the tardiness.

On October 4, 1978, after discussing this matter with you on the telephone, I sent you a letter proposing how we could resolve all the problems relating to the Committee to Elect Ken Petrello. Subsequently, I have spoken to Mike Maloney at the Federal Election Commission, and he was to send me a package of postcards for filing.

As of the date of this letter, I have not had a response to my October 4 letter directed to you, nor have I received any of the requested forms from the Federal Election Commission.

I am holding off filing any documents or taking any action until I hear from you so that we may continue our discussion relating to a complete resolution of all present difficulties and federal filings with respect to the Committee to Elect Ken Petrello.

Hoping to hear from you soon.

Dear Mr. Boylan:

On May 31, 1978, the Commission found reasonable cause to believe that you are in violation of 2 U.S.C. §434 for failing to file a 10 Day Pre-Primary Election Report. Also, on June 8, 1978, reasonable cause to believe was found that you violated §432(e)(1) for failing to designate a principal campaign committee.

The Commission has a duty to attempt to correct such violations for a period of 30 days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. 2 U.S.C. §437g(a)(5)(A). If we are unable to reach an agreement during that period, the Commission may institute civil suit in the United States District Court and seek payment of a civil penalty not in excess of \$5,000.

Since a necessary provision of conciliation is the designation of a principal campaign committee and the filing of your 10 Day Pre-Primary Election Report, you should file an FEC Form 2 and a pre-primary report within ten days of receipt of this letter.

We enclose a proposed conciliation agreement that this office is prepared to recommend to the Commission in settlement of this matter.

If you agree with the provisions of the enclosed conciliation agreement, please sign and return it along with your FEC Form 2, your Pre-Primary Report and civil penalty, to the Commission within ten days. I will then recommend that the Commission approve the agreement.

Re: Committee to Elect Ken Petrello
MUR 636

Dear Ms. Brown:

This will confirm our conversation of October 3, 1978, in which I informed you that it was my feeling that the Committee was misled on several occasions and/or lulled into a sense of security by various staff members of the Federal Election Commission.

On several occasions prior to the ten day Pre-Primary Federal Election Report being filed I personally called the Federal Election Commission and informed them of the problem that our original treasurer, Joseph Beldon, had left his family, left his job and left Southern California, and that the process of reconstructing the records was quite ~~difficult~~. On all occasions I was informed that there would be no problem while we were informing them by telephone. It was on this basis that our Pre-Primary Federal Election Report was filed twelve days late, which we admit. This late filing was not done as a result of any intentional disregard of the Commission's rules, but because we were led to believe that since we so informed the Commission of our accounting problems and used our best efforts, there would be no further problems.

I would recommend at this time that your original Conciliation Agreement MUR 636 be amended to state that while there was a technical violation of 2 U.S.C. §434(a)(1)(A)(i), said violation was unintentional, and that the civil penalty of \$250 be reduced to \$75, with the Committee given 90 days to pay same. It is my hope that upon the filing of the new Agreement we can completely

end any and all obligations and responsibilities with respect to the Federal Election Commission, that no further reports or letters need be filed either to or from the Commission and that in essence, the filing of the revised Conciliation Agreement will terminate and end the existence of the Committee to Elect Ken Petrello with respect to the June, 1978 primary federal election. Please advise me at your earliest possible convenience, as I am very anxious to have this matter resolved.

Very truly yours,

Dear Ms. Brown:

With all due apologies and with a great sense of relief I am forwarding completed FEC Forms 3 for the following periods:

- a. 10th day preceding the California Primary
- b. 30th day followign the California Primary

As you have pointed out, these reports are quite late, but I personally am hopeful that the Commission's General Counsel will see fit to take these extenuating circumstances into consideration:

First, after I publicly announced my withdrawal from the race (right after the filing date) I thanked my volunteers and released them from any further responsibility to me. Since the withdrawal took place so soon after the filing date we all proceeded under the assumption that my name would be withdrawn from the ballot. Then, when we were informed that the name would remain I made it clear to all that I would not be campaigning. We had not even opened a campaign headquarters. At this point my family and I felt that we were out of the campaign for good. I then began to seek employment, and began to travel in and out of the area.

79040163395

7 9 0 4 0 1 6 3 3 9 6

My volunteers disbanded, and even the CPA who had been "strongarmed" by me into accepting the post of Treasurer (he was an old college friend) moved his offices to another location.

I did, of course, receive the blank forms in the mail but I never had the means to fill them out because I had--following everyone's advice--religiously avoided any contact with money coming in. All checks were received at the CPA's office, and all financial records were kept there. Thus, I found myself in a quandary.

At the same time, I was travelling in and around in search of employment. There simply was no communication.

The final problem came, of course, when the Commission's General Counsel moved to take action against me. I had just returned from a prolonged period of military service in Panama, but I located the new offices of the CPA and begged the secretary for an appointment so that I could explain the severity of the problem. The General Counsel's letter had not reached him at the new address, but I had my copy with me. He was very apologetic, and explained that he thought we could wait and submit all reports with the final, since activity on my campaign had ceased months ago, and I was no longer campaigning.

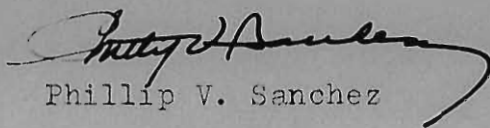

Nevertheless, he went through letters, receipts and all checks while I waited, and developed the enclosed reports. I sincerely hope they are satisfactory.

Ms. Brown, I sincerely hope that you and the Commission will agree that none of the factors involved in this delay were occasioned by any attempt to wilfully and actively

violate any laws. For me personally, it was an unfortunate tangle of circumstances.

I am back in Fresno, now. I do not anticipate any further travel for some time, and can be readily reached by phone or mail. I beg you and the Commission to take due note of the circumstances and issue a favorable ruling on my behalf, noting that any levy against my now defunct committee is actually a levy against me. And this is a levy which I obviously could not afford. Thank you for your consideration.

Sincerely,

Phillip V. Sanchez

Abstract The purpose of this study was to determine the effect of a 12-week, low-intensity, supervised walking program on the physical and psychological health of sedentary, middle-aged women. The study was a randomized, controlled trial. The subjects were 40 sedentary, middle-aged women who were randomly assigned to either a supervised walking program or a control group. The walking program consisted of 12 weeks of supervised walking, 3 times per week, for 30 minutes per session. The control group consisted of 20 women who did not participate in the walking program. The subjects were assessed at baseline and at 12 weeks. The walking program had a significant positive effect on the physical and psychological health of the subjects. The walking program significantly improved the subjects' physical health, as measured by the 6-minute walk test, and their psychological health, as measured by the Beck Depression Inventory and the State-Trait Anxiety Inventory. The walking program also significantly improved the subjects' quality of life, as measured by the SF-36. The walking program was well tolerated and had no adverse effects. The results of this study suggest that a 12-week, low-intensity, supervised walking program can improve the physical and psychological health of sedentary, middle-aged women.

Dear Ms. Razook:

On May 31, 1978, the Commission found reasonable cause to believe that your committee, the Committee to Elect Ken Petrello, is in violation of 2 U.S.C. §434 for filing its 10 Day Pre-Primary Election Report late.

The Commission has a duty to attempt to correct such violations for a period of 30 days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. 2 U.S.C. §437g(a)(5) (A). If we are unable to reach an agreement during that period, the Commission may institute civil suit in the United States District Court and seek payment of a civil penalty not in excess of \$5,000.

We enclose a proposed conciliation agreement that this office is prepared to recommend to the Commission in settlement of this matter.

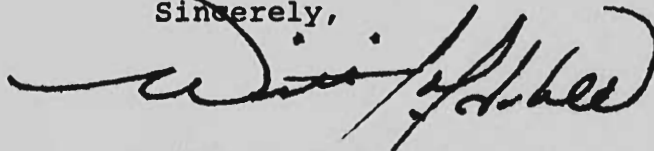

If you agree with the provisions of the enclosed conciliation agreement, please sign and return it along with the civil penalty, to the Commission within ten days. I will then recommend that the Commission approve the agreement.

Dear Mr. Ares:

On May 31, 1978, the Commission found reasonable cause to believe that your committee, the Ares for Congress Committee, is in violation of 2 U.S.C. §434 for filing its 10 Day Pre-Primary Election Report late.

The Commission has a duty to attempt to correct such violations for a period of 30 days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. 2 U.S.C. §437g(a)(5) (A). If we are unable to reach an agreement during that period, the Commission may institute civil suit in the United States District Court and seek payment of a civil penalty not in excess of \$5,000.

We enclose a proposed conciliation agreement that this office is prepared to recommend to the Commission in settlement of this matter.

If you agree with the provisions of the enclosed conciliation agreement, please sign and return it along with the civil penalty, to the Commission within ten days. I will then recommend that the Commission approve the agreement.

RE: MUR 636

Dear Mr. Willis,

On May 31, 1978, the Commission found reasonable cause to believe that your committee, the Howard Bingham for Congress Committee, is in violation of 2 U.S.C. §434 for filing its 10 Day Pre-Primary Election Report late.

The Commission has a duty to attempt to correct such violations for a period of 30 days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. 2 U.S.C. §437g(a)(5)(A). If we are unable to reach an agreement during that period, the Commission may institute civil suit in the United States District Court and seek payment of a civil penalty not in excess of \$5000.

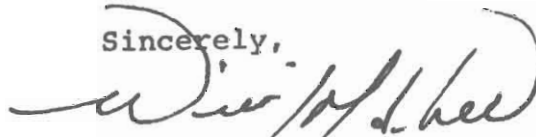

We enclose a proposed conciliation agreement that this office is prepared to recommend to the Commission in settlement of this matter.

If you agree with the provisions of the enclosed conciliation agreement, please sign and return it along with the civil penalty, to the Commission within ten days. I will then recommend that the Commission approve the agreement.

If you have any questions or suggestions for changes in the enclosed conciliation agreement, please contact Ms. Michele D. Brown, the staff member assigned to this matter, as 202/523-4026.

Sincerely,

William C. Oldaker
General Counsel

MUR 636

GENERAL COUNSEL'S REPORT

I. Background

On June 26, 1978, the Disclosure Division referred to the Office of General Counsel the names of twenty-four California candidates and committees which failed to file their 10 Day Pre-Primary Election Reports in violation of 2 U.S.C. §434(a)(1). The reports were due on May 27, 1978. The reason to believe notices were sent out on May 29, 1978 and the reasonable cause to believe notices were mailed on May 31, 1978. On June 3, 1978, a list of those candidates and committees which failed to file the 10 Day Pre-Primary Report were published.

II. Analysis

A chart ^{1/} showing the name of the respondent candidates and committees, the district, the party, the number and percentage of votes, the reports filed and the financial activity listed on the reports, and whether the RTB and RCTB notifications were received is found in Attachment I. A discussion of the General Counsel's recommendations as to each respondent follows.

^{1/} The numbers which appear after the respondents' names in the text correspond to the numerical listing of the respondents in the chart.

79040163500

A. Candidates who won the primary election unopposed and who have not filed reports.

Respondents Irv Sutley (1) and Harold Boylan (2) won the primary election as unopposed candidates. Sutley designated a principal campaign committee and filed a waiver with the Commission on March 30, 1978. As the committee did not file a statement of organization until May 30, the waiver was not granted and the candidate was tracked for the pre-election report. Boylan has never designated a principal campaign committee (he is a respondent in MUR 647 for this violation) and therefore the candidate was tracked for the pre-election report. The candidates have filed no reports with the Commission and so we have no indication of their financial activity. As these candidates won the election and have filed no reports, the General Counsel's Office recommends in accordance with the Commission's non-filing procedures dated May 23, 1978, that compliance action be continued through attempted conciliation.

B. Committee of a candidate who won the primary election unopposed, which has filed a report, and which had a substantial amount of financial activity.

Respondent Ares for Congress Committee (3) is the principal campaign committee of Henry Ares who won his primary election as an unopposed candidate. Mr. Ares filed a waiver with the Commission. The Ares for Congress Committee filed a Pre-Primary Report listing receipts and expenditures in the amount of \$25,481. Subsequently an amended report was filed listing receipts and expenditures in the amount of \$21,681. The Committee had also listed financial activity on previous reports in the amount of \$8,437.

As Mr. Ares won the election and as the Ares for Congress Committee listed substantial financial activity on its Pre-Primary Report, the General Counsel's Office recommends in accordance with the Commission's non-filing procedures dated May 23, 1978, that compliance action be continued through attempted conciliation.

C. Candidates who won the primary election unopposed, who have filed reports and who have had minimal financial activity and committees of candidates who won the primary election unopposed, which have filed reports, and which have had minimal financial activity.

Respondents Robert K. Watson (4) and Nicholas Kudrovzeff (5) won their primary elections as unopposed candidates. Mr. Watson did not file a statement of candidacy (in which he designated a principal campaign committee) and a statement of organization until June 6, 1978. Therefore, the candidate rather than the committee was tracked for the pre-election report. Mr. Kudrovzeff's principal campaign committee, the Nicholas Kudrovzeff for Congress Committee (6), is also a respondent for failure to file a timely 10 Day Pre-Primary Report. Mr. Watson, Mr. Kudrovzeff and the Nicholas Kudrovzeff for Congress Committee have now filed their Pre-Primary Reports. The Tom Spinoso for Congress Committee (7), the Committee to Elect Robert Goldsborough (8), the Committee to Elect Ida Bader (9), and the Wahl for Congress Committee (10), are respondent committees whose candidates won the primary election as unopposed candidates. Candidates Tom Spinoso and Robert Goldsborough filed waivers with the Commission. Candidates Ida Bader and Bernard Wahl filed timely 10 Day Pre-Primary Reports. All of the committees have now filed Pre-Primary Reports.

As Robert K. Watson, Nicholas Kudrovzeff, the Nicholas Kudrovzeff for Congress Committee, the Tom Spinoso for Congress Committee, the Committee to Elect Robert Goldsborough, the Committee to Elect Ida Baker and Wahl for Congress are either candidates who won the primary election or committees of candidates who won the primary election, the Commission's non-filing procedures dated May 23, 1978, would indicate taking further compliance action. However, the General Counsel's Office recommends taking no further action for the following reasons. All of the candidates and committees have filed their 10 Day Pre-Primary Reports. These reports indicate financial activity of receipts and expenditures of well under \$25,000. Further, all of the candidates ran unopposed. The General Counsel's Office believes that in this situation the availability of the Pre-Primary Report before the election is not as vital as when there are two or more competing candidates. Also, an additional reason

exists for taking no further action against the Committee to Elect Ida Bader and Wahl for Congress in that the candidates filed timely 10 Day Pre-Primary Reports.

D. Candidate who lost the primary election and who has not filed a report and committees of candidates who lost the election and which did not file reports.

Respondents Sanchez for Congress Committee (11), the Ortiz for Congress Committee (12), B. E. (Happy) Henschel (13), and My Principal Campaign Committee (Henschel) (14), have not filed their 10 Day Pre-Primary Reports. Candidates Phillip Sanchez and Phillip Ortiz filed waivers with the Commission. Phillip Sanchez, Phillip Ortiz, and B. E. (Happy) Henschel all lost their primary elections. In a telephone conversation between Phillip Sanchez and a Reports Analyst, Mr. Sanchez said that he had withdrawn from the race. He was told by the Analyst that because his name still appeared on the ballot, he would have to file a 10 Day Pre-Election Report and a 30 Day Post-Election Report. The Election Division of the Secretary of State of California was called by an Office of General Counsel staff member. They had no record of Mr. Sanchez withdrawing from the primary election. Because no Pre-Primary Reports were filed the General Counsel's Office attempted to look at other reports filed in 1978 by the respondents. In the case of B. E. (Happy) Henschel no conclusive indication of the amount of financial activity could be gleaned from the one report filed. None of the other respondents filed any financial reports in 1978. As these candidates have not filed their Pre-Primary Reports and we have no other indication of their financial activity the General Counsel's Office recommends, in accordance with the Commission's non-filing procedures dated May 23, 1978, that compliance action be continued through attempted conciliation.

E. Candidate who lost the primary election, who has not filed a report, but whose committee filed a timely report listing minimal financial activity.

Respondent Stephen Fox (15) has not filed his 10 Day Pre-Primary Report. However, the Steve Fox for Congress Committee has filed a timely Pre-Primary Report. The Committee

listed receipts and expenditures in the amount of \$5,000. He lost the primary election.

As the respondent lost his election, as his committee filed a timely Pre-Primary Report and as the committee listed minimal financial activity, the General Counsel's Office recommends, in accordance with the Commission's non-filing procedures dated May 23, 1978, that no further action be taken.

F. Candidate who lost the primary election, who filed a report, and who had minimal financial activity and committees of candidates who lost the primary elections, which filed reports, and which had minimal financial activity.

Respondent Jon Ainsworth lost the primary election receiving 4.4% of the vote. The Committee to Elect Ainsworth filed a timely report. As candidate Ainsworth did not request a waiver he was also required to file a report, which he has now done. Respondent Jim Massey (17) lost the primary election, receiving 19.5% of the vote. Mr. Massey's principal campaign committee, the Jim Massey Election Committee (18), is also a respondent for failure to timely file a 10 Day Pre-Primary Report. Both Jim Massey and the Jim Massey Election Committee have now filed Pre-Primary Reports. The Committee to Elect Ivaldo Lenci (19), Louis Allen Kreiss for Congress (20), Jo Bennitt for Congress Committee (21), and the Committee to Elect Danney E. Ball to Congress (22), are respondent committees whose candidates lost the election. Candidate Ivaldo Lenci, received 2.1% of the vote; Louis Kreiss, Jr., received 6.4% of the vote, Jo Bennitt received 30.9% of the vote and Danney E. Ball received 11.7% of the vote. All of these candidates filed waivers. All of the committees have now filed Pre-Primary Reports.

The General Counsel's Office recommends taking no further action against Jon Ainsworth, Jim Massey, the Jim Massey Election Committee, the Committee to Elect Ivaldo Lenci, Louis Allen Kreiss for Congress, Jo Bennitt for Congress Committee and the Committee to Elect Danney E. Ball to Congress for the following reasons. All of the candidates and committees have filed their 10 Day Pre-Primary Reports. These reports indicate financial activity of receipts and expenditures of well under \$25,000. Further the respondent

candidates and the candidates of the respondent committees all lost their primary elections, receiving under 30% of the vote except in the case of Jo Bennitt.

The Commission's non-filing procedures dated May 23, 1978 would indicate taking further action against the Jo Bennitt for Congress Committee as the candidate received over 30% of the vote. However, as the vote percentage only exceeded the criteria limit by .9%, and as the Committee filed its report listing only \$3,384 in receipts and expenditures it is recommended that no further action be taken against the Jo Bennitt for Congress Committee.

G. Committee of candidate who received over 30% of the primary vote, which filed a report and which had substantial financial activity.

Respondent Committee to Elect Ken Petrello (23) is the principal campaign committee of Kenneth R. Petrello who lost his primary election but received 33% of the vote. Mr. Petrello filed a waiver with the Commission. The Committee to Elect Ken Petrello has now filed a Pre-Primary Report. The report lists receipts and expenditures in the amount of \$13,810. The Committee also listed financial activity on previous reports in the amount of \$31,201.

As Mr. Petrello received 33% of the vote and as the Committee to Elect Ken Petrello listed substantial financial activity on its Pre-Primary Report, the General Counsel's Office recommends, in accordance with the Commission's non-filing procedures dated May 23, 1978, that compliance action be continued through attempted conciliation.

H. Committee which filed a report and which has activity in excess of \$25,000.

Respondent Howard Bingham for Congress Committee (24) is the principal campaign committee of Howard Lenard Bingham who lost his primary election. Mr. Bingham filed a waiver with the Commission. The Howard Bingham for Congress Committee has now filed a Pre-Primary Report. The report lists receipts and expenditures in the amount of \$75,098. The Committee also listed financial activity on previous reports in the amount of \$22,869.

As the Howard Bingham for Congress Committee listed financial activity in excess of \$25,000 on its Pre-Primary Report, the General Counsel's Office recommends, in accordance with the Commission's non-filing procedures dated May 23, 1978, that compliance action be continued through attempted conciliation.

Re: MUR 636

Dear Mr. Sutley:

On May 31, 1978, the Commission found reasonable cause to believe that you are in violation of 2 U.S.C. §434 for failing to file a 10 Day Pre-Primary Election Report. Your request for a waiver was not accepted because a Form 1 was not received for your committee.

The Commission has a duty to attempt to correct such violations for a period of 30 days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. 2 U.S.C. §437g(a)(5)(A). If we are unable to reach an agreement during that period, the Commission may institute civil suit in the United States District Court and seek payment of a civil penalty not in excess of \$5,000.

Since a necessary provision of conciliation is the filing of your 10 Day Pre-Primary Election Report, you should file your report within ten days of receipt of this letter.

We enclose a proposed conciliation agreement that this office is prepared to recommend to the Commission in settlement of this matter.

If you agree with the provisions of the enclosed conciliation agreement, please sign and return it along with your Pre-Primary Report and civil penalty, to the Commission within ten days. I will then recommend that the Commission approve the agreement.

If we are unable to reach an agreement during that period, the Commission may institute civil suit in the United States District Court and seek payment of a civil penalty not in excess of \$5,000.

Since a necessary provision of conciliation is the filing of your 10 Day Pre-Primary Election Report, you should file your report within ten days of receipt of this letter.

We enclose a proposed conciliation agreement that this office is prepared to recommend to the Commission in settlement of this matter.

If you agree with the provisions of the enclosed conciliation agreement, please sign and return it along with your Pre-Primary Report and civil penalty, to the Commission within ten days. I will then recommend that the Commission approve the agreement.

MUR 647(78)

GENERAL COUNSEL'S REPORT

I. BACKGROUND:

On July 13, 1978, the Reports Analysis Division referred the names of respondents to the Office of General Counsel for their failure to designate principal campaign committees. Reason to believe was found on May 3, 1978 and reasonable cause to believe was found on June 8, 1978 that Philip Vernon Baker was in violation of 2 U.S.C. §432(e)(1) for his failure to designate a campaign committee. Reason to believe was found on May 12, 1978 and reasonable cause to believe was found on June 8, 1978 that Harold Boylan was in violation of 2 U.S.C. §432(e)(1) for his failure to designate a campaign committee.

II. ANALYSIS:

A. Philip Vernon Baker:

Philip Baker was a candidate for the Democratic nomination for the 3rd Congressional District in the Kentucky primary held on May 23, 1978. Subsequent to the referral by Reports Analysis, Mr. Baker designated a principal campaign committee pursuant to 2 U.S.C. §432(e)(1) and Commission regulations at 11 CFR 102.11. This designation was received by the Commission on July 13, 1978.

In light of this designation, the Office of General

79040163564

Counsel is recommending that no further action be taken with respect to Mr. Baker and to close the file in this matter.

B. Harold Boylan:

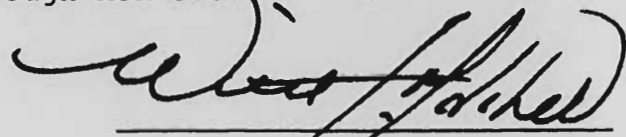

Harold Boylan was a candidate for the nomination of the American Independent Party in the California primary of June 6, 1978. Mr. Boylan was unopposed in the election. As of this writing, Mr. Boylan has failed to designate a principal campaign committee.

Mr. Boylan is also a respondent in MUR 636 for his failure to file his 10 day pre-primary report. On September 13, 1978, the Commission determined to continue compliance action against Mr. Boylan for his failure to file the 10 day pre-primary report through conciliation. As Mr. Boylan is a respondent in MIR 636 as well as in this MUR, and as both MUR's are concerned with the failure to file required reports, it is recommended that the two compliance actions against Mr. Boylan be consolidated and that this matter be continued through MUR 636.

III. RECOMMENDATION:

1. Take no further action and close the file with respect to Philip Vernon Baker; and
2. Continue compliance action against Harold Boylan for failure to designate a principal campaign committee through MUR 636.

Dear Mr. Baker:

It has come to the attention of the Federal Election Commission that the Statement of Candidate (FEC Form 2) filed by you omitted certain information required by the Federal Election Campaign Act. Specifically, you have failed to designate a principal campaign committee and to file a Statement of Organization for that committee.

Your failure to provide complete and accurate information required on FEC Form 2 gives the Commission reason to believe that you are in violation of 2 U.S.C. Section 432(e)(1) and 11 CFR 102.11.

The Commission will take no action against you until you have had a reasonable opportunity to respond to this notice. Your response should be mailed to the Commission at the above address within fifteen (15) days from the date of this letter. A copy of your response should also be filed with your Secretary of State or the equivalent state officer.

If you have any further questions, please contact Bobby Werfel in our Reports Analysis Division on the toll free number (800) 424-9530. Our local number is (202) 523-4048.

Dear Mr. Baker:

You have been notified by certified mail that you have not amended your statement of a Candidate (FEC Form 2) to designate a principal campaign committee and to have a Statement of Organization file for that committee. As of this date, we have received no response from you.

Your continued failure to provide complete and accurate information gives the Commission reasonable cause to believe that you are in violation of 2 U.S.C. 432(e)(1) and 11 CFR 102.11. You are hereby afforded a reasonable opportunity to demonstrate why no action should be taken against you.

REPORTS ANALYSIS REFERRAL UPDATE

*ORIGIN: REPORTS ANALYSIS DIVISION

DATE 28 November 1978 ANALYST Beverly White
TO: Office of General Counsel TEAM CHIEF Peter Kell
ATTENTION: Gary Johansen
Michelle Brown COMPLIANCE REVIEW Bobby Werfel
THROUGH: STAFF DIRECTOR A.L. for O.S.A.
FROM: ASSISTANT STAFF DIRECTOR FOR REPORTS ANALYSIS DH

MUR No. 636 DATE OF ORIGINAL REFERRAL June 26, 1978

**PURPOSE:

On October 26, 1978, the Clerk of the House received several documents from (apparently) Harold Boylan (CA/12). The analyst decided that the FEC Form 2 would be an amended Form 2 for the candidate. The FEC Form 3 without the signature would be a new October 10 Quarterly Report and the FEC Form 3 with the signature would be an amended October 10 Quarterly Report. The analyst determined that the financial documents were grossly inadequate because there were no coverage dates indicated, no particular reporting period was noted on Question 4, and the only indication of who the reports are for is by the signature. The reports were coded and entered as October 10 Quarterly reports because they were submitted at approximately the same time as the October 10 Quarterly Report was due.

OUTCOME: (if applicable) Although neither report qualifies as a 10 Day Pre-Primary Report, the Summary Pages are being forwarded because on September 29, 1978, OGC recommended that conciliation be attempted.

*Commission unit which initiated original Referral (e.g. AUDIT/RAD/OGC).

**INFORMATION, or RESULTS OF RAD ACTION, as appropriate.

NAME: Phillip Sanchez, candidate, to Shawn Woodhead

DATE: 26 September 1978

NAME OF COMMITTEE OR CANDIDATE SANCHEZ FOR CONGRESS CA/21

TELEPHONE NUMBER:

Mr. Sanchez called in reference to the letter which had been sent to the treasurer of the PCC concerning the fine and the legal action which is being taken against the PCC. He said that the letter had been sent to the treasurer who had since moved and he (the candidate) had just gotten the copy. He always referred to the letter which OGC sent on August 18th and the conversation which we had had on the 19th of August (our conversation occurred on the 19th of September). He wanted to know why all of this (the legal action) if he had been in contact with me - that he could not understand why all of the sections of the FEC could not keep in touch with one another. I explained that the letter went out on the 18th and out conversation on the 19th followed the letter. I told him to contact OGC and ask for the attorney who is handling the case - that that was now a matter between the OGC and the PCC. He asked me then if I was "washing" my hands of the matter and I explained that since OGC sent the letter and was more familiar with the case at this point, he should contact them. In addition, I explained that RAD deals with certain areas of the FECA and the Regs and that OGC handles other areas. Mr. Sanchez said that he is now keeping explicit notes of all conversations. I again stressed to him that OGC is the office better able to handle this matter and if he would like to discuss the matter he should contact an attorney. He said that he would do so immediately.

FROM: Steve Fox, candidate, to Shawn Woodhead

DATE: 21 September 1978

COMMITTEE: STEVE FOX FOR CONGRESS
STEPHEN H. FOX - CANDIDATE

Mr. Fox called to say that he had gotten some forms in the mail yesterday and that he wanted me to help him fill them out immediately (ten minutes) because he had to get to work. I obtained the files and the candidate owes a 10D Pre, 30D Post, and Q2 reports in addition to the PCC owing a 30D Post. He said that he had had no financial activity apart from that reported by the PCC. I therefore instructed him to xerox some additional Summary Pages of the Form 3 to complete for the reports owed by him. Each report owed should have the correct coverage dates (given to him) and the correct report marked (given to him). All of the lines on the Summary Page for each report should be marked \$00.00 if as he told me there had been no separate financial activity. I also told him to submit the 30D Post for the PCC. He wanted, in the beginning of the conversation, to know how to avoid submitting duplicate reports. I explained the waiver process briefly and said that we would discuss that after the financial reports were straightened out. However, Mr. Fox said that he had to leave for work and thus we did not discuss the method of amending the Form 2 for future reporting.

Yesterday afternoon, the request for additional Form 3's to be sent to the candidate was submitted to Public Info. Apparently, the additional set which he obtained was for the Q3 report.

MUR No. 636 (78)

DATE OF ORIGINAL REFERRAL 26 June 1978

PURPOSE: **INFORMATION

The attached telecon refers to a conversation with Mr. Phillip Sanchez (candidate) whose principal campaign committee (PCC), Sanchez for Congress Committee, failed to file the 10 Day Pre-Primary Report and the 30 Day Post-Primary Report. The post-publication telephone call by the Non-Filer Team of RAD initiated the conversation.

OUTCOME: (if applicable)

ommission unit which initiated original Referral (e.g. AUDIT/RAD/OGC).
FORMATION, or RESULTS OF RAD ACTION, as appropriate.

TELECON

FROM: Mr. Sanchez, candidate, to Shawn Woodhead

DATE: 20 September 1978

COMMITTEE: SANCHEZ FOR CONGRESS COMMITTEE

CA/15

Mr. Sanchez returned my telephone call of the 18th of September and wanted to know what I wanted (I had originally called in reference to the 30 Day Post-Primary Report for the PCC). I explained that the 30 Day Post-Primary Report had not yet been received and that OGC referral would occur this Monday. He said that he had withdrawn from the race prior to the election and therefore did not know what the reasons were for his having to file. I immediately checked with Bev White who said that she had also previously informed him of his PCC's requirements for filing (the PCC had not filed the 10 Day Pre-Primary Report, either) and that his name was still on the ballot list received from the California Secretary of State and he was therefore being tracked for the 10 Day and 30 Day reports. I explained the situation to Mr. Sanchez. He stated that the financial activity of the PCC had ceased prior to 23 May 1978 (the closing date of the books for the 10 Day Pre-Primary report) and he could not understand why the reports were required. I again explained that the FEC does not arbitrarily pursue candidates but relies upon the ballot lists which are provided by the secretaries of state. Thus, the information which the FEC had from the California Secretary of State was that he was on the ballot for the primary election.

I told him in depth the reports required, the necessary coverage dates, and the use of the Form 3 for the submission of the reports. When I inquired if he had copies of the Form 3, he said that he had just received something in the mail from the FEC the other day (as it turned out it was a Form 3 and a 3a postcard). I told him that the 3a postcard would not suffice for the 10 Day and the 30 Day reports - that a Form 3 was necessary. Mr. Sanchez said that he would do what he could about the matter but did not believe the reports to be necessary because of the aforementioned circumstances.

NOTE: After speaking with Bev White concerning the PCC, I informed Mr. Sanchez that he had been informed of the PCC reporting requirements by Bev White in earlier conversations.

FROM: NON FILER COORDINATOR

RE: REFERRAL UPDATE

The attached should be included in the Reports Analysis Division's referral of non-filers.

79010163612

TELECON

NAME: Shawn Woodhead to Jon Ainsworth

DATE: 26 June 1978

NAME OF COMMITTEE OR CANDIDATE JON AINSWORTH CA/31

TELEPHONE NUMBER: 213-515-6249 (cand.) 213-995-6858 (att. - Mr. Singer) 213-632-6832 (treas. - Mrs. Morgan)

I spoke with Mr. Ainsworth concerning the 10 Day Pre-Primary report which had not yet been filed by the candidate in California. The PCC had filed. Mr. Ainsworth said that the treasurer of the PCC and his attorney would be more familiar with the case than would he. I explained that on his Form 2 he had not requested a waiver and he had submitted a Year End 1977 report for himself. He again referred me to the aforementioned individuals.

I attempted to contact both Mr. Singer and Mrs. Morgan on Monday but was unable to reach them.

DATE: 30 June 1978

NAME OF COMMITTEE OR CANDIDATE: JON AINSWORTH

I again attempted to reach either Mr. Singer or Mrs. Morgan. There was no answer at Mr. Singer's telephone number and there was a busy signal at Mrs. Morgan's telephone number.

TELECON

NAME: Phillip Sanchez, candidate, to Shawn Woodhead

DATE: 30 June 1978

NAME OF COMMITTEE OR CANDIDATE SANCHEZ FOR CONGRESS CA

TELEPHONE NUMBER: (see previous telecons)

Mr. Sanchez said that he had been away for a while and therefore had just recently been aware of the 10 Day Pre-Primary report which needed to be filed for California. He wanted to know if it had yet been received. I told him no that we had no record of it being submitted. I told him to get moving on submitting something immediately since the name of the PCC had been referred to OGC for further action.

After discussing the filing with Bev White, I told Mr. Sanchez to have the PCC also submit a 30 Day Post-Primary report and mark it Termination. He said okay.

TELECON

NAME: Mrs. Morgan, treasurer, to Shawn Woodhead

DATE: 6 July 1978

NAME OF COMMITTEE OR CANDIDATE JON AINSWORTH CA/31

TELEPHONE NUMBER:

Mrs. Morgan telephoned; she had been in contact with the candidate who informed her of our telephone conversation. I told her that I had attempted to reach her last week but had been unsuccessful. I told her to have the candidate file a 10 Day Pre-Primary, 30 Day Post-Primary, and an amended Form 2 requesting a waiver. She said that he was out of town so could she sign the reports. I told her "no" but possibly she could contact the candidate, send the reports to him, and let him sign them and return them. She said that she would attempt to get them in as soon as possible.

FROM: Ivaldo Lenci to Ron Skarka

(916) 363-9078

DATE: 5/31/78

NAME OF COMMITTEE: Committee to Elect Ivaldo Lenci CA

Mr. Lenci called regarding a non-filer mailgram he had received for the 10-Day Report. He said that the committee had sent a 3a Postcard since the committee did not receive or expend \$1000. I told him that for the 10D and 30D Reports a postcard was not sufficient. He said that he would mail a detailed report today. I told him that he would still receive a second notice but he should send the report today and ignore the second notice. He wanted to know if he had still broken the law, I told him If he mailed the report today that it will be o.k.....

NAME OF COMMITTEE: Committee to Elect Ivaldo Lenci
(916)363-9078

Ms. Lenci wanted to know if we had received the Committee's report yet. It has been mailed on June 1. I told her that we had not. She wanted to know if everything would be alright, since the report had been mailed. I told her that since the report had been delinquent, the committee's name had been released to the press. She knew that. I also told her that eventually non-filers would be referred to the legal department, but since she had mailed the report we should probably be receiving it within the next couple of days. I told her that I would call her when we received it if she would like.

RE: TELECON

FROM: Harold Boylan to Bev White

DATE: 6/15/78

NAME OF COMMITTEE: none

PHONE: (408) 275-6091

Mr. Boylan called about a piece of mail he had received from the Commission which told him that he was a non-filer. He also said he has received a lot of certified mail from the Commission which he had, and would continue, to refuse. I told him that he was in two of our non-filer tracks, (a) for not designating a principal campaign committee, and (b) for not filing a 10D report. He informed me that he had no committee and had spent no money. I told him that the Regulations still required both and he began to polemicize over the amount of tax money we were wasting, etc.. (he is a member of the National Tax Strike).

Finally, I told him that if he continued to refuse the certified mail and didn't satisfy his filing obligations, his name would be referred to the Office of General Counsel. He asked to speak with someone from OGC and I told him he would have to call back and request that office. (He did call back & spoke to someone in Information and taped the call)

Mr. Goldsborough had received a mailgram and said that he didn't mail the report because he didn't have the forms. I explained that we still need a 10 Day report. MEMORANDUM FOR FILES

RE: TELECON

FROM: Beverly White

DATE: April 27, 1978

NAME OF CANDIDATE/COMMITTEE: Mr. Phillip Sanchez

PHONE: 209 291-6827

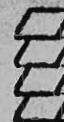

I called Mr. Sanchez because in a previous call he had told me he was withdrawing from the race. At that time I told him that he would have to send us a letter of withdrawal. I later learned from Dick Thomas that Mr. Sanchez's name was still on the ballot. Therefore, I called him to tell him that as long as his name was on the ballot he would have to send us a 10 Day and 30 Day report. He said that he knew that his name was still on the ballot, that apparently he had withdrawn too late to have it taken off but he was planning to sue to have it removed. When I hung up he seemed to understand that if his name was indeed on the ballot he would be required to file reports.

RE: Ken Petrello, candidate, to Shawn Woodhead

DATE: 30 May 1978

NAME OF COMMITTEE: COMMITTEE TO ELECT KEN PETRELLO

CA/21

213-933-9327 (his office)

Mr. Petrello called concerning the YE 1977 non-filer, April 10 non-filer, and the 10 Day Pre-Primary non-filer lists. He said that the treasurer had suddenly left earlier this year and all the bookkeeping had fallen behind. He said that he had been working on the books, using the Form 6, to attempt to get the books balanced. He said that they could track all receipts but that contributions from contributed items and certain expenditures were causing the PCC figures to be off.

After explaining the proper reporting of all contributed items to be auctioned off (re: pages 14 - 18 in the Bookkeeping Manual), he said that they had been including the contributed item in their receipts, not making it simply a memo entry. He thought that that would solve the problem.

He said that all three reports would be sent by air express tomorrow to the Clerk of the House. I stressed the necessity of just getting the reports in regardless of whether the figures were correct. He said that he understood. He also wanted to know if a letter of explanation should be submitted. I told him that it might be good idea so that some explanation is on the public record. He said that the public record did not concern him but just wanted to know if he should submit something. . . I suggested so.

JIM MASSEY, CANDIDATE

213-385-4003 (Ms. Goodbody)

Ms. Goodbody called in reference to the 10 Day Pre-Primary RTB mailgram which she had just received. She wanted to know how to file for the PCC. I told her to send in all the relevant information which would be on a Form 3 in the form of a mailgram. She said that no receipts were in excess of \$100 and therefore all receipts would be reported as unitemized. All expenditures would be similarly handled. All the relevant information for the Schedule C should also be included since the candidate had loaned the PCC funds.

However, the candidate has had no financial activity apart from the loans and reimbursed expenses channeled through the PCC. I told her to have the candidate send in a Form 3 via the form of the mailgram with "0" figures for the information on the S.P. In addition, the candidate should submit an amended Form 2 requesting a waiver. She said fine that all three would be forthcoming.

Mr. Ares called in reference the the publication of the PCC's name as a non-filer. He said that he wanted to know if he could submit a letter of explanation as to the reasons for the delay of the report's submission. I told him that he was welcome to do that if he wished. He will probably write it to my attention since he felt that it should be to someone's attention.

7 June 1978

OF COMMITTEE:

ARES FOR CONGRESS

CA/30

Mr. Ares called in reference to the RCTB mailgram for the 10 Day Pre-Primary nonfilers for California. He said that he had just gotten it yesterday. He wanted to know if we had received it. I told him that it came in today's mail - received 6/8/78 by Clerk. He asked me when it was sent; I told him that it had a certified date of June 5th. He said that the treasurer had told him that it had been sent out last week, not this week. I told him that those were the dates and that I could do nothing about them.

Mr. Ares did not seem upset at the FEC - he seemed more upset at his treasurer, whom he said is being replaced by an accounting firm. Apparently, there had been additional troubles. He asked if he had to respond to the mailgram and I said no since the report had been received. However, I did tell him that that did not preclude any further action which the Commissioners might elect to take.

He said that the next report would be most definitely filed early and on time.

COMMITTEE: IDA BADER, candidate

CA/

213-375-7710

Ms. Bader called in reference to the publication on Saturday of her PCC as a co-filer for the 10 Day Pre-Primary report. As had been discovered earlier in the morning, the PCC report (in the form of a mailgram) had been received at approximately 9:30 a.m. in the Clerk's office; however, the update received from the Clerk's office had not listed her PCC as having filed either the 10 Day Pre-Primary report or an "other" report. Ms. Bader wanted to know what we were going to do about the publication.

I spoke with Bobby and Peter who suggested that I tell her that I would get back to her within the hour after I had seen the report. I did so and she said fine.

OF COMMITTEE:

The candidate has filed her 10 Day Pre-Primary report for California but her committee has not filed. Ms. Bader explained that there is no separate activity apart from her candidate report. After I explained the timetable for publication, I suggested to her that she send a maigram notifying us that the committee did not receive or expend any funds apart from the candidate report for the period 4/1/78-5/21/78. She seemed agitated by this, but she said that she will send that out today.

RE: or COMMITTEE:

COMMITTEE TO ELECT DANNEY BALL TO CONGRESS

CA/32

714-658-6494 (candidate)

714-925-8776 (treasurer)

Mr. Ball called in reference to the publication of the PCC on Saturday for nonfiling of the 10 Day Pre-Primary. He said that he had contacted the treasurer who informed the candidate that the report had been mailed before the original deadline and then had mailed out copies. Mr. Ball said that he did not know how and when the report was sent. He suggested that I contact the treasurer. I also explained to Mr. Ball that I had attempted to reach both he and the treasurer on Thursday.

I spoke with Mr. Davidson who said that he had mailed the original report by regular mail on 5/23/78. He said that he then sent more copies on late Thursday again by regular mail because he did not feel like waiting in line at the post office for everyone to pick up their Social Security checks. I explained that we had needed the report by close of business on Friday to have any chance to keep the name of the PCC off of the nonfiler list. I also stressed the importance of sending documents to either the Clerk or the FEC by certified or registered mail. He said that he would send them again via the mailgram process (with all attached schedule information) this afternoon after he calls back at 4 p.m. to verify its receipt.

Another rematch will take place in the 1st District where Rep. Harold T. Johnson, D, easily turned back two Democrats in the primary to face Republican James E. Taylor once again in November.

With a different name, Pat Lear will try again to unseat Rep. Barry M. Goldwater Jr., R, in the 20th District. Lear ran in 1976 as Patti Lear Corman, the wife of Rep. James C. Corman. Now divorced, she won 64 percent in the Democratic primary.

Lear is one of seven women — three Democrats and four Republicans — who won House nominations. The state is losing both its women House members this year. And, like Lear, all seven women nominees face uphill battles in November.

The one with the best chance, is Republican Sandy Smoley in the 3rd District, being vacated by John E. Moss, D. But her strength was brought into question when a little-known physician/attorney who hardly campaigned picked up 37 percent of the Republican primary vote.

Smoley also was not helped by a mild upset in the Democratic race, in which Robert T. Matsui outspent his two serious rivals to win the nomination. Matsui spent more than \$150,000 on the primary, compared to about \$80,000 for the favored candidate, Eugene T. Gualco. As the most conservative Democrat in the race, Matsui will probably draw Republicans away from Smoley in this Democratic district.

There were half a dozen other open seats in the state including the 28th District, being vacated by Rep. Yvonne Brathwaite Burke, D, who won a close race for the state attorney

general's nomination. With no Republican filing in the black, middle-class district, the easy primary winner, state Assemblyman Julian C. Dixon, is assured of once again following Burke's footsteps. He took over her state assembly seat in 1972 when Burke moved to Washington.

Dixon's comfortable 48-34 margin over state Sen. Nate Holden was attributed to his support from the state's leading politicians, as well as sophisticated targeted mailings, bringing his campaign cost to more than \$110,000.

In two of the open seats, the Republican nominee is strongly favored. In the 37th District, held by retiring Rep. Shirley N. Pettis, R, state Assemblyman Jerry Lewis trounced his four GOP opponents. He will face a political novice, Dan Corcoran, who was held to 58 percent in the Democratic primary against a little-known opponent from the sparsely populated end of this huge district.

The other Republican beginning with the odds heavily on his side is state Assemblyman William E. Dannemeyer in the 39th District. Trying to succeed Rep. Charles E. Wiggins, R, in this Orange County district, he will face Wiggins' former Democratic foe, William E. Farris. Farris, relying on better name recognition from his two previous losses, easily turned away a well-organized challenge by Fred Droz.

In the marginal 33rd District in southeastern Los Angeles County, two candidates with good ballot position and strong organizations came out on top of a pile of 17 contenders. Republican Wayne Grisham, a La Mirada

councilman won the GOP nod with 24 percent. He promised to carry on the tradition of the popular retiring incumbent Del Clawson. Grisham's two closest opponents, Albert C. Zapanta and William L. Greene, both won 20 percent. On the Democratic side, George S. Kazarian, an aide to neighboring House member George E. Danielson, benefited from his position at the top of the ballot and also a heavy last-minute direct-mail drive. He emerged with 22 percent, enough to win the 10-way Democratic primary. Kazarian and Grisham will square off in what should be a close race in November.

Democrats are favored to hold on to the two remaining open seats in the northern part of the state. In the 4th District, as expected, state Assemblyman Vic Fazio easily won the Democratic nomination to succeed Robert L. Leggett. Fazio will face Rex Hime, once an aide to former Gov. Ronald Reagan.

Retiring Rep. B. F. Sisk saw his long-time aide Tony Coelho demonstrate a solid vote-getting ability as he won the Democratic nomination in the 15th District by better than a 3-to-1 margin. Coelho's fall opponent, Chris Patterakis, did not fare as well as expected against Carol Harner, who was making her fourth bid for the House.

In another race, on her second try to topple 11-term incumbent John J. McFall, D, Norma Lowry more than doubled her vote, winning 31 percent. Lowry's improved showing gives added hope to the Republican primary winner, Norman D. Shumway, who is considered to be McFall's most serious opponent in recent years.
