RE: MUR #6367**

Response to Complaint

In the official complaint filed by James P. Moody on August 27, 2010 against *Veterans for the Constitution* and Robert Schilling, there were allegations levied against Mr. Schilling. In his complaint, Mr. Moody accuses Mr. Schilling of working in coordination with the *Veterans for the Constitution* to raise funds and to construct a billboard. We find these claims to be unsubstantiated and without evidence.

The Schilling campaign did not have any coordination with *Veterans for the Constitution* and the erection of their billboard. The Schilling campaign did not communicate with Veterans for the Constitution on this matter. The Schilling campaign did not request, suggest or assent this advertisement.

Please continue to provide our campaign with instructions on how to proceed with this situation.
