Re: MUR 6373 dated September 17, 2010

Dear Mr. Jordan,

This letter is the campaign's response to the allegations contained in MUR 6373.

To their point regarding timely filing of FEC Form 1 and Form 2:

The campaign contacted the FEC Compliance Division to clarify that the Form 1 is due not later than 10 days after raising or spending \$5000. Once this threshold was passed, the Form 1 was sent via USPS along with the Form 2. The Compliance Division stated that since the Form 3 wasn't due until after the end of the first quarter, no report was due for the first quarter and receipts and disbursements from that period would be included in the second quarter report.

On June 17, 2010, the FEC Analyst for this area sent a letter stating that the incomplete Form 1 had not been received. The campaign immediately responded by uploading the complete Form 1 to the FEC website.

As stated, the Form 2 was submitted in the same envelope as the Form 1 via USPS and it was posted on the FEC website on April 20, 2010.

To their points regarding disclosing contributions and receipts:

The campaign fully discloses all contributions. The complaint is vague in this area. However, the campaign relies upon the Treasurer's best efforts to obtain required information when it is not provided upon the initial request for contributions. A follow up letter is sent within seven (7) days of receipt of a contribution lacking any items of information.

The campaign fully discloses all disbursements, and would be happy to add additional information for any disbursement for which the FEC requests additional clarification.

Sincerely,

Fred Meyer
Treasurer
