

Mr. Hampton,

In Reference To Complaint : MUR #6374

I have been informed that Mrs. Ros a member of the Republican Party Committee has filed a complaint against me and my candidacy. This person is a partisan who is openly supporting my opponent and this accusation seems to be nothing more than an attack that unfortunately is wasting taxpayer money and your valuable time.

I, Jose Rolando Arrojo, filed to run for congress in Florida's 25<sup>th</sup> congressional district. I filled out and signed the appropriate paperwork with the state of Florida on April 28<sup>th</sup>, 2010. This included paying the filing fee required to run in Florida.

Additionally, I have filed FEC Forms 1 and 2 and a financial disclosure form with your office.

My understanding is that under the Federal Campaign Act of 1971 I am not required to file contribution and expenditure reports with the Federal Elections Commission until I have raised or spent at least \$5000.00. I have not raised or spent this amount to date and thus have not filed any quarterly reports to date.

If I have made an error or mis-interpreted the law please let me know and I will be happy to send in any documents needed.

Thank you.
