Re: MUR 6388

Dear Ms. Hampton:

In response to your phone call and fax, Ms. Fein informed me that on Tuesday November 9<sup>th</sup> a response was hand delivered to the Office of General Counsel regarding MUR 6388. Ms. Fein apparently filled out her financial disclosure incorrectly reflecting a monthly amount instead of an annual amount. She has amended her financial disclosure statement.

She had sufficient income to make the personal loans and contributions to the committee.

Sincerely,

Kelly Lawler

Treasurer, Mattie Fein for Congress
