RE: MUR 6422

Dear Mr. Jordan:

I am writing on behalf of Marjorie "Missy" Reilly Smith and myself regarding the supplement to the complaint, MUR 6422, filed by Ms. Elizabeth Kingsley on December 21, 2010.

Regarding Mr. Richard Retta's donation which exceeded the legal allowable amount: Mr. Richard Retta's son, James Retta, currently lives in Taiwan. He wanted to make a \$200 donation to Missy's campaign and to do so he wired the money into his father's bank account. On October 26, 2010, Mr. Richard Retta made his \$2400 donation in one transaction and his son's \$200 donation in another. At the time the donations were deposited I did not notice that both were apparently from Mr. Richard Retta's bank account. I did notice this, however, the day I started filing the 30-Day Post General Report and I called our report analyst to ask her the regulations for this situation. She said that since they both came through Mr. Richard Retta's bank account, I needed to return the \$200 excess and (if I remember correctly) I had 30 days from the day of the donation to do so. I wrote the \$200 refund check to Mr. Richard Retta on November 11, 2010 and would have mailed it either that day or within the next few days, well within the 30 days allowed.

Regarding the \$880 in-kind donation from Randall Terry listed as from the Society for Truth and Justice: The Society for Truth and Justice is a DBA for Randall Terry and is not a "corporation or an unincorporated association taxed as a corporation." It was an error on my part that I listed the donation as coming from the DBA rather than from the person. An amendment to the 30-Day Post General Report correcting this error and a corresponding explanation were filed on February 16, 2011.

Thank you.
